Dear Ms. Arocha:

Please accept this email as a Public Records Request made pursuant to Chapter 119 of the Florida Statutes.

Please provide me with electronic copies of the following documents:

1. Any list of email address recipients used by Council Member David Singer on the email account assigned to him by the Village of Palmetto Bay to more than 5 recipients for the time period between his first becoming a member of the Village Council to the present. (Please note: if there is one master list, you can provide the master list rather than the individual lists.)
2. All emails sent out by Council Member David Singer from the email address assigned to him by the Village of Palmetto Bay to more than 5 recipients at a time for the time period between his first becoming a member of the Village Council to the present.

If there is a cost associated with this request, please advise me of that cost. In addition, if any records are withheld on account of a claim of exemption under Chapter 119, please identify the relevant document by title or description and date, together with a citation to the specific section or subsection of Chapter 119 you claim provides the exemption.

Thank you for your attention to this matter.

Sincerely,

Steve Cody
