Hi Ed. The email below says that the survey was "commissioned by Palmetto Bay and surrounding communities". Can you please provide me with the following information:

- 1) Which cities commissioned the survey? Who specifically authorized the survey?
- 2) Who paid for the survey?
- 3) Who did the actual survey?
- 4) Please e-mail me a copy of the full set of questions, the script used, the purchase order for the service, the invoice for the service, a copy of the checks for services rendered, the list of people contacted, the responses for each, all cross tabs and any other data associated with the survey.
- 5) What was the survey sample for each City?
- 6) What methodology was used to ask the questions? - phone? email? web ads? website? Door to door? If by phone, were the questions asked by people or by machine?

Thanks
