Subject: Public Records Request

To the Village Clerk,

Since my written question submitted for J Speck to answer but 'wasn't asked' at the presentation, and instead was filtered/censored VIA the PIO's self-induced "QUESTION SELECTION PROCESS"... so in regards to "transparency"...

- 1) I want to request the information of the ***"total of costs to the VILLAGE for the J Speck research, visits, information exchanges, expenses, and presentation."***
- 2) In an areial map briefly shown during the "public presentation", there were ***"BLUE areas on a map indicating projects in the DUV"***. I would like to ***"see what those projects represent that was 'provided by Staff to Mr Speck' for part of his presentation material"***.

Thanks,
Steve Kreisher
