Subject: WSVN 7News - public records request

Good afternoon Village Clerk Arocha,

Just following up on our conversation – I would like to make a public records request for documents including the complaint and disposition for any and all cases where the Village of Palmetto Bay made a monetary payment (directly or indirectly through an insurance company) to resolve a “sexual harassment” complaint from January 1st, 2013 until today. This includes payments for complaints resulting in EEOC charges, lawsuit settlements, jury awards, or by any other means – and covers all elected and unelected officials, employees and departments under the village’s purview.

Since we are working on deadline, I am requesting this information no later than Tuesday, February 13th.

If there is a cost associated with this request, please provide an estimate before proceeding.

Thank you,

Danny
