**Subject:** Buyer In Contract need to access original building permits

CAUTION: EXTERNAL SENDER -- Please avoid opening any unexpected attachments or clicking any strange links.

Dear Melissa Dodge,

My name is Flavio Araripe and I am under contract to purchase the property at 17010 SW 92nd Ct, Palmetto Bay, FL 33157.

We had the inspection a few days ago, but Inspector was not able to find the Front Door label attesting it is impact proof. This is preventing me to secure home insurance discounts.

Can you advise me how I should proceed to access the original permits that would help me prove the front door is impact proof? According to your customer service people, the original building permit number is BLD-2012-2007.

Sincerely,  
Flavio Araripe

note: according to the Constructor the door is a Therma Tru, model 210HD.
