

## Calling all Palmetto Bay High School Students (9-12<sup>th</sup> Grade)!

The Village of Palmetto Bay invites High School residing in Palmetto Bay to be a part of the **2019 Student Photography Contest!** The winning photograph will be selected for the front cover of the **Village of Parks Play-by-Play Recreation Guide** winter edition. We encourage students to capture the positive life in Palmetto Bay while depicting the annual Florida Recreation & Parks Association “*Its Starts in Parks*” initiative. This year’s theme is:

**“Health”**

**What is “It Starts in Parks” (ISIP)?** “*It Starts in Parks*” is an initiative of the Florida Recreation and Park Association intended to better position parks and recreation in the future to be recognized and supported for the important benefits and services provided by the profession, to citizens of and visitors to the state of Florida. The intended outcome of the initiative is that people in the state of Florida will know, value and support the profession of parks and recreation.

The “*It Starts in Parks*” initiative supports **three pillars of the value of parks and recreation**. Each word can be expanded to include the plethora of benefits provided by parks and recreation agencies throughout the State of Florida. This year’s Student Photography Contest theme will focus on one of the pillars: **Health (Living Active Lifestyles)**

Defining the “**Health**” theme- Florida’s parks encourage healthy, active lifestyles as well as social development. Sound bodies and sound minds require physical activity and the chance to experience personal growth. Parks provide this opportunity naturally.

In Palmetto Bay, we’re encouraging the students to engage with the community and focus on photos capturing the Village’s beautiful parks and its natural resources, capturing residents and visitors engaged in healthy lifestyles and activities in the “Village of Parks”.

### 2019 Student Photography Contest Rules:

- Entry must be original work created by a high school student who resides in Palmetto Bay.
- Student must register for the photography [contest online](#), electronically submit the photo, and submit the mounted photograph (hand delivered or mailed to Village Hall) before the **DEADLINE date: Friday, September 27, 2019.
