Project No. 20130244
RESURFACING PROJECT

Project Description:

The project is located on SW 152nd Street from SW 67th Avenue to SW 89th Court in Miami-Dade County Commission District 8. This project has been initiated to improve the roadway surface and driving conditions. The scope of work includes the following: milling and resurfacing, construction of ADA Ramps/Connectors, pavement markings, signage and adjustment of valve boxes and manholes.

Construction Schedule:

Construction is scheduled to begin in May 2014 and is anticipated to be completed in August 2014.*
**The construction schedule above is weather permitting.*

Methodology and Efforts:

All efforts are being made to minimize the impact from the construction activities to area residents, schools, businesses and motorists. The area will be restored to its original condition immediately upon the completion of the construction activities. The restoration activities will address any areas impacted by the project, such as grassy areas, sidewalks and others items affected by the construction.
