Public Record Request(s): Hello, I am requesting an electronic document (highly preferrable an excel) with all properties with property code violations after 1/1/2015. I understand it's a board request - but it's often easier for the city to just send me everything and letting me process it (verses the city doing a bunch of data modifications). Let me know if you need the request narrowed! Thank you - can you advise as to the estimated time for completion? Earl White ewhite.jd@gmail.com 954-519-5090

Thank You
