Public Record Request(s):	<p>Councilmember David Singer has posted via social media that he personally financed a scientific polling of Palmetto Bay citizen/residents in regards to their opinions on the Community Center project currently before council. Since the expenditure of public funds is being used for the Community Center, any poll taken to gauge residents'citizen views to that project should be made public. Mr. Singer's Facebook posts about the poll stated that it was approximately 50 pages, and that he would not disclose the entire poll, and chose to show two photos of the poll results on Facebook. He stated that he funded the poll personally in order to "know what was important to residents so I could govern more effectively." The poll and the subsequent results are not referenced by, nor available to view/download, on the Village website. I am hereby filing a public records request for the entire poll conducted by "a scientific poll by a very well respected firm." - David Singer, Facebook, April 16-17, 2018. Screenshots of the applicable</p>

Facebook posts/conversations are available to email to you should you require that to establish that the poll was conducted as per Mr. Singer's statements mentioned above.
