Subject: Permit Package - 14845 SW 88TH AVE

Hello Melissa,

We just talked on the phone concerning a Permit Package.

We are in process of buying a house on 14845 SW 88TH Ave. We did the inspection last week, mostly everything looked fine. The whole house passed through a major renovation and according to the owner the whole plumbing of the house was redone as well. The thing is that he doesn't have the receipt of the work done and the permit numbers we have only show a small alteration on the pipes. He said he has the blue prints signed by the city but it is of course too big to send it by email.

We hope there is another way to have proof of all the work done on the pipes like a city permit.

Here are the permit numbers we have:

Master Permit: BLD-2016-8447
Plumbing Permit: PLB-2016-2104

Talking to the Permit and Building Depto, they said that maybe the Permit Package could have more info on the main plumbing work.

That's the only information we need at this moment.

If you need any further details from our side, please let us know.

Thanks in advance.

Best Regards,
Monique B. Klemz
