Subject: 18-037-D5 LAR Construction, Inc.: request for certified copy of building permit

Dear records custodian for the City of Palmetto Bay,

I work for the Florida Department of Financial Services, Division of Workers' Compensation. The agency is currently conducting an investigation into a contractor who may have been operating in your area. As

part of our investigation, we would like to request certified copies of all building permits obtained by LAR Construction Inc. between June 1, 2017 and February 1, 2018. Please let me know if there will be any problems with this request or if additional information is needed, or if there is someone else I should contact with this request. I greatly appreciate any assistance you can furnish in this matter.

Also, please let me know if there is a charge for this service. I will just need an invoice to process the payment. Thank you!

Sincerely,

Leon Melnicoff
