Subject: Public REcords Request

Dear Mayor:

Pursuant to Article I, section 24 of the Florida Constitution, and chapter 119, F.S., I am making separate and independent requests for the following:

1. The names and email addresses for all employees of your county/municipality.
2. The names and email addresses for all department heads of your county/municipality
3. The names and email addresses for your chief of police (sheriff) and fire chief of your county/municipality.
4. The names and email addresses used by your county/municipality to send out any public notices.
5. The names and email addresses used by the superintendent of schools to send notices to the parents of students attending school in your county/municipality.

If there are any fees for providing the requested information, please inform me before filling my request. In this regard, I request a waiver of all fees for this request since the disclosure of the information I seek is not primarily in my commercial interest and is likely to contribute significantly to public understanding of the operations or activities of the government, making the disclosure a matter of public interest.

Should you deny my request, or any part of the request, please state in writing the basis for the denial, including the exact statutory citation authorizing the denial as required by s. 119.07(1)(d), F.S.

Please contact me if you have any questions.

Thank you

TRAVIS MOORE
