Re: Public Records Request, Village No. 2017-065
UP# 1617-03-001, Parking Improvements for the Village of Palmetto Bay

Dear Mr. Pelz:

We received your referenced request seeking "any and all scoring results for step one of the proposal process ..., including but not limited to tabulations, computations, notes, [and] memorandum made in preparation of the scoring results."

Because this competitive process involves an unsolicited proposal and includes negotiations which may involve submittal of interim and final offers (see UP sections 7 and 8), the Village views the requested records as temporarily exempt from production until the Village makes its award decision or until 30 days after it opens the final offers, whichever is earlier. Please see sections 119.071(1)(b), 255.065(15), and 286.0013 of the Florida Statutes.

When this temporary exemption ends, we will promptly undertake to provide you the requested records.

Sincerely,

Litsy C. Pittser
Procurement Specialist
