Thank you so much. I am on the municode site now and can see language relating to plastic straws and Styrofoam however any chance you have the original language from when it was presented to the Council that includes the official signatures and recorded vote?

Dear Mr. Mucci:

Pursuant to your request, attached please find a copy of the Ordinance regarding plastic bottles. Please note that the item was withdrawn by the sponsor during the meeting; therefore, the Ordinance did not pass first reading.

Respectfully,

Ms. Arocha,

I left a message with your office this morning however I wanted to follow up with an email as well. I have a couple of questions regarding an ordinance before the Village dealing with water bottles. If you could give me a call at your earliest convenience, I would greatly appreciate it.

Thank you.
