ADDENDUM TO FENCE PERMIT APPLICATION
COURTESY NOTICE RELATING TO SECTION 33-11 OF ZONING CODE

JOB ADDRESS: _____

It is understood that fences and walls that obstruct vision may not exceed 2 ½ feet in height when located either within 10 feet of the edge of any driveway leading to a public right of way, or within the **"SAFE SIGHT DISTANCE TRIANGLE"** as defined in Section 33-11(b) of the Miami-Dade County Code. I certify that this fence will not be located within the rights of way indicated in Section 33-133 of the Miami-Dade County Code. I further acknowledge that the issuance of this permit shall not be constructed as permission to violate any provisions of Miami-Dade County Ordinances.

Additionally, an As-Built survey may be required by the department at the Owner's expense, if there is a concern that the fence or wall encroaches on neighboring properties, easement or public rights of way.

Please be advised, if violations are found to exist that the law provides that tickets shall be issued resulting in penalties of up $500.00 per day (Chapter 8 CC of the Miami-Dade County Code).
