Hello, I am looking for any public records that provide the number of septic tanks in the village of Palmetto Bay. I am also looking for records that detain any leaks or spills from these septic tanks. I am helping to write an environmental monitoring plan for the Deering Estate, and it would be helpful to know the number of septic tanks and spills in the Village of Palmetto Bay.

Subject: Septic tanks in Palmetto Bay - Public Records Request
Attachments: JoshDiamond_request_for_public_records.pdf

Hello,

I am a graduate student at FIU working as the environmental monitoring intern at the Deering Estate. I'm working on drafting a monitoring plan, and I am looking for a public record that could give me the number of septic tanks in Palmetto Bay, and/or the number of septic tank leaks.

I have filled out the public records request form, and attached it to this email. If possible I would like to receive the record(s) as an email to this address (jdiam009@fiu.edu).

Thank you,

Josh Diamond
