Subject: Public Record Request - 2018-191

Dear Ms. Matson:

This email is to acknowledge that the Village Clerk's office is in receipt of your request for: **copy of the audio from the Sunshine Meeting between Mayor Flinn and Councilman Singer on Friday, June 22, 2018. Please email response.**

Your request has been logged as **Public Records Request 2018-191** and will be submitted to Village Administration. As soon as the information is received, the Village Clerk's office will contact you.

Florida law states that an agency must respond within a "limited reasonable time." This is the time it takes to review the request, search, retrieve and process records for release. Some requests may only take a few minutes while others may take weeks. The length of time it takes largely depends on activity, volume and scope, but the City is committed to providing requested records as quickly and efficiently as possible. Florida Statute 119.01, referred to as the Florida Sunshine Law, governs the public's right to inspect and obtain copies of public records. The Office of the Attorney General's Government-In-The-Sunshine Manual contains additional helpful information, including summaries of what exemptions apply to public records requests. Anyone can request a public record in person, verbally over the telephone, in an email, or in writing. You do not have to give your name or explain why you are making a request. The Village of Palmetto Bay will provide all documents in the format in which we have them. We are not required to create documents in response to Public Records requests. There may be a fee associated with your request. If so, you will be notified in advance. To view a copy of the Village's existing Public Record Request Policy, please click [HERE](#).
