Dear custodian of record!

Pursuant to Article I, section 24 of the Florida Constitution, and chapter 119, F.S., I am requesting an opportunity to inspect or obtain copies of public records that have a list of the code violations from 09.09.2018 to 09.9.2020.

If there are any fees for searching or copying these records, please inform me if the cost will exceed 0\$. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and I am seeking information for my research purposes. This information is not being sought for commercial purposes.

The Florida Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Mike Andrew
