Subject: Public Records Request

Good Afternoon,

I'm writing to see if I could get a list of all code enforcement cases for the Town. Ideally, I am looking for Owner name, property address, mailing address, violation type, and Fine/lien amount. If this is available electronically that would be great, but we will take the information in whatever format you have it available. Please let me know if there is any process I need to go through to submit it officially or any payment which is required to fulfill the request.

Thank you and I appreciate your help
