Hello,
I am trying to find out which department I would have to reach out to in order to obtain blueprints for my home. Would this be a public record request? The home (13921 SW 73rd Ct.) was built decades ago, so I was not sure whether they would be held by Palmetto Bay or Miami-Dade - or if those records are even kept. Any help finding these or pointing me in the right direction would be greatly appreciated.

Best,
Daniel Karl
