Dear Sir or Madam:

This is a public records request pursuant to Florida Statutes, Chapter 119. I request a copy of the following documents: all of the records that refer to the disposal of chemicals, pollutants and/or hazardous substances, including but not limited to arsenic and vanadium, at the former Florida Power & Cutler Power Plant) located at 14925 SW 67th Avenue, Miami, FL 33158 (the "Site") and the migration of such substances off-site

through air, soil, groundwater, soil vapor or any other environmental media ("contamination").

1. All documents relating to studies, surveys, and/or analysis of health risks to area residents as a result of the Site and/or the contamination with arsenic and vanadium.
2. All testing, monitoring, and sampling data relating to environmental investigations of the Site and/or the contamination with arsenic and vanadium.
3. All correspondence between your office and any individual, public or private entity, relating to the Site and/or the contamination with arsenic and vanadium.
4. All press releases, public notices, public presentations, or other information issued by your agency about the Site and/or any contamination with arsenic and vanadium.
5. All files relating to permits or administrative enforcement actions with respect to the Site and/or any contamination with arsenic and vanadium..

The relevant time period for this request is 2010 to the present. If possible, please produce the documents in electronic form (pdf) to my email address: tkeyah.gadson@qpwbllaw.com

Sincerely,

T'Keyah C. Gadson
