In reviewing, approving or rejecting any submissions by the Consultant or other acts of the Consultant, the Village in no way assumes or shares any responsibility or liability of the Consultant or Subcontractor, under this Agreement.

17.8 Ten (\$10.00) dollars payable by the Village to the Consultant constitutes separate and distinct consideration for this indemnity and hold harmless provision, the sufficiency of which is hereby acknowledged by the Consultant.

SECTION 18. INSURANCE

18.1 The Consultant shall secure and maintain throughout the duration of this agreement and any project agreement, insurance of such type and in such amounts necessary to

protect its interest and the interest of the Village against hazards or risks of loss as specified below. The insurance coverage shall include a minimum of:

A. Professional Liability Insurance in the amount of \$1,000,000.00 with deductible per claim if any, not to exceed 5% of the limit of liability providing for all sums which the Consultant shall become legally obligated to pay as damages for claims arising out of the services performed by the Consultant or any person employed by him in connection with this agreement. However, if the project amount exceeds \$1,000,000.00 then the amount of Professional Liability Insurance must meet the higher amount with a deductible per claim if any, not to exceed 5% of the limit of liability providing for all sums which the Consultant shall become legally obligated to pay as damages for claims arising out of the services performed by the Consultant or any person employed by him in connection with this agreement. This insurance shall be maintained for three years after completion of the construction and acceptance of any project covered by this agreement. However, the Consultant may purchase Specific Project Professional Liability Insurance which is also acceptable.

B. Comprehensive general liability insurance with broad form endorsement, including automobile liability, completed operations and products liability, contractual liability, severability of interest with cross liability provision, and personal injury and property damage liability with limits of \$1,000,000.00 combined single limit per occurrence for bodily injury and property damage. The policy or policies shall name Village as additional insured and shall reflect the hold harmless provision contained herein. Coverage must be afforded on a form no more restrictive than the latest edition of the Commercial General Liability Policy, without restrictive endorsements, as filed by the Insurance Services Office, and must include: (1) Premises and/or Operations; (2) Independent contractors and Products and/or completed Operations; (3) Broad Form Property Damage, Personal Injury and a Contractual Liability Endorsement, including any hold harmless and/or indemnification agreement.

C. Workers' Compensation Insurance in compliance with Chapter 440, Florida Statutes, as presently written or hereafter amended, and applicable federal law. The policies must include Employer's Liability with minimum limits of \$500,000 per accident.

18.2 The policies shall contain waiver of subrogation against the Village where applicable and shall expressly provide that the policy or policies are primary over any other insurance that the Village may have. The Village reserves the right to request a copy of the required policies for review. All policies shall contain a "severability of interest" or "cross liability" clause without obligation for premium payment of the Village.

18.3 All of the insurance is to be placed with Best rated A-8 or better insurance companies qualified to do business under the laws of the State of Florida and have agents upon whom service of process may be made in the State of Florida.

18.4 The Consultant shall furnish certificates of insurance to the Village prior to the commencement of operations. The certificates shall clearly indicate that the Consultant has obtained insurance in the type, amount, and classification as required for strict compliance with this paragraph and that no reduction in limits by endorsement during the policy term, or cancellation of this insurance shall be effective without 30 days prior written notice to the Village.

18.5 The Village is to be specifically included as an additional insured for the liability of the Village resulting from operations performed by or on behalf of Consultant in performance of this or any project agreement. Consultant's insurance, including that applicable to the Village as an additional insured, shall apply on a primary basis and any other insurance maintained by the Village shall be in excess of and shall not contribute to Consultant's insurance. Consultant's insurance shall contain a severability of interest provision providing that, except with respect to the total limits of liability, the insurance shall apply to each insured or additional insured in the same manner as if separate policies had been issued to each.

18.6 Prior to the execution of this agreement, Consultant shall provide the Village Manager with evidence of insurability from the Consultant's insurance carrier or a certificate of insurance. Prior to execution of any project agreement, the Consultant shall provide to the Village Manager, certificates of insurance evidencing the required insurance coverage. The certificates of insurance shall not only name the types of policy(ies) provided, but also shall refer specifically to this and any project agreement and shall state that such insurance is as required by this and any project agreement. The Village reserves the right to require the Consultant to provide a certified copy of such policies, upon written request by the Village. If a policy is due to expire prior to the completion of the services, renewal certificates of insurance or policies shall be furnished 30 days prior to the date of their policy expiration. Each policy certificate shall be endorsed with a provision that not less than 30 days' written notice shall be provided to the Village before any policy or coverage is cancelled or restricted. Acceptance of the certificate(s) is subject to approval of the Village Manager.

18.7 Compliance with the foregoing requirements shall not relieve the Consultant of its liability and obligations under this agreement.

18.8 All deductibles or self-insured retentions must be declared to and be approved by the Village Manager. The Consultant shall be responsible for the payment of any deductible or self-insured retention in the event of any claim. The Village Manager may require the Consultant, as a condition of execution of a particular project agreement, to provide a bond or other monetary consideration to cover the consultants' deductible for professional liability insurance.

SECTION 19. REPRESENTATIVE OF VILLAGE AND CONSULTANT

19.1 **Village Representative.** It is recognized that questions in the day-to-day conduct of this agreement will arise. The Village designates the Director of Public Work, as the person to whom all communications pertaining to the day-to-day conduct of this agreement shall be addressed.

20.2 In the event of any litigation arising out of this agreement or project agreement, each party hereby knowingly, irrevocably, voluntarily and intentionally waives its right to trial by jury.

Accordingly it is agreed that no deviation from the terms of the agreement shall be predicated upon any prior representations or agreements whether oral or written.

SECTION 23. CONSULTANT'S RESPONSIBILITIES

23.1 The Consultant and any and all drawings, plans, specifications, or other construction or contract documents prepared by the Consultant shall be accurate, coordinated and adequate for construction and shall comply with all applicable Village codes, state and federal laws, rules and regulations.

23.2 The Consultant shall exercise the same degree of care, skill and diligence in the performance of the services for each project agreement as is ordinarily provided by a professional engineer, architect, landscape architect, surveyor or mapper under similar circumstances. If at any time during the term of any project agreement or the construction of the project for which the Consultant has provided engineering, architectural landscape architectural, surveying or mapping services under a prior project agreement, it is determined that the Consultant's documents are incorrect, defective or fail to conform to the Scope of Services of the particular project, upon written notification from the Village, the Consultant shall immediately proceed to correct the work, re-perform services which failed to satisfy the foregoing standard of care, and shall pay all costs and expenses associated with correcting said incorrect or defective work, including any additional testing, inspections, and construction and reimbursements to the Village for any other services and expenses made necessary thereby, save and expect any costs and expenses which the Village would have otherwise paid absent the Consultant's error or omission. The Village's rights and remedies under this section are in addition to, and are cumulative of, any and all other rights and remedies provided by this agreement, the project agreement, by law, equity or otherwise.

23.3 The Consultant's obligations under this section of this agreement shall survive termination of this agreement or any project agreement.

SECTION 24. SUBCONSULTANTS

24.1 None of the work or services under this agreement shall be subcontracted unless Consultant obtains prior written consent from the Village. Approved subcontractors shall be subject to each provision of this agreement and Consultant shall be responsible and indemnify the Village for all subcontractors' acts, errors or omissions.

24.2 The Consultant shall not assign, transfer or pledge any interest in this agreement without the prior written consent of the Village; provided, however, that claims for money by the Consultant from the Village under this agreement may be assigned, transferred or pledged to a bank, trust company, or other financial institution without the Village's approval. Written notice of any assignment, transfer or pledge of funds shall be furnished within 10 days by the Consultant to the Village.

24.3 In the event the Consultant requires the services of any subconsultants or other professional associates in connection with services covered by any project agreement, the Consultant must secure the prior written approval of the Village Manager. The Consultant shall utilize his/her best efforts to utilize subconsultants where principal place of business is located within the Village of Palmetto Bay, Florida.

24.4 Any subcontract with a subconsultant shall afford to the Consultant rights against the subconsultant which correspond to those rights afforded to the Village against the Consultant herein, including but not limited to those rights of termination as set forth herein.

24.5 No reimbursement shall be made to the Consultant for any subconsultants that have not been previously approved by the Village for use by the Consultant.

24.6 The Consultant, subcontractors, suppliers and laborers are prohibited from placing a lien on Village's property. Consultant and its subcontractors specifically acknowledge that (i) it is entering into a contract with the Village for Continuing Services and may provide services contemplated in Chapter 255, Florida Statutes, and (ii) that neither Consultant nor any of its subcontractors have the right to file a construction lien against the Work or the Project. Contractor agrees to include a similar requirement (precluding the filing of liens against Village property) in any purchase order or subcontract entered into by Subcontractor.

24.7 The Consultant shall be fully responsible for all acts and omissions of its Subcontractor and of persons directly or indirectly employed by its subcontractors and of persons for whose acts any of them may be liable to the same extent that the Consultant is responsible for the acts and omissions of persons directly employed by it.

24.8 Nothing in this Agreement shall create any contractual relationship between any Subcontractor and Village or any obligation on the part of Village to pay or to see the payment of any monies due any Subcontractor. Village or Consultant may furnish to any subcontractor evidence of amounts paid to Consultant on account of specific work performed.

24.9 Consultant shall be required to comply with all Village requirements for Subcontractor utilization reports.

24.10 Consultant agrees to bind specifically every Subcontractor to the applicable terms and conditions of this Agreement for the benefit of Village.

24.11 If Consultant requires a Subcontractor to obtain performance and payment bonds, then such bonds shall name the Consultant and the Village as co-obligees, shall cover all warranties and guarantees of the Subcontractor, and shall comply with all bond requirements under this Agreement.

24.12 Pursuant to the requirements of Section 255.05(1)(a), Florida Statutes, as may be amended from time to time, Consultant shall ensure that the bond(s) referenced above shall be recorded in the public records of Miami-Dade County and provide Village with evidence of such recording.
