AGREEMENT (“CONTRACT”) BETWEEN VILLAGE AND CONTRACTOR

THIS CONTRACT is dated as of ____ day of _____, in the year 20____, (which shall be the Effective Date of the Contract) by and between the Village of Palmetto Bay, (hereinafter sometimes called the VILLAGE”), and GPE Engineering & General Contractor. (hereinafter sometimes called the “CONTRACTOR”).

Article 1. WORK.

CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

The scope of this work entitles the installation of a “Walking and Jogging Trail System” with recycled rubberized trail materials and installation over the existing asphalt which has deteriorated through the years. The thickness of the rubberized material cannot exceed two (2) inches thick. The material is a pour-in-place, monolithic, recycled bound rubber permeable pavement system to include flexible, polyurethane-bound synthetic rubber structure, uniformly troweled in place with a water permeable, pigmented surface and an installation suitable for slopes that might occur due to uprooting of trees on the old trail system. These slopes, mounds and curves which will be produced on site to contour the surface will need to be ADA compliant. The new rubber trails will need to be strong enough to withstand light-weight vehicular traffic and bicycles. The trail system will need to be 2,155 linear feet, 8 feet wide at Coral Reef Park, 7895 SW 152 Street, Palmetto Bay, Florida 33157.

Work under this contract shall consist of furnishing all equipment, materials, supplies, and manufactured articles and for performing all labor, work, or other operations required for the fulfillment of the contract in strict accordance to the contract documents. The work shall be complete, and all work, materials, and services not expressly shown or called for in contract documents, which may be necessary for the complete, and proper construction of the work in good faith shall be performed, furnished, and installed by the contractor as though originally so specified or shown, at no additional cost to the Village of Palmetto Bay, Florida.

The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

**VILLAGE OF PALMETTO BAY (the "VILLAGE" or the "Village")
CORAL REEF PARK RUBBERIZED - TRAIL RENOVATIONS (the "Project")**

Article 2. CONTRACT TIME.

2.1 The Total Bid Work, will be completed within 60 calendar days after the date when the Contract Time commences to run as provided in paragraph 2.50 of the General Conditions, and completed and ready for final payment in accordance with paragraph 2.15 of the General Conditions.

2.2 Liquidated Damages. VILLAGE and CONTRACTOR recognize that time is of the essence of this Contract and that VILLAGE will suffer financial loss and other damages if the Work is not substantially or finally complete within the time specified in paragraph 2.1 above, plus any extensions thereof allowed in accordance with 5.17 of the Technical Specifications. They also recognize the expense and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by VILLAGE if the Work is not substantially or finally complete on time. CONTRACTOR acknowledges and agrees that the actual delay damages which VILLAGE will suffer in the event of delay in achieving Substantial Completion or Final Completion of the Work are difficult, if not impossible, to determine and that the liquidated damages described herein are a fair and reasonable estimate of the delay damages which the VILLAGE is expected to suffer in the event of such delay. Accordingly, instead of requiring any such proof, VILLAGE and CONTRACTOR agree, that as liquidated damages for delay (but not as a penalty), CONTRACTOR shall pay VILLAGE One Hundred and 00/100 dollars (\$100.00) for each day that expires after the time specified in Paragraph 2.50 for Final Completion until the Work is complete. Liquidated damages shall be deducted from the CONTRACTOR's Applications for Payment. However, if at the time of the CONTRACTOR's Final Application for Payment, CONTRACTOR is owed insufficient amounts to fully cover the deduction for liquidated damages, then CONTRACTOR shall pay any amount due within 10 days of written demand by VILLAGE.

Article 3. CONTRACT PRICE.

3.1 The CONTRACTOR warrants by virtue of bidding that prices quoted shall remain fixed and firm during the term of this contract.

3.2 The estimated expenditure for this contract is listed below. This is the price quoted by the CONTRACTOR; however, the Village may increase or reduce the amount of this contract based on availability of budgeted funds.

Contract Price: \$ 136,000.00

Contract Price (in words): One Hundred and Thirty Six Thousand Dollars with Zero Cents.

Article 4. PAYMENT PROCEDURES.

All invoices should show purchase order number and be sent to: Village of Palmetto Bay, Parks and Recreation Department, 9705 E Hibiscus Street, Palmetto Bay, FL 33157. In accordance with Florida State Statutes, Chapter 218, payment will be made within 45 days after receipt of services and a proper invoice. The Village cannot make advance payments, make deposits in advance of receipt of goods, or pay C.O.D. Bidders should state any payment discount in the space provided on the proposal form.

Vendor shall submit invoices on or about the first of each month for work completed in the previous month under provision of this Contract. Progress payments will be on account of Unit Price Work and will be based on the number of units completed.

At least ten days before the date established for each progress payment (but not more often than once a month), Vendor shall submit to Village for review covering the work completed as of the date of the invoice and accompanied by any supporting documentation.

The VILLAGE may retain ten (10) percent of the amount of each payment until final completion and acceptance of all Work covered by the Contract Documents

for construction projects. On completion and acceptance of a part of the Work on which the price is stated separately in the Contract Documents, payment may be made in full, including retained percentages, less authorized deductions. Any interest earned on the retainage shall accrue to the benefit of the VILLAGE. For contracts not exceeding \$100,000.00 a ten (10) percent retainage will not be withheld.

Village will, within five days after receipt of invoice, either indicate if invoice has been recommended for approval or return the invoice to Vendor indicating Village's reasons for refusing to recommend for payment. In the latter case, Vendor may make the necessary corrections and resubmit the invoice. After the presentation of the invoice to the Village the amount recommended will become due and when due will be paid by the Village to the Vendor.

Village's recommendation of any payment requested in an invoice will constitute a representation by Village, based on Village's on-site observations of the executed Work and on Village's review of the invoice and the any accompanying documentation, that to the best of the Village's knowledge, information and belief:

1. The Work has progressed to the point indicated.
2. The quality of work is generally in accordance with the contract documents (subject to an evaluation of the Work as a functioning whole prior to or upon substantial completion, to a final determination of quantities and classifications for unit price work and to any other qualifications stated in the recommendation), and
3. The condition precedent to CONTRACTOR's being entitled to such payment appears to have been fulfilled in so far as it is the Village's responsibility to observe the work. However, by recommending any such payment, the Village will not thereby be deemed to have represented that:

(i) exhaustive or continuous on-site inspections have been made to check the quality of the quantity of work beyond the responsibilities specifically assigned to the Village in the contract documents or (ii) that there may not be other matters or issues between the parties that might entitle CONTRACTOR to be paid additionally by the Village of Palmetto Bay, Florida or entitle the Village to withhold payment to CONTRACTOR .

4. Village's recommendation of any payment, including final payment shall not mean that the Village is responsible for CONTRACTOR's means, methods, techniques, sequences or procedure of construction, or the safety precautions and programs incident thereto, or for any failure of CONTRACTOR to comply with Laws and Regulations applicable to the furnishing or performance of Work, or for any failure of the CONTRACTOR to perform or furnish Work in accordance with the Contract Documents.
5. Village may refuse to recommend the whole or any part of any payment if, in the Village's opinion, it would be incorrect to make the representations to the Village of Palmetto Bay. Village may also refuse to recommend any such payment or because of subsequently discovered evidence or the results of subsequent inspections, nullify any such payment previously recommended to such extent as may be necessary in Village's opinion to protect the Village of Palmetto Bay from loss because:
6. The Work is defective, or completed Work has been damaged requiring correction or replacement,
7. The Contract Price has been reduced by Written Amendment or Change Order,
8. The Village of Palmetto Bay, FL has been required to correct defective Work or complete Work, or,
9. The Village has actual knowledge of the occurrence of any of the events such as:
 - (i) If the CONTRACTOR persistently fails to perform the work in accordance with the contract documents (including, but not limited to, failure to supply sufficient skilled workers or suitable materials or equipment or failure to adhere to the progress schedule established),

- (ii) If the CONTRACTOR DISREGARDS laws or regulations of any public body having jurisdiction;
 - (iii) If the CONTRACTOR otherwise VIOLATES in any substantial way provisions of the Contract Documents;
10. The Village of Palmetto Bay, Florida may refuse to make payment of the full amount because:
- (i) Liens have been filed in connection with the Work, except where CONTRACTOR has delivered a specific Bond satisfactory to the Village to secure the satisfaction and discharge of such Liens.
 - (ii) There are other items entitling the Village to a set-off against the amount recommended, or
 - (iii) But the Village must give CONTRACTOR immediate written notice stating the reasons for such action and promptly pay CONTRACTOR the amount so withheld, or any adjustment thereto agreed to by the Village and CONTRACTOR, when CONTRACTOR corrects to the Village's satisfaction the reasons for such action.

CONTRACTOR has made or caused to be made examinations, investigations and tests and studies of such reports and related data in addition to those referred to in paragraph 7.2 as he deems necessary for the performance of the Work at the Contract Price, within the Contract Time and in accordance with the other terms and conditions of the Contract Documents; and no additional examinations, investigations, tests, reports or similar data are or will be required by CONTRACTOR for such purpose.
- 6.4. CONTRACTOR has correlated and considered the results of all such observations, examinations, investigations, tests, reports and data with the terms and conditions of the Contract Documents and in reaching the Contract Price and Contract Time.

2.15.1 All invoices should show purchase order number and be sent to: Village of Palmetto Bay, Parks and Recreation Department, 9705 E Hibiscus Street, Palmetto Bay, FL 33157. In accordance with Florida State Statutes, Chapter 218, payment will be made within 45 days after receipt of services and a proper invoice. 2.15.2 Vendor shall submit invoices on or about the first of each month for work completed in the previous month under provision of this Contract. Progress payments will be on account of Unit Price Work and will be based on the number of units completed.

2.15.3 The VILLAGE may retain ten (10) percent of the amount of each payment until final completion and acceptance of all Work covered by the Contract Documents for construction projects. On completion and acceptance of a part of the Work on which the price is stated separately in the Contract Documents, payment may be made in full, including retained percentages, less authorized deductions. 2.15.4 At least ten days before the date established for each progress payment (but not more often than once a month), Vendor shall submit to Village for review covering the work completed as of the date of the invoice and accompanied by any supporting documentation.

2.15.5 Village will, within five days after receipt of invoice, either indicate if invoice has been recommended for approval or return the invoice to Vendor indicating Village's reasons for refusing to recommend for payment. In the latter case, Vendor may make the necessary corrections and resubmit the invoice. After the presentation of the invoice to the Village the amount recommended will become due and when due will be paid by the Village to the Vendor.

2.15.6 Village's recommendation of any payment requested in an invoice will constitute a representation by Village, based on Village's on-site observations of the executed Work and on Village's review of the invoice and the any accompanying documentation, that to the best of the Village's knowledge, information and belief:

1. The Work has progressed to the point indicated.
2. The quality of work is generally in accordance with the contract documents (subject to an evaluation of the Work as a functioning whole prior to or upon substantial completion, to a final determination of quantities and classifications for unit price work and to any other qualifications stated in the recommendation), and
3. The conditions precedent to Contractor's being entitled to such payment appears to have been fulfilled in so far as it is the Village's responsibility to observe the work. However, by recommending any such payment, the Village will not thereby be deemed to have represented that: (i) exhaustive or continuous on-site inspections have been made to check the quality of the quantity of work beyond the responsibilities specifically assigned to the Village in the contract documents or (ii) that there may not be other matters or issues between the parties that might entitle Contractor to be paid additionally by the Village of Palmetto Bay, Florida or entitle the Village to withhold payment to Contractor .

- A. Village's recommendation of any payment, including final payment shall not mean that the Village is responsible for Contractor's means, methods, techniques, sequences or procedure of construction, or the safety precautions and programs incident thereto, or for any failure of Contractor to comply with Laws and Regulations applicable to the furnishing or performance of Work, or for any failure of the Contractor to perform or furnish Work in accordance with the Contract Documents.
- B. Village may refuse to recommend the whole or any part of any payment if, in the Village's opinion, it would be incorrect to make the representations to the Village of Palmetto Bay. Village may also refuse to recommend any such payment or because of subsequently discovered evidence or the results of subsequent inspections, nullify any such payment previously recommended to such extent as may be necessary in Village's opinion to protect the Village of Palmetto Bay from loss because:
 1. The Work is defective, or completed Work has been damaged requiring correction or replacement,
 2. The Contract Price has been reduced by Written Amendment or Change Order,
 3. The Village of Palmetto Bay, FL has been required to correct defective Work or complete Work, or,
 4. The Village has actual knowledge of the occurrence of any of the events such as:
 - (i) If the Contractor persistently fails to perform the work in accordance with the contract documents (including, but not limited to, failure to supply sufficient skilled workers or suitable materials or equipment or failure to adhere to the progress schedule established),
 - (ii) If the Contractor DISREGARDS laws or regulations of any public body having jurisdiction;
 - (iii) If the Contractor otherwise VIOLATES in any substantial way provisions of the Contract

Documents;

5. The Village of Palmetto Bay, Florida may refuse to make payment of the full amount because:
 - (i) Liens have been filed in connection with the Work, except where Contractor has delivered a specific Bond satisfactory to the Village to secure the satisfaction and discharge of such Liens.
 - (ii) There are other items entitling the Village to a set-off against the amount recommended, or
 - (iii) But the Village must give Contractor immediate written notice stating the reasons for such action and promptly pay Contractor the amount so withheld, or any adjustment thereto agreed to by the Village and Contractor, when Contractor corrects to the Village's satisfaction the reasons for such action.

2.16 DISCOUNTS

- A. Bidders may offer a cash discount for prompt payment; however, such discounts shall NOT be considered in determining the lowest net cost for bid evaluation purposes. Bidders are encouraged to reflect cash discounts in the unit prices quoted.
- B. In connection with any discount offered, time will be computed from the date of receipt of supplies or services or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date of mailing of the check.

Bids will be considered only from firms which are regularly engaged in the business of providing the goods and/or services as described in this Bid(s); have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or services if awarded a Contract under the terms and conditions herein stated. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper authorities of the Village.
- B. The Village may consider any evidence available to it of the financial, technical and other qualifications and abilities of a Bidder, including past performance (experience) in making the award in the best interest of the Village. In all cases the Village of Palmetto Bay shall have no liability to any Contractor for any costs or expense incurred in connection with this bid or otherwise.
- C. The Village may require Bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier, which is the actual source of supply. In these instances, the Village may also require material information from the source of supply regarding the quality, packaging, and characteristics of the products to be supplied to the Village through the designated representative. Any conflicts between this material information provided by the source of supply and the information contained in the Bidder's Proposal may render the Bid non-responsive.
- D. The Village may, during the period that the Contract between the Village and the successful Bidder is in force, review the successful Bidder's record of performance to insure that the Bidder is continuing to provide sufficient financial support, equipment and organization as prescribed in this Solicitation. Irrespective of the Bidder's performance on contracts awarded to it by the Village, the Village may place said contracts on probationary status and implement termination procedures if the Village determines that the successful Bidder no longer possesses the financial support, equipment and organization which would have been

necessary during the Bid evaluation period in order to comply with this demonstration of competency section.

A protest of a solicitation of an invitation to bid or Invitation to Bids shall be submitted in writing to the Village Manager prior to the opening of bids or the closing date of proposals, unless the aggrieved person did not know and could not have known of the facts giving rise to such protest prior to bid opening or the closing date for proposals. 2.71.1.2 GUARANTEE

The Contractor shall refer to the General Conditions. The Village will give notice of observed defects with reasonable promptness. In the event that the Contractor should fail to promptly correct such defective or non-conforming Work, the Village may cause the defective Work to be removed or corrected at the Contractor's expense, and the Village may charge the Contractor the cost thereby incurred. The Performance Bond shall remain in full force and effect through the guarantee period. Warranty shall be further described in detail in the General Conditions.

2.72 WAIVER OF JURY TRIAL

The Village and the Contractor knowingly, irrevocably voluntarily and intentionally waive any right either may have to a trial by jury in State or Federal Court proceedings in respect to any action, proceeding, lawsuit or counterclaim based upon the Contract Documents or the performance of the Work there under.

2.73 MANNER OF PERFORMANCE

A. The Contractor shall provide the Services described herein in a competent and professional manner satisfactory to the Village in accordance with the terms and conditions of the Agreement. The Village shall be entitled to a satisfactory performance of all Services described herein and to full and prompt cooperation by the Contractor in all aspects of the Services. At the request of the Village, the Contractor shall promptly remove from the project any Contractor's employee, sub-Contractor, or any other person performing Services hereunder. The Contractor agrees that such removal of any of its employees does not require the termination or demotion of any employee by the Contractor.

- B. The Contractor agrees to defend, hold harmless and indemnify the Village and shall be liable and responsible for any and all claims, suits, actions, damages and costs (including Attorney's fees and court costs) made against the Village, occurring on account of, arising from or in connection with the removal and replacement of any Contractor's personnel performing services hereunder at the behest of the Village. Removal and replacement of any Contractor's personnel as used in this Article shall not require the termination and or demotion of such Contractor's personnel.
- C. The Contractor agrees that at all times it will employ, maintain and assign to the performance of the Services a sufficient number of competent and qualified professionals and other personnel to meet the requirements to which reference is hereinafter made. The Contractor agrees to adjust its personnel staffing levels or to replace any of its personnel upon reasonable request from the Village, should the Village make a determination, in its sole discretion that said personnel staffing is inappropriate or that any individual is not performing in a manner consistent with the requirements for such a position.
- D. The Contractor warrants and represents that its personnel have the proper skill, training, background, knowledge, experience, rights, authorizations, integrity, character and licenses as necessary to perform the Services described herein, in a competent and professional manner.
- E. The Contractor shall at all times cooperate with the Village and coordinate its respective work efforts to most effectively and efficiently maintain the progress in performing the Services.
- F. The Contractor shall comply with all provisions of all federal, state and local laws, statutes, ordinances, and regulations that are applicable to the performance of the Agreement.

2.74 INDEPENDENT CONTRACTOR RELATIONSHIP

The Contractor is, and shall be, in the performance of all work services and activities under the Agreement, an independent Contractor, and not an employee, agent or servant of the Village. All persons engaged in any of the work or services performed pursuant to the Agreement shall at all times, and in all places, be subject to the Contractor's sole direction, supervision and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the Village shall be that of an independent Contractor and not as employees and agents of the Village.

The Contractor does not have the power or authority to bind the Village in any promise, agreement or representation other than specifically provided for in the Agreement.

2.75 AUTHORITY OF THE VILLAGE'S PROJECT MANAGER

- A. The Contractor hereby acknowledges that the Village's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, the Agreement including without limitations: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the Proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.
- B. The Contractor shall be bound by all determinations or orders and shall promptly obey and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Contractor agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- C. The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their

difference, the Contractor may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.

- D. In the event of such dispute, the parties to the Agreement authorize the Village Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the Village Manager's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the Village Manager within 10 days of the occurrence, event or act out of which the dispute arises.
- E. The Village Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of the Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the Village Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the Village Manager for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the Village Manager is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken. The Village Manager shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

2.76 MUTUAL OBLIGATIONS

- A. The Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.
- B. Nothing in the Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of Ownership control or statutory control) to a party.
- C. In those situations where the Agreement imposes an indemnity or defense obligation on the Contractor, the Village may, at its expense, elect to participate in the defense if the Village should so choose. Furthermore, the Village may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims, and thereafter seek indemnity for costs and Attorney's fees from the Contractor.

2.77 QUALITY ASSURANCE/QUALITY ASSURANCE RECORD KEEPING

The Contractor shall maintain, and shall require that its sub-Contractors and suppliers maintain, complete and accurate records to substantiate compliance with the requirements set forth in the Scope of Services. The Contractor and its sub-Contractors and suppliers shall retain such records, and all other documents relevant to the Services furnished under the Agreement for a period of three (3) years from the expiration date of the Agreement and any extension thereof.

2.78 AUDITS

The Village, or its duly authorized representatives or governmental agencies shall, until the expiration of three (3) years after the expiration of the Agreement and any extension thereof, have access to and the right to examine and reproduce any of the Contractor's books, documents, papers and records and those of its sub-Contractor's and suppliers which apply to all matters of the Village. Such records shall conform to Generally Accepted Accounting Principles requirements, as applicable, and shall only address those transactions related to the Agreement.

The Contractor agrees to grant access to the Village's Auditor to all financial and performance-related records, property, and equipment purchased in whole or in part with government funds. The Contractor agrees to maintain an accounting system that provides accounting records that are supported with adequate documentation, and adequate procedures for determining the allowable costs.

2.79 SUBSTITUTION OF PERSONNEL

In the event the Contractor wishes to substitute personnel for the key personnel identified by the Contractor's Proposal, the Contractor must notify the Village in writing and request written approval for the substitution at least ten (10) business days prior to effecting such substitution.

2.80 SUB-CONTRACTUAL RELATIONS

In order that the Village may be assured that only qualified and competent Subcontractor will be employed on the Project, each Bidder shall submit with the Bid a list of the Sub-contractors who will perform the work for each division of the Project Specifications as indicated on the "List of Subcontractors" form contained within the Bid. The Bidder shall have determined to its own complete satisfaction that a listed Subcontractor has been successfully engaged in its particular type of business for a reasonable length of time, has successfully completed installations comparable to that which is required by the Contract Documents and is qualified both technically and financially to perform that pertinent phase of the Work for which it is listed. Only one Subcontractor shall be listed for each division of the Work.

The "List of Subcontractor" shall be accompanied by an experience statement with pertinent information as to similar projects and other evidence of qualification, with all applicable licenses, registration or certification numbers noted on the Bid Form opposite its name for each such Subcontractor, person and organization. No change shall be made to the "List of Subcontractor" after submission of the Bid, unless agreed to in writing by the Village. The Village may make determinations regarding the responsibility and qualifications of each Subcontractor. To demonstrate qualifications to perform the Work, each Subcontractor must be prepared to submit, within five (5) days of Village's request, written evidence of the types set forth in the Request for Letter of Interest, such as financial data, previous experience, licensing, certification and evidence of authority to conduct business in the jurisdiction where the Project is located. If Village or Village after due investigation has reasonable objection to any proposed Subcontractor, other person or organization, either may before giving the Notice of Intent to Award request the apparent Successful Bidder to submit an acceptable substitute without an increase in the Bid Price. If the apparent Successful Bidder declines to make any such substitution, the Contract shall not be awarded to such Bidder and the Bid Security of that Bidder shall be forfeited. Any Subcontractor, other person or organization so listed and to whom Village or Village does not make written objection prior to

the giving of the Notice of Intent to Award will be deemed acceptable to Village and Village. Failure to provide the "List of Subcontractors" shall result in the Bid being deemed non-responsive.

1. In contracts where the Contract Price is on the basis of Cost-of-the-Work Plus a Fee, the apparent Successful Bidder, prior to the Notice of Intent to Award, shall identify in writing to Village those portions of the Work that such Bidder proposes to subcontract and after the Notice of Intent to Award may only subcontract other portions of the Work with Village's written consent.
2. No Contractor shall be required to employ any Subcontractor, other person or organization against whom he has reasonable objection.

2.81 ASSUMPTION, PARAMETERS, PROJECTIONS, ESTIMATES AND EXPLANATIONS

The Contractor understands and agrees that any assumptions, parameters, projections, estimates and explanations presented by the Village were provided to the Contractor for evaluation purposes only. However, since these assumptions, parameters, projections, estimates and explanations represent predictions of future events, the Village makes no representations or guarantees, the Village shall not be responsible for the accuracy of the assumptions presented, the Village shall not be responsible for conclusions to be drawn there from, and any assumptions, parameters, projections, estimates and explanations shall not form the basis of any claim by the Contractor. The Contractor accepts all risks associated with using this information.

2.82 SEVERABILITY

If the Agreement contains any provision found to be unlawful, the same shall be deemed to be of no effect and shall be deemed stricken from the Agreement without affecting the binding force of the Agreement as it shall remain after omitting such provision.

2.83 TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK

- A. The Village may terminate the Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the Village through fraud, misrepresentation or material misstatement.
- B. The Village may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the Village. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including Attorney's fees.
- C. The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the Village through fraud, misrepresentation or material misstatement may be debarred from Village contracting in accordance with the Village debarment procedures. The Contractor may be subject to debarment for failure to perform and all other reasons set forth in Chapter 3 of the Village's Purchasing Policies and Procedures Manual.
- D. In addition to cancellation or termination as otherwise provided in the Agreement, the Village may at any time, in its sole discretion, with or without cause, terminate the Agreement by written notice to the Contractor and in such event.
- E. The Contractor shall, upon receipt of such notice, unless otherwise directed by the Village:
 1. Stop work on the date specified in the notice ("the Effective Termination Date");
 2. Take such action as may be necessary for the protection and preservation of the Village's materials and property;

3. Cancel orders;
 4. Assign to the Village and deliver to any location designated by the Village any non-cancelable orders for Deliverables that are not capable of use except in the performance of the Agreement and which have been specifically developed for the sole purpose of the Agreement and not incorporated in the Services;
 5. Take no action which will increase the amounts payable by the Village under the Agreement.
- F. In the event that the Village exercises its right to terminate the Agreement pursuant to this Article the Contractor will be compensated as stated in the payment Articles, herein, for the:
1. Portion of the Services completed in accordance with the Agreement up to the Effective Termination Date; and
 2. Non-cancelable Deliverables that are not capable of use except in the performance of the Agreement and which have been specifically developed for the sole purpose of the Agreement but not incorporated in the Services.
- G. All compensation pursuant to this Article is subject to audit.

2.84 EVENT OF DEFAULT

- A. An Event of Default shall mean a breach of the Agreement by the Contractor. Without limiting the generality of the foregoing and in addition to those instances referred to herein as a breach, an Event of Default, shall include the following:
1. The Contractor has not delivered Deliverables on a timely basis;
 2. The Contractor has refused or failed, except in any case for which an extension of time is provided, to supply enough properly skilled staff personnel;
 3. The Contractor has failed to make prompt payment to sub Contractor's or suppliers for any Services;
 4. The Contractor has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Contractor's creditors, or the Contractor has taken advantage of any insolvency statute or debtor/creditor law or if the Contractor's affairs have been put in the hands of a receiver;
 5. The Contractor has failed to obtain the approval of the Village where required by the Agreement;
 6. The Contractor has failed to provide "adequate assurances" as required under subsection "B" below; and
 7. The Contractor has failed in the representation of any warranties stated herein.
- B. When, in the opinion of the Village, reasonable grounds for uncertainty exist with respect to the Contractor's ability to perform the Services or any portion thereof, the Village may request that the Contractor, within the time frame set forth in the Village's request, provide adequate assurances to the Village, in writing, of the Contractor's ability to perform in accordance with terms of the Agreement. Until the Village receives such assurances the Village may request an adjustment to the compensation received by the Contractor for portions of the Services which the Contractor has not performed. In the event that the Contractor fails to provide to the Village the requested assurances within the prescribed time frame, the Village may:
1. Treat such failure as a repudiation of the Agreement;
 2. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.
- C. In the event the Village shall terminate the Agreement for default, the Village or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, reports and data. If Contractor defaults in its performance under this Contract and does not cure the default within 15 days after written notice of default, the Village Manager may terminate this

Contract, in whole or in part, upon written notice without penalty to the Village of Palmetto Bay, FL. In such event the Contractor shall be liable for damages including the excess cost of procuring similar supplies or services: provided that if, (1) it is determined for any reason that the Contractor was not in default or (2) the Contractor's failure to perform is without his or his sub Contractor's control, fault or negligence, the termination will be deemed to be a termination for the convenience of the Village of Palmetto Bay, FL

2.85 REMEDIES IN THE EVENT OF DEFAULT

If an Event of Default occurs, the Contractor shall be liable for all damages resulting from the default, including but not limited to:

1. Lost revenues;
2. The difference between the cost associated with procuring Services hereunder and the amount actually expended by the Village for procurement of Services, including procurement and administrative costs; and,
3. Such other direct damages.

The Contractor shall also remain liable for any liabilities and claims related to the Contractor's default. The Village may also bring any suit or proceeding for specific performance or for an injunction.

2.86 PATENT AND COPYRIGHT INDEMNIFICATION

- A. The Contractor warrants that all Deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.
- B. The Contractor shall be liable and responsible for any and all claims made against the Village for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any way connected with, the Work, or the Village's continued use of the Deliverables furnished hereunder. Accordingly, the Contractor at its own expense, including the payment of Attorney's fees, shall indemnify, and hold harmless the Village and defend any action brought against the Village with respect to any claim, demand, and cause of action, debt, or liability.
- C. In the event any Deliverable or anything provided to the Village hereunder, or a portion thereof is held to constitute an infringement and its use is or may be enjoined, the Contractor shall have the obligation, at the Village's option, to (i) modify, or require that the applicable sub Contractor or supplier modify, the alleged infringing item(s) at the Contractor's expense, without impairing in any respect the functionality or performance of the item(s), or (ii) procure for the Village, at the Contractor's expense, the rights provided under the Agreement to use the item(s).
- D. The Contractor shall be solely responsible for determining and informing the Village whether a prospective supplier or sub-Contractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any Deliverable hereunder. The Contractor shall enter into agreements with all suppliers and sub-Contractor's at the Contractor's own risk. The Village may reject any Deliverable that it believes to be the subject of any such litigation or injunction, or if, in the Village's judgment, use thereof would delay the Work or be unlawful.

- E. The Contractor shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the Work.

2.87 PROPRIETARY INFORMATION

- A. As a political subdivision of the State of Florida, the Village of Palmetto Bay is subject to the provisions of Florida's Public Records Law.
- B. The Contractor acknowledges that all computer software in the Village's possession may constitute or contain information or materials which the Village has agreed to protect as proprietary information from disclosure or unauthorized use and may also constitute or contain information or materials which the Village has developed at its own expense, the disclosure of which could harm the Village's proprietary interest therein.
- C. During the term of the contract, the Contractor will not use directly or indirectly for itself or for others, or publish or disclose to any third party, or remove from the Village's property, any computer programs, data compilations, or other software which the Village has developed, has used or is using, is holding for use, or which are otherwise in the possession of the Village (hereinafter "Computer Software"). All third-party license agreements must also be honored by the Contractor's and their employees, except as authorized by the Village and, if the Computer Software has been leased or purchased by the Village, all third party license agreements must also be honored by the Contractor's employees with the approval of the lessor or Contractor's thereof. This includes mainframe, minis, telecommunications, personal computers and any and all information technology software.
- D. The Contractor will report to the Village any information discovered or which is disclosed to the Contractor which may relate to the improper use, publication, disclosure or removal from the Village's property of any information technology software and hardware and will take such steps as are within the Contractor's authority to prevent improper use, disclosure or removal.

2.88 PROPRIETARY RIGHTS

- A. The Contractor hereby acknowledges and agrees that the Village retains all rights, title and interests in and to all materials, data, documentation and copies thereof furnished by the Village to the Contractor hereunder or furnished by the Contractor to the Village and/or created by the Contractor for delivery to the Village, even if unfinished or in process, as a result of the Services the Contractor performs in connection with the Agreement, including all copyright and other proprietary rights therein, which the Contractor as well as its employees, agents, sub-Contractors and suppliers may use only in connection with the performance of Services under the Agreement. The Contractor shall not, without the prior written consent of the Village, use such documentation on any other project in which the Contractor or its employees, agents, sub Contractor's or suppliers are or may become engaged. Submission or distribution by the Contractor to meet official regulatory requirements or for other purposes in connection with the performance of Services under the Agreement shall not be construed as publication in derogation of the Village's copyrights or other proprietary rights.
- B. All rights, title and interest in and to certain inventions, ideas, designs and methods, specifications and other documentation related thereto developed by the Contractor and its sub Contractor's specifically for the Village, hereinafter referred to as "Developed Works" shall become the property of the Village.
- C. Accordingly, neither the Contractor nor its employees, agents, Subcontractors or suppliers shall have any proprietary interest in such Developed Works. The Developed Works may not be utilized, reproduced or distributed by or on behalf of the Contractor, or any employee, agent, sub-Contractor or supplier thereof,

without the prior written consent of the Village, except as required for the Contractor's performance hereunder.

- D. Except as otherwise provided in subsections a, b, and c above, or elsewhere herein, the Contractor and its sub-Contractors and suppliers hereunder shall retain all proprietary rights in and to all licensed software provided hereunder, that have not been customized to satisfy the performance criteria set forth in the Scope of Services. Notwithstanding the foregoing, the Contractor hereby grants, and shall require that its sub-Contractors and suppliers grant, if the Village so desires, a perpetual, irrevocable and unrestricted right and license to use, duplicate, disclose and/or permit any other person(s) or entity(ies) to use all such licensed software and the associated specifications, technical data and other documentation for the operations of the Village or entities controlling, controlled by, under common control with, or affiliated with the Village, or organizations which may hereafter be formed by or become affiliated with the Village. Such license specifically includes, but is not limited to, the right of the Village to use and/or disclose, in whole or in part, the technical documentation and licensed software, including any source code provided hereunder, to any person or entity outside the Village for such person's or entity's use in furnishing any and/or all of the Deliverables provided hereunder exclusively for the Village or entities controlling, controlled by, under common control with, or affiliated with the Village, or organizations which may hereafter be formed by or become affiliated with the Village. No such licensed software, specifications, data, documentation or related information shall be deemed to have been given in confidence and any statement or legend to the contrary shall be void and of no effect.

2.89 BUSINESS APPLICATION AND FORMS

The Contractor shall be a registered Contractor with the Village Procurement Division for the duration of the Agreement. It is the responsibility of the Contractor to file the appropriate Contractor application and to update the application file for any changes for the duration of the Agreement, including any option years.

The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in a conspicuous place available for employees and applicants for employment, such notices as may be required by the Dade County Fair Housing and Employment Commission, or other authority having jurisdiction over the Work setting forth the provisions of the nondiscrimination law.

E. "Conflicts of Interest" Section 2-11 of the County Code, and Ordinance 01-199.

F. Notwithstanding any other provision of the Agreement, Contractor shall not be required pursuant to the Agreement to take any action or abstain from taking any action if such action or abstention would, in the good faith determination of the Contractor, constitute a violation of any law or regulation to which Contractor is subject, including, but not limited to, laws and regulations requiring that Contractor conduct its operations in a safe and sound manner.

2.92 NONDISCRIMINATION

During the performance of this Contract, Contractor agrees to not discriminate against any employee or applicant for employment because of race, religion, color, sex, handicap, marital status, age or national origin, and will take affirmative action to ensure that they are afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not be limited to, recruitment, employment, termination, rates of pay or other forms of compensation, and selection for training or retraining, including apprenticeship and on-the-job training. By entering into this Contract with the Village, the Contractor attests that it is not in violation of the Americans with Disabilities Act of 1990 (and related Acts). If the Contractor or any Village, subsidiary or other firm affiliated with or related to the Contractor is found by the responsible enforcement agency or the Village to be in violation of the Act, such violation shall render this Contract void. This Contract shall be void if the Contractor submits a false affidavit or the Contractor violates the Act during the term of this Contract, even if the Contractor was not in violation at the time it submitted its affidavit.

2.93 CONFLICT OF INTEREST

The Contractor represents that:

- A. No officer, director, employee, agent, or other consultant of the Village or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of the Agreement.
- B. There are no undisclosed persons or entities interested with the Contractor in the Agreement. The Agreement is entered into by the Contractor without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the Village, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:

 2. Is an employee, agent, advisor, or consultant to the Contractor or to the best of the Contractor's knowledge, any Subcontractor or supplier to the Contractor.

- C. Neither the Contractor nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligations under the Agreement; provided that the Village, in its sole discretion, may consent in writing to such a relationship, and provided the Contractor provides the Village with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the Village's best interest to consent to such relationship.
- D. The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under the Agreement and those provided by statute, the stricter standard shall apply.
- E. In the event Contractor has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, Contractor shall promptly bring such information to the attention of the Village's Project Manager. Contractor shall thereafter cooperate with the Village's review and investigation of such information, and comply with the instructions Contractor receives from the Project Manager in regard to remedying the situation.

2.94 PRESS RELEASE OR OTHER PUBLIC COMMUNICATION

Under no circumstances shall the Contractor, its employees, agents, sub-Contractors and suppliers, without the express written consent of the Village:

- A. Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the Village, or the Work being performed hereunder, unless the Contractor first obtains the written approval of the Village.
Such approval may be withheld if for any reason the Village believes that the publication of such information would be harmful to the public interest or is in any way undesirable; and
- B. Communicate in any way with any Contractor, department, board, agency, Council or other organization or any person whether governmental or private in connection with the Services to be performed hereunder except upon prior written approval and instruction of the Village; and
- C. Represent, directly or indirectly, that any product or service provided by the Contractor or such parties has been approved or endorsed by the Village, except as may be required by law.

2.95 BANKRUPTCY

The Village reserves the right to terminate this contract if, during the term of any contract the Contractor has with the Village, the Contractor becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Contractor under federal bankruptcy law or any state insolvency law.

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. SECTION 8.0 AGREEMENT

AGREEMENT (“CONTRACT”) BETWEEN VILLAGE AND CONTRACTOR

THIS CONTRACTOR is dated as of the ___ day of _____, in the year 20___, (which shall be the Effective Date of the Contract) by and between the Village of Palmetto Bay, (hereinafter sometimes called the VILLAGE”), and _____ (hereinafter sometimes called the "CONTRACTOR").

Article 1. WORK.

CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

The scope of this work entitles the installation of a “Walking and Jogging Trail System” with recycled rubberized trail materials and installation over the existing asphalt which has deteriorated through the years. The thickness of the rubberized material cannot exceed two (2) inches thick. The material is a pour-in-place, monolithic, recycled bound rubber permeable pavement system to include flexible, polyurethane-bound synthetic rubber structure, uniformly troweled in place with a water permeable, pigmented surface and an installation suitable for slopes that might occur due to uprooting of trees on the old trail system. These slopes, mounds and curves which will be produced on site to contour the surface will need to be ADA compliant. The new rubber trails will need to be strong enough to withstand light-weight vehicular traffic and bicycles. The trail system will need to be 2,155 linear feet, 8 feet wide at Coral Reef Park, 7895 SW 152 Street, Palmetto Bay, Florida 33157.

Work under this contract shall consist of furnishing all equipment, materials, supplies, and manufactured articles and for performing all labor, work, or other operations required for the fulfillment of the contract in strict accordance to the contract documents. The work shall be complete, and all work, materials, and services not expressly shown or called for in contract documents, which may be necessary for the complete, and proper construction of the work in good faith shall be performed, furnished, and installed by the contractor as though originally so specified or shown, at no additional cost to the Village of Palmetto Bay, Florida.

The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

VILLAGE OF PALMETTO BAY (the "Owner" or the "Village")
CORAL REEF PARK RUBBERIZED - TRAIL RENOVATIONS (the "Project")

Article 2. CONTRACT TIME.

2.1 If awarded the Total Bid Work, the Work will be completed within 60 calendar days after the date when the Contract Time commences to run as provided in paragraph 2.50 of the General Conditions, and completed and ready for final payment in accordance with paragraph 2.15 of the General Conditions.

2.2 Liquidated Damages. OWNER and CONTRACTOR recognize that time is of the essence of this Contract and that OWNER will suffer financial loss and other damages if the Work is not substantially or finally complete within the time specified in paragraph 2.1 above, plus any extensions thereof allowed in accordance with 5.17 of the Technical Specifications. They also recognize the expense and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by OWNER if the Work is not substantially or finally complete on time. CONTRACTOR acknowledges and agrees that the actual delay damages which OWNER will suffer in the event of delay in achieving Substantial Completion or Final Completion of the Work are difficult, if not impossible, to determine and that the liquidated damages described herein are a fair and reasonable estimate of the delay damages which the OWNER is expected to suffer in the event of such delay. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree, that as liquidated damages for delay (but not as a penalty), CONTRACTOR shall pay OWNER One Hundred and 00/100 dollars (\$100.00) for each day that expires after the time specified in Paragraph 2.50 for Final Completion until the Work is complete. Liquidated damages shall be deducted from the CONTRACTOR's Applications for Payment. However, if at the time of the CONTRACTOR's Final Application for Payment, CONTRACTOR is owed insufficient amounts to fully cover the deduction for liquidated damages, then CONTRACTOR shall pay any amount due within 10 days of written demand by OWNER.

Article 3. CONTRACT PRICE.

3.1 The CONTRACTOR warrants by virtue of bidding that prices quoted shall remain fixed and firm during the term of this contract.

3.2 The estimated expenditure for this contract is listed below. This is the price quoted by the CONTRACTOR; however, the Village may increase or reduce the amount of this contract based on availability of budgeted funds.

Article 4. PAYMENT PROCEDURES.

All invoices should show purchase order number and be sent to: Village of Palmetto Bay, Parks and Recreation Department, 9705 E Hibiscus Street, Palmetto Bay, FL 33157. In accordance with Florida State Statutes, Chapter 218, payment will be made within 45 days after receipt of services and a proper invoice. The Village cannot make advance payments, make deposits in advance of receipt of goods, or pay C.O.D. Bidders should state any payment discount in the space provided on the proposal form.

Vendor shall submit invoices on or about the first of each month for work completed in the previous month under provision of this Contract. Progress payments will be on account of Unit Price Work and will be based on the number of units completed.

At least ten days before the date established for each progress payment (but not more often than once a month), Vendor shall submit to Village for review covering the work completed as of the date of the invoice and accompanied by any supporting documentation.

The VILLAGE may retain ten (10) percent of the amount of each payment until final completion and acceptance of all Work covered by the Contract Documents for construction projects. On completion and acceptance of a part of the Work on which the price is stated separately in the Contract Documents, payment may be made in full, including retained percentages, less authorized deductions. Any interest earned on the retainage shall accrue to the benefit of the VILLAGE. For contracts not exceeding \$100,000.00 a ten (10) percent retainage will not be withheld.

Village will, within five days after receipt of invoice, either indicate if invoice has been recommended for approval or return the invoice to Vendor indicating Village's reasons for refusing to recommend for payment. In the latter case, Vendor may make the necessary corrections and resubmit the invoice. After the presentation of the invoice to the Village the amount recommended will become due and when due will be paid by the Village to the Vendor.

Village's recommendation of any payment requested in an invoice will constitute a representation by Village, based on Village's on-site observations of the executed Work and on Village's review of the invoice and the any accompanying documentation, that to the best of the Village's knowledge, information and belief:

4. The Work has progressed to the point indicated.
5. The quality of work is generally in accordance with the contract documents (subject to an evaluation of the Work as a functioning whole prior to or upon substantial completion, to a final determination of quantities and classifications for unit price work and to any other qualifications stated in the recommendation), and
6. The conditions precedent to CONTRACTOR's being entitled to such payment appears to have been fulfilled in so far as it is the Village's responsibility to observe the work. However, by recommending any such payment, the Village will not thereby be deemed to have represented that: (i) exhaustive or continuous on-site inspections have been made to

- check the quality of the quantity of work beyond the responsibilities specifically assigned to the Village in the contract documents or (ii) that there may not be other matters or issues between the parties that might entitle CONTRACTOR to be paid additionally by the Village of Palmetto Bay, Florida or entitle the Village to withhold payment to CONTRACTOR .
7. Village's recommendation of any payment, including final payment shall not mean that the Village is responsible for CONTRACTOR's means, methods, techniques, sequences or procedure of construction, or the safety precautions and programs incident thereto, or for any failure of CONTRACTOR to comply with Laws and Regulations applicable to the furnishing or performance of Work, or for any failure of the CONTRACTOR to perform or furnish Work in accordance with the Contract Documents.
 8. Village may refuse to recommend the whole or any part of any payment if, in the Village's opinion, it would be incorrect to make the representations to the Village of Palmetto Bay. Village may also refuse to recommend any such payment or because of subsequently discovered evidence or the results of subsequent inspections, nullify any such payment previously recommended to such extent as may be necessary in Village's opinion to protect the Village of Palmetto Bay from loss because:
 9. The Work is defective, or completed Work has been damaged requiring correction or replacement,
 10. The Contract Price has been reduced by Written Amendment or Change Order,
 11. The Village of Palmetto Bay, FL has been required to correct defective Work or complete Work, or,
 12. The Village has actual knowledge of the occurrence of any of the events such as:
 - (iv) If the CONTRACTOR persistently fails to perform the work in accordance with the contract documents (including, but not limited to, failure to supply sufficient skilled workers or suitable materials or equipment or failure to adhere to the progress schedule established),
 - (v) If the CONTRACTOR DISREGARDS laws or regulations of any public body having jurisdiction;
 - (vi) If the CONTRACTOR otherwise VIOLATES in any substantial way provisions of the Contract Documents;
 13. The Village of Palmetto Bay, Florida may refuse to make payment of the full amount because:
 - (iv) Liens have been filed in connection with the Work, except where CONTRACTOR has delivered a specific Bond satisfactory to the Village to secure the satisfaction and discharge of such Liens.
 - (v) There are other items entitling the Village to a set-off against the amount recommended, or
 - (vi) But the Village must give CONTRACTOR immediate written notice stating the reasons for such action and promptly pay CONTRACTOR the amount so withheld, or any adjustment thereto agreed to by the Village and CONTRACTOR, when CONTRACTOR corrects to the Village's satisfaction the reasons for such action.

Re: Invitation to Bid ITB# 1516-12-001
Coral Reef Park Rubberized – Trail Renovations

ADDENDUM NO. 1

Prospective Proposers,

This Addendum forms a part of the ITB Package Document dated November 23rd, 2015, with the amendments and additions noted below (deletions are shown by strikethrough and additions are underlined.)

Mr. Mike Nester from R.H. Moore & Associates submitted the following questions via email:

1. **Question:** Do you have an updated bidder's list you are able to email me?

Response: Yes, we keep a record of all the bids that have gone out, we will email everyone a copy of the bidder's list as of November 18, 2015.

Mr. Lester Jimenez from GPE Engineering & General Contractor submitted the following questions via email:

1. **Question:** After reviewing the technical specification it states that all transitions to be ADA compliant. Does this imply the contract is to remove the asphalt at these location and regrade the base below in order to slope the rubberized track no more than 2% when matching the existing concrete sidewalk?

Response: No, the asphalt will not need to be removed, there will be some sloping due to uprooting etc... what the bidders should do is level with the material to a slope that will be ADA compliant and that the track looks appealing. Remember we are asking for two (2) inches of the pour in place material.

2. **Question:** There are several areas around the track that are being uprooted by the Trees. Are these areas of asphalt to be removed and regraded prior to installing the rubberized track surface.

Response: Please note that we do not want to have the asphalt removed, the best way for the uprooting of the trees is to slope the pathway in a way that would make it easier for bicycles and pedestrians to not trip or fall and be ADA approved.

3. **Question:** Along the track there is an average of a 6" step-off which is not ADA compliant. Is this edge to be milled/saw cut and removed to provide an adequate transition to grade.

Response: Yes, there needs to be a way to improve on the transition from trail to step-off and be able to also be ADA compliant.

4. **Question:** There is a bench located along the track with a 6" step-off. Do you require a pad to be installed for this bench to provide adequate transition?

Response: I do not know if that was part of the bid document, but it can be addressed once we acquire a selection.

All other terms and conditions stipulated in the original Village of Palmetto Bay Request for Proposal shall remain in force. All addenda created will be incorporated into the final contract and must be acknowledged in all proposals. The form of acknowledgement is included and failure to sign and submit this form may result in your proposal from being rejected.

Thank you for your participation in our solicitation process.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives and partners, shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement, which I have marked below, is true in relations to the entity submitting this sworn statement. (Indicate which statement applies).

- Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of

the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

- The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
- The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted Vendor list (attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct for you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
