Subject: Public Records Request (Rimert - Palmetto Bay)

Good morning.

Back in 2017, we received records from your office in response to a Public Records Request. I would like to make another request for updated records from December 2017 to the present. I'm not sure which department this request should go to, but it is with respect to 8875 S.W. 172nd Terrace.

We would like information regarding whether the City has a lien against this home for anything it incurred; a copy of any and all outstanding bills for cleanup, etc. We would also like to know if the fence around the property was placed there by the City, and if not, if the City knows who erected it.

We are the insurance company trying to get a claim settled, and we would need this information/records as soon as possible. We were hoping that if pre-payment is required, we could receive the records first and then request a check for payment immediately and forward it to you.

Please let me know if you have any questions. Feel free to email me or call at the number below.

Thank you.
