Subject: Town of Miami Lakes Councilmember's Public Records Request

CAUTION: EXTERNAL SENDER -- Please avoid opening any unexpected attachments or clicking any strange links.

Good Afternoon,

I am inquiring information on behalf of one of our councilmembers. If you could please provide the following information at your earliest convenience I would greatly appreciate it. Please include the code, charter, and statutory references.

- Who can declare a State of Emergency within your city?
- The role of their elected bodies in emergencies?
- The process of declaring an emergency?
- To what extent can your executive act without the legislative body? And for how long?

Thank you very much.

Ashley Shepple
Deputy Clerk / Administrative Assistant to the Town Council
