RE: Urban County Qualification for Participation in the Community Development Block Grant (CDBG) Program for Fiscal Years (FYs) 2018 – 2020

Dear Mayor Flinn:

The Housing and Community Development Act of 1974 requires that every three years all urban counties participating in the United State Department of Housing and Urban Development (U.S. HUD) Community Development Block Grant (CDBG, Emergency Solutions Grant (ESG), and HOME Investment Partnerships (HOME) Programs undergo U.S. HUD's Urban County Qualification process. This process, which involves counties working with units of general local government eligible to participate (i.e., a municipality which is not entitled to receive its own federal or state entitlement funding), began on April 24, 2017 and will end by September 15, 2017.

Miami-Dade County is currently qualified as an urban county and is scheduled to re-qualify for the period that begins January 1, 2018 and ends December 31, 2020. This letter is meant to inform you that the Village of Palmetto Bay (City) has an opportunity to join the County's entitlement jurisdiction.

In order for the County to follow U.S. HUD's guidelines, the City must indicate in writing no later than June 12, 2017 its intent to either participate in or opt out of Miami-Dade County's entitlement jurisdiction. Electing to participate will require the execution of the Urban Qualification Agreement with the County, approved by your governing body, a legal opinion, and other documents and certifications required by U.S. HUD, as set forth in the attached Community Planning and Development (CPD) 17-03 Notice. The process of including the City in the County's entitlement jurisdiction must be completed no later than July 16, 2017; therefore, time is of the essence in order for the City to join the County's entitlement jurisdiction.

Please address your notification to both the County and U.S. HUD:

Ms. Ann Chavis
CPD Field Office Director
U.S. Department of Housing and Urban Development

and

Mr. Michael Liu
Director
Miami-Dade County
Department of Public Housing and Community Development (PHCD)
701 NW 1st Court, 16th Floor
Miami, FL 33136

Please note that whether the City **chooses to opt in or out** of joining the Miami-Dade County jurisdiction, the same people listed above need to be notified, in writing, of that decision no later than June 12, 2017.

As you review the attached CPD Notice, please note that if the City elects to be included in Miami-Dade County's entitlement jurisdiction, the City could compete for CDBG, ESG or HOME funds by participating in the County's annual competitive Request-For-Application (RFA) processes, administered by the Public Housing and Community Development (PHCD) Department. By participating in the County's jurisdiction, the City is ineligible to apply for grants under the State CDBG program.

If you need additional information regarding this request or on the Urban County Qualification process, please feel free to contact Theresa Fiaño, Housing and Community Development Manager at 786-469-2130 or at fianot@miamidade.gov.

Sincerely,

Michael Liu

The provisions of this section survive the termination or expiration of this Agreement.

18. The County and Village agree that neither the County nor the Village shall sell, trade, or otherwise transfer all or any such portion of the Federal Funds to another metropolitan Village, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under Title I of the Housing and Community Development Act of 1974, as amended.

SUBJECT: Instructions for Urban County Qualification for Participation in the Community Development Block Grant (CDBG) Program for Fiscal Years (FYs) 2018-2020

INTRODUCTION

This Notice establishes requirements, procedures and deadlines to be followed in the urban county qualification process for FYs 2018-2020. Information concerning specific considerations and responsibilities for urban counties is also provided. HUD Field Offices and urban counties are expected to adhere to the deadlines in this Notice.

This Notice provides guidance for counties wishing to qualify or requalify for entitlement status as urban counties, as well as for existing urban counties that wish to include previously nonparticipating communities. **Please send copies of this Notice to all presently qualified urban counties, to each county that can qualify for the first time or requalify for FYs 2018-2020, and to each state administering the State CDBG program which includes a potentially eligible urban county. If you are notified later of one or more new potential urban counties, each should be provided a copy of this Notice.** This Notice includes seven attachments which contain listings of: Attachment A, all currently qualified urban counties; Attachment B, counties that requalify this qualification period (2018-2020); Attachment C, counties scheduled to qualify or requalify in FY 2018 for FY 2019-2021; Attachment D, counties scheduled to qualify or requalify in FY 2019 for FY 2020-2022; Attachment E, currently qualified urban counties that can add nonparticipating units of government for the remaining one or two years of their qualification period; Attachment F, list of counties that may qualify as urban counties if metropolitan cities relinquish their status; and Attachment G, list of counties previously identified as eligible but have not accepted urban county status. Additions to Attachment B may be provided separately, should any counties be identified as potentially eligible for the first time in 2017.

The schedule for qualifying urban counties is coordinated with qualifying HOME consortia in order to be able to operate both the CDBG and HOME programs using the same urban county configurations. The CDBG urban county qualification process for the FY 2018-2020 qualification period will start in March 2017 and run through September 15, 2017. This will provide HUD sufficient time before the September 30th deadline for FY 2018 funding under the HOME Program to notify counties that they qualify as urban counties under the CDBG Program. Urban county

worksheets will be accessible via CPD's Grants Management Process (GMP) system. The CPD Systems Development and Evaluation Division will provide guidance on completing, submitting and verifying urban county qualification data in the GMP system.

HUD revised the requirements in Section V.H, second paragraph, regarding Cooperation Agreements in 2013 to more clearly delineate the fair housing and civil rights obligations to which urban counties and participating jurisdictions are subject. By this time, all existing urban counties should have incorporated the required language in their cooperation agreements regarding fair housing and civil rights obligations. Urban counties should review the language in their existing cooperation agreements regarding fair housing and civil rights obligations to determine whether they still need to revise their existing agreements. The use of automatically-renewing cooperation agreements does not exempt existing urban counties from incorporating the required language in Section V.H.

Urban counties have the option of drafting a separate amendment to their existing agreements that includes these provisions rather than drafting a new cooperation agreement that contains the provisions. However, the separate amendment must still be executed by an official representative of each of the participating units of general local government and the urban county.

Jurisdictions that are qualifying as an urban county for the first time must submit all required documents outlined in Section IV to the Entitlement Communities Division in HUD Headquarters in addition to their local HUD offices (see Section IV for details). In addition, if new jurisdictions are seeking to qualify as urban counties because they contain metropolitan cities willing to relinquish their entitlement status, the Entitlement Communities Division in HUD Headquarters should be notified as soon as possible, but no later than two weeks after the jurisdictions notify the Field Office of their intent to qualify as an urban county (see Section VIII for details).

A unit of general local government may not sell, trade, or otherwise transfer all or any portion of such funds to a metropolitan city, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under Title I of the Housing and Community Development Act of 1974, as amended. This requirement first arose as a result of discovering that units of general local government located within an urban county were trading CDBG funds for unrestricted local funds. Guidance was sent to each urban county and HUD Field Office on May 13, 2013, discouraging this practice and detailing the requirements for urban counties to make CDBG grants to units of general local government located therein. Congress has prohibited this practice. Urban counties qualifying in 2017 for FYs 2018-2020 must incorporate this provision into cooperation agreements by revision or amendment.

Policy questions from Field Offices related to this Notice should be directed to Gloria Coates in the Entitlement Communities Division at (202) 708-1577 or at gloria.l.coates@hud.gov. Data questions should be directed to the Systems Development and Evaluation Division at (202) 708-0790. Requests for deadline extensions should be directed to Gloria Coates. The TTY number for both divisions is (202) 708-2565. These are not toll-free numbers.

The information collection requirements contained in this notice have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2506-0170, which expires May 31, 2018. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number.

COMMUNITY DEVELOPMENT BLOCK GRANT
URBAN COUNTY QUALIFICATION
Fiscal Years 2018-2020

In accordance with 24 CFR 570.307(a) of the Community Development Block Grant (CDBG) regulations, the information below explains HUD's process for qualifying and requalifying urban counties for purposes of the CDBG program.

I. GENERAL REQUIREMENTS

A. Threshold

In order to be entitled to receive CDBG funds as an urban county, a county must qualify as an urban county under one of the following thresholds:

1. Have a total combined population of 200,000 or more (excluding metropolitan cities) from the unincorporated areas and participating incorporated areas; or
2. Have a total combined population of at least 100,000 but less than 200,000 from the unincorporated areas and participating incorporated areas, provided that, in the aggregate, those areas include the majority of persons of low and moderate income that reside in the county (outside of any metropolitan cities). Under this provision, the county itself is still required to have a minimum population of 200,000 (excluding metropolitan cities) to be potentially eligible. However, the urban county does not have to include each unit of general local government located therein, provided that the number of persons in the areas where the county has essential powers and in units of general local government where it has signed cooperation agreements equals at least 100,000. In addition those included areas must in the aggregate contain the preponderance of low and moderate income persons residing in the urban county (calculated by dividing the number of low and moderate income persons residing in the county by two and adding one). Metropolitan cities are not included in these calculations.
3. Meet specific requirements of Sec. 102(a)(6)(C) or (D) of Title I of the Housing and Community Development Act of 1974, as amended (the Act).

HUD must make a review to determine that an urban county possesses essential community development and housing assistance powers in any unincorporated areas that are not units of general local government (UGLGs). HUD must also review all of the UGLGs within the county to determine those, if any, in which the county lacks such powers. The county must enter into cooperation agreements with any such units of local government that are to become part of the urban county. Such agreements would bind an UGLG to cooperate in the use of its powers in carrying out essential activities in accordance with the urban county's program. See Section IX for additional information on Determinations of Essential Powers.

B. Consolidated Plan Requirements

In order to receive an Entitlement Grant in FY 2018, an urban county must have an approved Consolidated Plan (pursuant to 24 CFR 570.302 and Part 91). This includes urban counties newly qualifying during this qualification period; urban counties that continue to include the same communities previously included in the urban county; and those urban counties that are amending their urban county configurations to add communities that chose not to participate previously. Where an urban county enters into a joint agreement with a metropolitan city for CDBG purposes, a Consolidated Plan is submitted by the urban county to cover both governmental entities for the CDBG program.

Pursuant to 24 CFR Part 91, submission of a jurisdiction's Consolidated Plan may occur no earlier than November 15, and no later than August 16, of the Program Year for which CDBG, HOME, Emergency Solutions Grants (ESG) and Housing Opportunities for Persons With AIDS (HOPWA) funds are appropriated to cover the Federal fiscal period of October 1, 2017, through September 30, 2018. **An urban county's failure to submit its Consolidated Plan by August 16, 2017, will automatically result in a loss of CDBG funds for the 2017 program year (24 CFR 570.304(c)(1)).** The Consolidated Plan must meet all requirements of 24 CFR Part 91, including all required certifications.

C. Consolidated Plan Requirements Where the Urban County is in a HOME Consortium

Where UGLGs form a "consortium" to receive HOME funding, the consortium submits the Consolidated Plan for the entire geographic area encompassed by the consortium (24 CFR 91.400). Therefore, if an urban county is a member of a HOME consortium, the consortium submits the Consolidated Plan, and the urban county, like all other CDBG entitlement grantees in the consortium, is only required to submit its own non-housing Community Development plan (24 CFR 91.215(f)), an Action Plan (24 CFR 91.220) and the required Certifications (24 CFR 91.225(a) and (b); 91.425 (a) and (b)), as part of the consortium's Consolidated Plan. If an urban county has a CDBG joint agreement with a metropolitan city and both jurisdictions wish to receive HOME funds, they must form a HOME consortium to become one entity for HOME purposes. [For additional information on the requirements for consortia agreements, see 24 CFR 92.101 and the Notice of Procedures for Designation of Consortia as a Participating Jurisdiction for the HOME Program (CPD-13-002).] Although an urban county as a member of a HOME consortium is only required to submit its own non-housing Community Development plan, Action plan and required certifications, the program responsibilities as stated in Section VII of this notice are important regardless of whether the urban county is a member of a consortium. In this regard, and in light of the requirement to submit its own affirmatively furthering fair housing certification per 24 CFR 91.225(a), an urban county is encouraged to work with the lead entity for the consortium in developing and seeing to the submission of a Consolidated Plan that reflects fair housing strategies and actions. However, if the urban county is the lead entity rather than simply a participant in the HOME consortium, the urban county must submit the housing and homeless needs assessment, market analysis, strategic plan, and the action plan on behalf of the consortium. The urban county and other entitlement communities that are members of

the consortium must separately submit the certifications required at 24 CFR 91.225.

D. Synchronization of Urban County and HOME Qualification Periods

The CDBG urban county's and HOME consortium's qualification periods are for three successive years. If a member urban county's CDBG three-year cycle is not the same as the HOME consortium's, the HOME consortium may elect a qualification period shorter than three years to get in sync with the urban county's CDBG three-year qualification cycle, as permitted in 24 CFR 92.101(e). (All consortium members must also have the same program year start date.) See the March 24, 2016, memorandum from Harriet Tregoning to all CPD Formula Program Grantees and All CPD Field Office Directors on Incorporating 24 CFR Part 5 Affirmatively Furthering Fair Housing Into 24 CFR 91.10 Consolidated Program Year, 24 CFR 91.105 Citizen Participation Plans for Local Governments and 24 CFR 91.115 Citizen Participation Plans for States, accessible at <https://www.hudexchange.info/resources/documents/CPD-Memo-Incorporating-24-CFR-Part-5-AFFH-into-the-Consolidated-Program-Year-and-Citizen-Participation-Plan.pdf>.

II. QUALIFICATION SCHEDULE

The following schedule will govern the procedure for urban county qualification for the three-year qualification cycle of FYs 2018-2020. Unless noted otherwise, deadlines may only be extended by prior written authorization from Headquarters. Deadlines in paragraphs D, E, G, and I may be extended by the Field Office as specified below.

However, no extension may be granted by the Field Office if it would have the effect of extending a subsequent deadline that the Field Office is not authorized to extend.

- A. By April 24, 2017, the HUD Field Office shall notify counties that may seek to qualify or requalify as an urban county of HUD's Determination of Essential Powers (see Section IX) as certified by the Field Office Counsel (see Attachment B, Counties Scheduled to Qualify or Requalify in 2017 for the 2018-2020 Qualification Period).
- B. By April 24, 2017, counties must notify split places of their options for exclusion from or participation in the urban county (see Attachment B and Section III, paragraph D, for an explanation of split places).
- C. By April 24, 2017, counties must notify each included unit of general local government, where the county is authorized to undertake essential community development and housing assistance activities without the consent of the governing body of the locality, of its right to elect to be excluded from the urban county, and the date by which it must make such election (see paragraph E, below). Included units of government must also be notified that they are not eligible to apply for grants under the State CDBG program while they are part of the urban county, and that, in becoming a part of the urban county, they automatically participate in the HOME and ESG programs if the urban county receives HOME and ESG funding, respectively. Moreover, while units of general local government may only receive a formula allocation under the HOME and ESG programs as part of the urban

county, this does not preclude the urban county or a unit of government participating with the urban county from applying for HOME or ESG funds from the State, if the State allows.

Language in the 2013 HUD Appropriations Act designated Wake County, North Carolina, as a direct grantee for HOPWA funds for the Raleigh Metropolitan Statistical Area. Wake County is the only urban county that receives a direct HOPWA grant. In addition, the Housing Opportunity Through Modernization Act of 2016 amended Section 854(c) of the AIDS Housing Opportunity Act to permit HOPWA-eligible States and cities to allow urban (and non-urban) counties to administer HOPWA grants on their behalf.

A county that is already qualified as an urban county for FY 2018 (see Attachment E, Counties Qualified through 2018 or 2019 that Contain Nonparticipating Communities) may elect to notify nonparticipating units of government that they now have an opportunity to join the urban county for the remainder of the urban county's qualification period (see paragraph H, below).

- D. By May 22, 2017, any county which has executed cooperation agreements with no specified end date is required to notify affected participating units of government in writing that the agreement will automatically be renewed unless the unit of government notifies the county in writing by June 12, 2017, (see paragraph F, below) of its intent to terminate the agreement at the end of the current qualification period (see Attachment B). Any extension of this deadline must be authorized in writing by the Field Office. An extension of more than seven days requires the Field Office to notify the Entitlement Communities Division by email or telephone.
- E. By June 12, 2017, any included unit of general local government, where the county does not need the consent of its governing body to undertake essential community development and housing assistance activities, that elects to be excluded from an urban county must notify the county and its HUD Field Office, in writing, that it elects to be excluded. Potential new entitlement cities are identified by the Census Bureau on or around July 1. Any units of general local government that meets metropolitan city status for the first time in a requalifying urban county will be given additional time to decide if they want to be included or excluded since they will be notified of their status after the May 22 deadline (see Section VIII.E.). Any extension of this deadline must be authorized in writing by the Field Office. An extension of more than seven days requires notification of the Entitlement Communities Division by email or telephone.
- F. By June 12, 2017, any unit of government that has entered into a cooperation agreement with no specified end date with the county and elects not to continue participating with the county during the FY 2018-2020 qualification period must notify the county and its HUD Field Office in writing that it is terminating the agreement at the end of the current period. The county may allow additional time provided any such extension does not interfere with the county's ability to meet the deadline in paragraph J, below.
- G. By June 12, 2017, any unit of general local government that meets "metropolitan city"

status for the first time and wishes to defer such status and remain part of the county, or to accept such status and become a joint recipient with the urban county, must notify the county and the HUD Field Office in writing that it elects to defer its metropolitan city status or to accept its status and join with the urban county in a joint agreement. Any metropolitan city that had deferred its status previously or had accepted its status and entered into a joint agreement with the urban county, and wishes to maintain the same relationship with the county for this next qualification period, must notify the county and the HUD Field Office in writing by this date. Any unit of general local government that meets metropolitan city status for the first time and is notified in early July by HUD thereof will have until August 25, 2017, to comply with the requirements of this paragraph. A potential metropolitan city that chooses to accept its entitlement status, but chooses not to enter into a joint agreement with the urban county, or a current metropolitan city that chooses not to maintain a joint agreement with the urban county, must also notify the urban county and the HUD Field Office by this date. Any extension of this deadline must be authorized in writing by the Field Office. An extension of more than seven days requires the Field Office to notify the Entitlement Communities Division by email or telephone.

- H. By July 7, 2017, any unit of general local government that is not currently participating in an urban county and chooses to participate for the remaining second or third year of the county's qualification period must notify the county and the HUD Field Office in writing that it elects to be included. The county may allow additional time provided any such extension does not interfere with the county's ability to meet the deadline in paragraph J, below.
- I. By July 7, 2017, HUD Field Offices must notify CPD's Systems Development and Evaluation Division via e-mail (Abubakari.D.Zuberi@hud.gov) whether cities that are already identified as potentially eligible metropolitan cities elect to defer or accept their status. For units of general local government that meet metropolitan city status for the first time and notified in early HUD thereof, they must elect to defer or accept their status (as discussed in paragraph G, above) by August 25, 2017. For units of general local government notified in early July of their status as potential new metropolitan cities, Field Offices have until September 8, 2017, to notify the Systems Development and Evaluation Division of their decisions.
- J. By July 16, 2017, any county seeking to qualify as an urban county (see Attachment B) or to include any previously nonparticipating units of general local government into its configuration (see Attachment E) must submit to the appropriate HUD Field Office all qualification documentation described in Section IV, Documents to be Submitted to HUD by County. Any extension of this deadline must be authorized in writing by the Field Office and should not interfere with the Field Office's ability to meet the deadline in paragraph M. The Entitlement Communities Division and Field Counsel must be notified by email or telephone if an extension of more than seven days is needed. For HOME program purposes, the urban county configurations are final as of September 30 of every year. The HOME deadline is statutory and cannot be extended.
- K. By August 18, 2017, Field Office Counsel should complete the reviews of all cooperation

agreements and related authorizations and certify that each cooperation agreement meets the requirements of Section V, Cooperation Agreements. Any delay in completion of the review must not interfere with the Field Office's ability to meet the deadline in paragraph M. The Entitlement Communities Division should be notified by email or telephone of any delay in the Field Counsel's review. **Note: If a county is using a renewable agreement and has submitted a legal opinion that the terms and conditions of the agreement continue to be authorized (see Section IV, paragraph E), review of such opinion by Field Office Counsel is optional. However, field counsel must review the agreement to ensure that any new requirements implemented by statute or regulation are incorporated into the agreement or added by an amendment to the agreement.**

- L. During mid to late June, Headquarters will post the urban county worksheets for each qualifying and requalifying urban county (listed on Attachment B) on the CPD Grants Management Process (GMP) system. **All information on included units of government must be completed via GMP.** Specific instructions for completing these electronic worksheets will be provided by the CPD Systems Development and Evaluation Division at the time they are posted on GMP.
- M. By August 25, 2017, Field Offices shall update and complete the form electronically for each qualifying or requalifying county. The revised worksheet must be sent to the appropriate county for verification of data (via FAX, email, or regular mail). The Systems Development and Evaluation Division will have access to the completed worksheets in GMP. Field Offices shall also concurrently make available to the Systems Development and Evaluation Division (and each affected urban county) a memorandum that identifies any urban county already qualified for FY 2017 that is adding any new units of government, together with the names of the newly included units of government (see Attachment E). **THIS DEADLINE MAY NOT BE EXTENDED WITHOUT PRIOR WRITTEN AUTHORIZATION FROM THE ENTITLEMENT COMMUNITIES DIVISION.**
- N. By September 15, 2017 (or soon thereafter), Headquarters will complete its review of the urban county status worksheets and memoranda for those urban counties adding new units of government. The Field Offices will have access to the updated worksheets and, where necessary, an indication of any apparent discrepancies, problems or questions – all noted in GMP. The Field Office is to verify the data (on the website at <http://hudatwork.hud.gov/po/d/field/participation/index.cfm>) and notify the Systems Development and Evaluation Division within seven days if any problems exist. If there are no problems, Field Offices will notify each county seeking to qualify as an urban county of its urban county status for FY 2018-2020 by September 22, 2017.

III. QUALIFICATION ACTIONS TO BE TAKEN BY COUNTY

The following actions are to be taken by the urban county:

A. Cooperation Agreements/Amendments

Urban counties that must enter into cooperation agreements or amendments, as appropriate, with the units of general local government located in whole or in part within the county, must submit to HUD executed cooperation agreements, together with evidence of authorization by the governing bodies of both parties (county and UGLG) executed by the proper officials in sufficient time to meet the deadline for submission indicated in the schedule (see Section V, Cooperation Agreements, paragraph A). Cooperation agreements must meet the standards in Section V of this Notice.

Where urban counties do not have the authority to carry out essential community development and housing activities without the consent of the unit(s) of general local government located therein, urban counties are required to have executed cooperation agreements with these units of government that elect to participate in the urban counties' CDBG programs.

B. Notification of Opportunity to be Excluded

Units of general local government in which counties have authority to carry out essential community development and housing activities without the consent of the local governing body are automatically included in the urban county unless they elect to be excluded at the time of qualification or requalification. Any county that has such units of general local government must notify each such unit that it may elect to be excluded from the urban county. The unit of government must be notified:

1. That if it chooses to remain with the urban county, it is ineligible to apply for grants under the State CDBG program while it is part of the urban county;
2. That if it chooses to remain with the urban county, it is also a participant in the HOME program if the urban county receives HOME funding and may only receive a formula allocation under the HOME Program as a part of the urban county, although this does not preclude the urban county or a unit of government within the urban county from applying to the State for HOME funds, if the State allows; and
3. That if it chooses to remain with the urban county, it is also a participant in the ESG program if the urban county receives ESG funding and may only receive a formula allocation under the ESG Program as a part of the urban county, although this does not preclude the urban county or a unit of government within the urban county from applying to the State for ESG funds, if the State allows;
4. That if it chooses to be excluded from the urban county, it must notify both the county and the HUD Field Office of its election to be excluded by the date specified in Section II, Qualification Schedule, paragraph E.
Such election to be excluded will be effective for the entire three-year period for

which the urban county qualifies, unless the excluded unit specifically elects to be included in a subsequent year for the remainder of the urban county's three-year qualification period.

C. Notification of Opportunity to Be Included

If a currently qualified urban county has one or more nonparticipating units of general local government (see Attachment E), the county may notify, in writing, any such unit of local government during the second or third year of the qualification period that the local government has the opportunity to be included for the remaining period of urban county qualification. This written notification must include the deadline for such election, and must state that the unit of general local government must notify the county and the HUD Field Office, in writing, of its official decision to be included. If cooperation agreements are necessary, the unit electing to be included in the county for the remainder of the qualification period must also execute, with the county, a cooperation agreement meeting the standards in Section V, Cooperation Agreements. The agreement must be received by the HUD Field Office by the date specified in Section II, Qualification Schedule, paragraph J.

D. Notification of Split Places

Counties seeking qualification as urban counties and having units of general local government with any population located only partly within the county must notify these units of their rights by the date provided in Section II, Qualification Schedule, paragraph B. Specifically, the county must provide the following notifications:

1. Where a split place is partly located within only one urban county, one of the following rules applies:
 - a. If it is a split place in which the county has essential powers, the entire area of the split place will be included in the urban county for the urban county qualification period unless the split place has opted out; or
 - b. If the split place can only be included in the county upon the execution of a cooperation agreement, the entire area of the split place will be included in the urban county for the urban county qualification period upon execution of such an agreement.
2. Where the split place is partially located within two or more urban counties, the split place may elect one of the following:
 - a. to be excluded from all urban counties;
 - b. to be entirely included in one urban county and excluded from all other such counties; or

- c. to participate as a part of more than one of the urban counties in which it is partially located provided that a single portion of the split place cannot be included in more than one entitled urban county at a time, and all parts of the split place are included in one of the urban counties.

E. Notification of Opportunity to Terminate Agreement

Urban counties that have agreements that will be automatically renewed at the end of the current qualification period unless action is taken by the unit of government to terminate the agreement must, by the date provided in Section II, Qualification Schedule, paragraph D, notify such units that they can terminate the agreement and not participate during the 2018-2020 qualification period.

IV. DOCUMENTS TO BE SUBMITTED TO HUD

Any county seeking to qualify as an urban county for FY 2018-2020 or that wishes to exercise its option to include units of government that are not currently in the urban county's CDBG program must submit the following to the responsible HUD Field Office:

- A. A copy of the letter that notified applicable units of general local government (and a list of applicable units of government) of their right to decide to be excluded from the urban county along with a copy of letters submitted to the county from any such units of general local government requesting exclusion (see Section III, Qualification Actions to Be Taken by County, paragraph B). This does not apply to an already qualified urban county adding communities.
- B. A copy of the letter from any unit of general local government joining an already qualified county that officially notifies the county of its election to be included (see Section III, paragraph C).
- C. Where applicable, a copy of the letter from:
 - 1. Any city that may newly qualify as a metropolitan city but that seeks to defer that status, or
 - 2. Any city currently deferring metropolitan city status that seeks to continue to defer such status.
 - 3. Any city accepting metropolitan city status stating that it will enter into a joint agreement with the urban county and a letter from the county affirming its willingness to enter into a joint agreement with that city.
 - 4. Any city accepting metropolitan city status that will cease participation in the urban county's CDBG program. (See Section II, Qualification Schedule,

paragraph G.)

- D. For a county that has cooperation agreements in effect that provide for automatic renewal, a copy of the letter sent by the county that notified affected units of government that the agreement will be renewed unless the county is notified by the unit of government to terminate the agreement, and a copy of any such letter from any unit(s) of government requesting termination (see Section III, paragraph E).
- E. Where applicable, copies of fully executed cooperation agreements, amended agreements, or **stand-alone amendments** between the county and its included units of general local government, including any cooperation agreements from applicable units of general local government covered under Section III, Qualification Actions to be Taken by County, paragraph C, and the opinions of county counsel and governing body authorizations required in Section V, Cooperation Agreements, paragraphs B and C.

For a county that has cooperation agreements in effect that provide for automatic renewal of the urban county qualification period as provided under Section V, Cooperation Agreements, paragraph E, at the time of such automatic renewal, the documents to be submitted are: (1) a legal opinion from the county's counsel that the terms and provisions continue to be authorized under state and local law and that the agreement continues to provide full legal authority for the county; (2) copies of any executed amendments to automatically renewed cooperation agreements (if any); and, (3) if locally required, governing body authorizations.

- F. Any joint request(s) for inclusion of a metropolitan city as a part of the urban county as permitted by Section VIII, paragraph A, Metropolitan City/Urban County Joint Recipients, along with a copy of the required cooperation agreement(s). If either the urban county or the metropolitan city fall under the "exception criteria" at 24 CFR 570.208(a)(1)(ii) for activities that benefit low- and moderate-income residents of an area, the urban county must notify, in writing, the metropolitan city of the potential effects of such joint agreements on such activities. See Section VIII, paragraph A, for further clarification.

All jurisdictions seeking to qualify as an urban county for the first time must ensure that all documents outlined in this Section that are submitted to the HUD Field Office are also submitted to the Entitlement Communities Division in HUD Headquarters for review. The original documents should be submitted to the HUD Field Office and the copies to HUD Headquarters.

V. COOPERATION AGREEMENTS

All cooperation agreements must meet the following standards in order to be found acceptable:

- A. The governing body of the county and the governing body of the cooperating unit of

general local government shall authorize the agreement and the chief executive officer of each unit of general local government shall execute the agreement.

- B. The agreement must contain, or be accompanied by, a legal opinion from the county's counsel that the terms and provisions of the agreement are fully authorized under State and local law and that the agreement provides full legal authority for the county. Where the county does not have such authority, the legal opinion must state that the participating unit of general local government has the authority to undertake, or assist in undertaking, essential community renewal and lower income housing assistance activities. A mere certification by the county's counsel that the agreement is approved as to form is insufficient and unacceptable.
- C. The agreement must state that the agreement covers the CDBG Entitlement program and, where applicable, the HOME Investment Partnership (HOME) and Emergency Solutions Grants (ESG) Programs (i.e., where the urban county receives funding under the ESG program, or receives funding under the HOME program as an urban county or as a member of a HOME consortium).
- D. The agreement must state that, by executing the CDBG cooperation agreement, the included unit of general local government understands that it:
 - 1. May not apply for grants from appropriations under the State CDBG Program for fiscal years during the period in which it participates in the urban county's CDBG program; and
 - 2. May receive a formula allocation under the HOME Program only through the urban county. Thus, even if the urban county does not receive a HOME formula allocation, the participating unit of local government cannot form a HOME consortium with other local governments. (Note: This does not preclude the urban county or a unit of government participating with the urban county from applying to the State for HOME funds, if the state allows. An existing renewable agreement need not be amended to add this Note. It is included here only for purposes of clarification.); and
 - 3. May receive a formula allocation under the ESG Program only through the urban county. (Note: This does not preclude the urban county or a unit of government participating with the urban county from applying to the State for ESG funds, if the state allows. An existing renewable agreement need not be amended to add this Note. It is included here only for purposes of clarification.)
- E. The agreement must specify the three years covered by the urban county qualification period (e.g., Federal FYs 2018-2020), for which the urban county is to qualify to receive CDBG entitlement funding or, where applicable, specify the remaining one or two years of an existing urban county's qualification period. At the option of the county, the agreement may provide that it will automatically be renewed for participation in successive three-year qualification periods, unless the

county or the participating unit of general local government provides written notice it elects not to participate in a new qualification period. A copy of that notice must be sent to the HUD Field Office.

Where such agreements are used, the agreement must state that, by the date specified in HUD's urban county qualification notice for the next qualification period, the urban county will notify the participating unit of general local government in writing of its right not to participate. A copy of the county's notification to the jurisdiction must be sent to the HUD Field Office by the date specified in the urban county qualification schedule in Section II.

- F. Cooperation agreements with automatic renewal provisions must include a stipulation that requires each party to adopt any amendment to the agreement incorporating changes necessary to meet the requirements for cooperation agreements set forth in an Urban County Qualification Notice applicable for a subsequent three-year urban county qualification period, and to submit such amendment to HUD as provided in the urban county qualification notice (see Section IV, Documents to be Submitted to HUD, paragraph E), and that such failure to comply will void the automatic renewal for such qualification period.
- G. The agreement must provide that it remains in effect until the CDBG (and, where applicable, HOME and ESG) funds and program income received (with respect to activities carried out during the three-year qualification period, and any successive qualification periods under agreements that provide for automatic renewals) are expended and the funded activities completed, and that the county and participating unit of general local government cannot terminate or withdraw from the cooperation agreement while it remains in effect.
- H. The agreement must expressly state that the county and the cooperating unit of general local government agree to "cooperate to undertake, or assist in undertaking, community renewal and lower-income housing assistance activities." If the county does not have such powers, the agreement must expressly state that the cooperating unit of general local government agrees to "undertake, or assist in undertaking, community renewal and lower-income housing assistance activities." As an alternative to this wording, the cooperation agreement may reference State legislation authorizing such activities, but only with the approval of the specific alternative wording by HUD Field Counsel.

The agreement must contain an explicit provision obligating the county and the cooperating units of general local government to take all actions necessary to assure compliance with the urban county's certification under section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, regarding Title VI of the Civil Rights Act of 1964, the Fair Housing Act, and affirmatively furthering fair housing. See 24 CFR 91.225(a). The provision must also include the obligation to comply with section 109 of Title I of the Housing and Community Development Act of 1974, which incorporates Section 504 of the Rehabilitation Act of 1973 and

the Age Discrimination Act of 1975. The provision must also include the obligation to comply with other applicable laws. The agreement shall also contain a provision prohibiting urban county funding for activities in, or in support of, any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction or that impedes the county's actions to comply with the county's fair housing certification. This provision is required because noncompliance by a unit of general local government included in an urban county may constitute noncompliance by the grantee (i.e., the urban county) that can, in turn, provide cause for funding sanctions or other remedial actions by the Department.

Periodically, statutory or regulatory changes may require urban counties to amend their agreements to add the new provision(s). Urban counties may draft a separate amendment to their existing agreements that includes the new provision(s) rather than drafting a new cooperation agreement that contains the new provisions. However, the separate amendment must be executed by an official representative of each of the participating units of general local government and the urban county.

- I. The agreement must expressly state "that the cooperating unit of general local government has adopted and is enforcing:
 1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
 2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within jurisdictions."
- J. The agreement may not contain a provision for veto or other restriction that would allow any party to the agreement to obstruct the implementation of the approved Consolidated Plan during the period covered by the agreement. The county has final responsibility for selecting CDBG (and, where applicable, HOME and ESG) activities and submitting the Consolidated Plan to HUD, although if the county is a member of a HOME consortium, the consortium submits the Plan developed by the county (see Section I, General Requirements, paragraph C).
- K. The agreement must contain language specifying that, pursuant to 24 CFR 570.501(b), the unit of local government is subject to the same requirements applicable to subrecipients, including the requirement of a written agreement as described in 24 CFR 570.503 (see Section VIII, Special Considerations, paragraph B).
- L. A county may also include in the cooperation agreement any provisions authorized by State and local laws that legally obligate the cooperating units to undertake the necessary actions, as determined by the county, to carry out a community development program and the approved Consolidated Plan and/or meet other

requirements of the CDBG (and, where applicable, HOME and ESG) program and other applicable laws.

- M. The county must also include a provision in the cooperation agreement that a unit of general local government may not sell, trade, or otherwise transfer all or any portion of such funds to another such metropolitan city, urban county, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under title I of the Act. Urban counties requalifying in 2017 for FYs 2018-2020 must incorporate this language into cooperation agreements by revision or amendment.

VI. PERIOD OF QUALIFICATION

A. General

Any county that qualifies as an urban county will be entitled to receive funds as an urban county for three consecutive fiscal years regardless of changes in its population or boundary or population changes in any communities contained within the urban county during that period, provided funds are appropriated by Congress. However, during the period of qualification, no included unit of general local government may withdraw from the urban county unless the urban county does not receive a grant for any year during such period.

The urban county's grant amount is calculated annually and will reflect the addition of any new units of general local government during the second and third years of the period of qualification.

Any unincorporated portion of the county that incorporates during the urban county qualification period will remain part of the urban county through the end of the three-year period.

Any unit of general local government that is part of an urban county will continue to be included in the urban county for that county's qualification period, even if it meets the criteria to be considered a "metropolitan city" during that period. Such an included unit of general local government cannot become eligible for a separate entitlement grant as a metropolitan city while participating as a part of an urban county (see Section VIII, paragraph E).

B. Retaining Urban County Classification

Any county classified as an urban county in FY 1999 may, at the option of the county, remain classified as an urban county.

Any county that became classified as an urban county in FY 2000 or later and was so classified for at least two years will retain its classification as an urban county, unless

the urban county qualified under section 102(a)(6)(A) of Title I of the Housing and Community Development Act of 1974, as amended, and fails to requalify under that section due to the election of a currently participating non-entitlement community to opt out or not to renew a cooperation agreement (for reasons other than becoming an eligible metropolitan city).

VII. URBAN COUNTY PROGRAM RESPONSIBILITIES

The county, as the CDBG grant recipient, either for the urban county or a joint recipient (see Section VIII, paragraph A, Metropolitan City/Urban County Joint Recipients) has full responsibility for the execution of the community development program, for following its Consolidated Plan, and for meeting the requirements of other applicable laws (e.g., National Environmental Policy Act, Uniform Relocation Act, Fair Housing Act, Title VI of the Civil Rights Act of 1964, Sec. 504 of the Rehabilitation Act of 1973, Sec. 109 of Title I of the Housing and Community Development Act of 1974, the Americans with Disabilities Act of 1990). The county's responsibility must include these functions even where, as a matter of administrative convenience or State law, the county permits the participating units of general local government to carry out essential community development and housing assistance activities. The county will be held accountable for the accomplishment of the community development program, for following its Consolidated Plan, and for ensuring that actions necessary for such accomplishment are taken by cooperating units of general local government.

VIII. SPECIAL CONSIDERATIONS

A. Metropolitan City/Urban County Joint Recipients

Any urban county and any metropolitan city located in whole or in part within that county can ask HUD to approve the inclusion of the metropolitan city as a part of the urban county for purposes of planning and implementing a joint community development and housing assistance program. HUD will consider approving a joint request only if it is signed by the chief executive officers of both entities and is submitted at the time the county is seeking its qualification as an urban county. A joint request will be deemed approved unless HUD notifies the city and the county otherwise within 30 days following submission of the joint request and an executed cooperation agreement meeting the requirements specified under Section V, Cooperation Agreements. An urban county may be joined by more than one metropolitan city, but a metropolitan city located in more than one urban county may be a joint recipient with only one urban county at a time.

Upon urban county qualification and HUD approval of the joint request and cooperation agreement, the metropolitan city becomes a part of the urban county for purposes of program planning and implementation for the entire period of the urban county qualification and will be treated by HUD as any other unit of general local government that is a part of the urban county. When a metropolitan city joins an

urban county in this manner, the grant amount is the sum of the amounts authorized for the individual metropolitan city and urban county. The urban county becomes the grant recipient.

A metropolitan city in a joint agreement with the urban county is treated the same as any other unit of general local government that is part of the urban county for purposes of the CDBG program, but not for the HOME or ESG programs. If the metropolitan city does not qualify to receive a separate allocation of HOME funds, to be considered for HOME funding as part of the urban county, it must form a HOME consortium with the urban county. If the metropolitan city qualifies to receive a separate allocation of HOME funds, it has three options: (1) it may form a HOME consortium with the county, in which case it will be included as part of the county when the HOME funds for the county are calculated; (2) it may elect to continue to receive its separate HOME allocation but subgrant it to the county to administer; or (3) the metropolitan city may administer its HOME program on its own. NOTE: The execution of a CDBG joint agreement between an urban county and metropolitan city does not in itself satisfy HOME requirements for a written consortia agreement. For additional information on the requirements for consortia agreements, see 24 CFR 92.101 and the Notice of Procedures for Designation of Consortia as a Participating Jurisdiction for the HOME Program (CPD-13-002).

The ESG program does provide for joint agreements among certain grantees; however, there are separate requirements that apply to those joint agreements. A metropolitan city and an urban county that each receive an allocation under ESG and are located within a geographic area that is covered by a single Continuum of Care (CoC) may jointly request the Secretary of Housing and Urban Development to permit the urban county or the metropolitan city, as agreed to by such county and city, to receive and administer their combined allocations under a single grant. For more information about joint agreements for the ESG program, contact Marlisa Grogan at 603-666-7510, Ext. 3049 or Marlisa.M.Grogan@hud.gov.

Counties and metropolitan cities considering a joint request should be aware that significant effects could occur where either the urban county or the metropolitan city would otherwise fall under the "exception rule" criteria for activities that benefit low-and moderate-income residents on an area basis (see 24 CFR 570.208(a)(1)(ii)). Joint agreements result in a modification to an urban county's configuration, and a change in the mix of census block groups in an urban county is likely to change the relative ranking of specific block groups by quartile, thus affecting the minimum concentration of low- and moderate-income persons under the "exception rule." HUD will make a rank-ordering computer run available to counties and metropolitan cities considering joint participation to assist them in determining the possible effects of inclusion and how such an agreement may impact their respective programs.

B. Subrecipient Agreements

The execution of cooperation agreements meeting the requirements of Section V, Cooperation Agreements, between an urban county and its participating units of local government does not in itself satisfy the requirement for a written subrecipient agreement required by the regulations at 24 CFR 570.503. Where a participating unit of general local government carries out an eligible activity funded by the urban county, the urban county is responsible, prior to disbursing any CDBG funds for any such activity or project, for executing a written subrecipient agreement with the unit of government containing the minimum requirements found at 24 CFR 570.503. The subrecipient agreement must remain in effect during any period that the unit of local government has control over CDBG funds, including program income.

C. Ineligibility for State CDBG Program

An urban county's included units of general local government are ineligible to apply for grants from appropriations under the State CDBG Program for fiscal years during the period in which they are participating in the Entitlement CDBG program with the urban county.

D. Eligibility for a HOME Consortium

When included units of local government become part of an urban county for the CDBG Program, they are part of the urban county for the HOME Program and may receive a formula allocation under the HOME Program only as part of the urban county. Thus, even if the urban county does not receive a HOME formula allocation, the participating unit of local government cannot form a HOME consortium with other local governments. However, this does not preclude the urban county or a unit of government within an urban county from applying to the State for HOME funds, if the State allows.

E. Counties with Potential Metropolitan Cities

If a county includes one or more communities that believe their population meets the statutory threshold to enable them to receive CDBG entitlement funds as a metropolitan city directly, but the city and county have not yet received notification from HUD regarding metropolitan city eligibility, HUD has identified two options a county may use to address such situations:

1. The county and community can negotiate a schedule that will provide the community additional time to receive notification from HUD of its eligibility as a potential new metropolitan city and, if the community does not reach metropolitan city status (or becomes eligible and elects to defer its status), execute a cooperation agreement and still meet the deadlines identified in this Notice; or
2. If a county believes delaying the execution of a cooperation agreement until HUD provides such notification will prohibit it from meeting the submission deadlines in

this Notice, the county may want to include a clause in the agreement that provides that the agreement will be voided if the community is advised by HUD, prior to the completion of the requalification process for FY 2018-2020, that it is eligible to become a metropolitan city and the community elects to take its entitlement status. If such a clause is used, it must state that if the agreement is not voided on the basis of the community's eligibility as a metropolitan city prior to July 28, 2017 (or a later date if approved in writing by HUD), the community must remain a part of the county for the entire three-year period of the county's qualification.

Option 1 is preferred. Option 2 is available if a county wishes to use it, although there is concern that a community may believe that the use of a clause that may void the agreement will enable it to "opt out" later in the three-year period of qualification if it reaches the population during that time to be a metropolitan city. Therefore, any such clause must be clear that it applies only for a limited period of time.

There are jurisdictions that may potentially qualify as urban counties for the first time because they contain one or more metropolitan cities that may consider relinquishing their status as entitlement grantees. If a county has a metropolitan city or cities that are willing to relinquish its/their status as entitlement grantee(s) and the county wants to begin the process of qualifying as an urban county, the Entitlement Communities Division in HUD Headquarters should be notified as soon as possible, but no later than two weeks after the county notifies the Field Office of its intent to qualify as an urban county. A list of these counties is provided as Attachment F.

IX. DETERMINATIONS OF ESSENTIAL POWERS

- A. For new urban counties, HUD Field Office Counsel must initially determine whether each county within its jurisdiction that is eligible to qualify as an urban county has powers to carry out essential community renewal and lower-income housing assistance activities. For requalifying urban counties, the Field Office Counsel may rely on its previous determination(s) unless there is evidence to the contrary. In assessing such evidence, Field Office counsel may consider information provided by the county and its included units of general local government as well as other relevant information obtained from independent sources.

For these purposes, the term "essential community development and housing assistance activities" means community renewal and lower-income housing assistance activities. Activities that may be accepted as essential community development and housing assistance activities might include, but are not limited to (1) acquisition of property for disposition for private reuse, especially for low- and moderate-income housing; (2) direct rehabilitation of or financial assistance to housing; (3) low rent housing activities; (4) disposition of land to private

developers for appropriate redevelopment; and (5) condemnation of property for low-income housing.

In making the required determinations, Field Office Counsel must consider both the county's authority and, where applicable, the authority of its designated agency or agencies. Field Office Counsel shall make such determinations as identified below and concur in notifications to the county(ies) about these issues.

- B. For new and requalifying counties, the notification by the Field Office required under Section II, paragraph A, must include the following determinations:
1. Whether the county is authorized to undertake essential community development and housing assistance activities in its unincorporated areas, if any, which are not units of general local government.
 2. In which of the county's units of general local government the county is authorized to undertake essential community development and housing assistance activities without the consent of the governing body of the locality. The population of these units of local government will be counted towards qualification of the urban county unless they specifically elect to be excluded from the county for purposes of the CDBG program and so notify both the county and HUD in writing by June 12, 2017 (see Section II, paragraph E); and,
 3. In which of the county's units of general local government the county is either (a) not authorized to undertake essential community development and housing assistance activities or (b) may do so only with the consent of the governing body of the locality. The population of these units of local government will only be counted if they have signed cooperation agreements with the county that meet the standards set forth in Section V of this Notice.
