Subject: Estimate of Work- Mobility Study- Info Request

Good afternoon,

I see that the City of Palmetto Bay was awarded funding to conduct a mobility study. We were also awarded and we are trying to put together an estimate of work effort & cost to use in contract negotiations (Key project staff, their rates and an estimate of hours for the project- example attached.) Would you be able to share what the City of Palmetto Bay submitted? Your assistance is greatly appreciated.

Sincerely,

Tammy L. Key
