Good afternoon,

Attached please find documentation in response to Public Records request number 2018-059. Please be advised our MDT (CITT) agreement is funded through the use of Miami Dade County transit system surtax proceeds, and not grant funding. Therefore, no documentation for grant funding has been provided.

Please feel free to contact our office should you require anything further for compliance of this request.

Thank you,

The CITT grant and contract (if there is one) for the I-bus. I'm interested in the conditions of use of the I-bus by the village. Marsha Matson
