Councilman Schaffer thanked staff for the outstanding events that are coordinated; however, he expressed his concern that firework displays draw large crowds and he asked how it will be publicized and how staff intends to handle the potential crowds.

Manager Williams noted that staff continues to work with Commander Truitt's office to coordinate this event and the logistics of same. Director Carmona-Gonzalez stated that the event will be advertised in the same manner as other Village events.

Vice Mayor DuBois asked if staff will be seeking contributions from the local businesses for this event. He also asked how the fireworks display would compare to the Black Point event.

Director Silva stated that staff will be seeking sponsors and is hopeful that the neighboring municipalities will join in, as well. He stated that the typical firework show costs \$1,000 to \$1,500 per minute.

Councilman Fiore stated that this event will draw a great deal of traffic into the Village. He noted that he is in favor of the show; however, he is not supportive of a \$60,000 cost for this event.

Councilwoman Lindsay thanked Director Carmona-Gonzalez and Ms. Mary Fernandez for their assistance in Earth Week. She also thanked the members of the Police Department that attended and participated. She asked members of the audience to raise their hands in support of the event. (Most raised their hands.)

Vice Mayor DuBois asked from which account the funds would be drawn. Mr. Silva advised that half of the funds would be taken from the General account and half from the Downtown Redevelopment account.

Mayor Stanczyk remarked that she believed the participation of the neighboring cities would allow this event to become a community event. She suggested having a concert during this event.

Councilman Fiore suggested that \$20,000 would be a more acceptable amount.

Vice Mayor DuBois asked if this resolution would create this event on a permanent basis, or only for this one time. Manager Williams replied that staff hopes to establish an annual event.

Councilwoman Lindsay moved to approve. Seconded by Councilman Schaffer. The Resolution passed (3 to 2, Vice Mayor DuBois and Councilman Fiore opposed.)

- B. A RESOLUTION OF THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALMETTO BAY, FLORIDA, RELATING TO ATTORNEYS' FEES; APPROVING ATTORNEYS' FEES AND COSTS FOR LEHTINEN, SCHULTZ, REIDI, CATALANO & DE LA FUENTE IN THE AMOUNT OF \$988.00; PROVIDING AN EFFECTIVE DATE.

SCIENCES, INC., AS THE MOST RESPONSIVE BIDDER TO PROVIDE VILLAGE-WIDE TREE INVENTORY SERVICES IN ACCORDANCE WITH THE URBAN AND COMMUNITY FORESTRY GRANT MEMORANDUM OF AGREEMENT; AND FURTHER AUTHORIZING THE VILLAGE MANAGER TO ISSUE A PURCHASE ORDER AND APPROVE EXPENDITURE OF FUNDS IN AN AMOUNT NOT TO EXCEED \$38,556.00; AND PROVIDING FOR AN EFFECTIVE DATE.

Councilman Schaffer moved this item forward. Seconded by Vice Mayor DuBois.

Councilman Schaffer stated that he understands there was a matching grant, as the Village had received \$15,000, and the Village has to match \$15,000. He noted that the purpose was to inventory of the Village's trees; however, the cost is \$39,000. He stated the Village will be providing approximately \$23,000. He asked for an explanation of the purpose.

Director Corrice Patterson noted that the tree inventory will provide a full picture of the Village's canopy, including the location, the health of the tree, and if trees are needed in certain areas.

Councilman Schaffer stated that he had recalled that the Council had discussed not extending this contract automatically, rather the discussion centered on

bidding the process in the Summer, perhaps leaving the selection up to the next Council following the November election. He noted that he is in favor of bidding this service before the Village begins the next audit period. Vice Mayor DuBois concurred.

Director Chin explained that the next year's audit (2014) begins in the August/September time frame.

12. ORDINANCES FOR FIRST READING

- A. AN ORDINANCE OF THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALMETTO BAY, FLORIDA, AMENDING SECTION 30-30.3(d), "ADMINISTRATIVE (DE MINIMUS) VARIANCES", TO AMEND THE ADMINISTRATIVE VARIANCE REVIEW CRITERIA AND PROCEDURES RELATING TO SHEDS AND SIMILAR ACCESSORY STRUCTURE; PROVIDING FOR THE REPEAL OF ALL CODE PROVISIONS AND ORDINANCES INCONSISTENT WITH THIS ORDINANCE; PROVIDING FOR SEVERABILITY; PROVIDING FOR CODIFICATION; AND PROVIDING FOR AN EFFECTIVE DATE. [Co-sponsored by Mayor Shelley Stanczyk and Council Person Patrick Fiore]

Councilman Fiore moved this item forward. Seconded by Councilman Schaffer.

Director of Planning and Zoning Darby Delsalle stated that this matter was presented and discussed at the March Committee of the Whole Meeting. He provided staff report.

Councilwoman Lindsay asked with regard to Section 30-33.6 that pre-existing sheds should have a date period. She remarked that the problem is that without a date, the Village is, in effect, changing the setbacks for all sheds. She stated that a date certain should be included. Councilwoman Lindsay suggested that GIS surveys may be able to help.

Director Delsalle stated that staff has the capacity within GIS to look at various aerials; however, the imagery doesn't necessary provide an accurate date. He

stated that staff is seeking direction with regard to this persistent matter. He explained that the problem is not resolved with a shed amnesty and staff is seeking a long term solution.

Mayor Stanczyk agreed that a date certain is necessary.

Attorney Lehtinen stated that wording such as, "as of _____" can be inserted and modified for second reading.

Council briefly discussed the issue of dating the structures.

Director Delsalle stated that the Council may wish to consider the GIS as pertinent information.

Councilman Fiore stated that the Council should approve and consider a date on second reading.

Councilwoman Lindsay suggested a "place holder" be provided for second reading.

Following brief discussion, Attorney Lehtinen suggested striking the words, "pre-existing" and including, "which existed prior to January 1, 2014."

Councilman Fiore moved to modify the Ordinance, as stated. Seconded by Councilwoman Lindsay.

Vice Mayor DuBois suggested today's date.

Councilman Fiore moved to amend to include May 5th, 2014, as the date. Seconded by Councilwoman Lindsay. All voted in favor.

Attorney Lehtinen noted that the language concerning affidavits should read, "in support of". Councilman Fiore moved to modify the ordinance, as stated. Seconded by Councilman Schaffer. All voted in favor.

Vice Mayor DuBois moved to pass the Ordinance on first reading. Seconded by Councilman Fiore. All voted in favor. The Ordinance passed unanimously on first reading (5-0.)

- B. AN ORDINANCE OF THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALMETTO BAY, FLORIDA, RELATING TO ZONING; MODIFYING DIVISION 30-110 RELATING TO RELIGIOUS FACILITIES, PRIVATE SCHOOLS, CHILD CARE FACILITIES, AND OTHER NON-GOVERNMENTAL PUBLIC ASSEMBLY USES; PROVIDING FOR ORDINANCES IN CONFLICT, CODIFICATION, SEVERABILITY AND AN EFFECTIVE DATE. (Sponsored by Councilman Tim Schaffer.) – **PUBLIC HEARING REQUIRED.**

Councilman Schaffer moved this matter forward. Seconded by Vice Mayor DuBois.

Councilman Schaffer provided explanation for sponsoring this matter. He remarked that the Village should treat a non-governmental entity in the same manner by which it treats itself. He asserted that to do other would be unfair and possibly draw future litigation. He noted that he supports neighborhood protection, but he also believes that an application should have the right to submit an application for lights; and, the Council will consider the application during a quasi-judicial hearing. Councilman Schaffer reviewed the modifications he was proposing.

Vice Mayor DuBois stated that he cannot support the matter as it is currently drafted. He offered the following amendments that should be considered before an applicant can seek lighting: 1. Limit to only schools that have State-approved high school athletic programs; 2. Require setbacks of at least 50 feet; 3. Lighting would be turned off at 9 pm in the evenings, with an exception that two nights a year, the lights could be on until 9:45 pm, not to exceed two days per week; and 4. Lighting structure are no higher or brighter than what is acceptable under lighting engineering, with over-spill limited as much as possible. He suggested these amendments should be considered for public parks, as well.

Councilwoman Lindsay stated that she had received over 300 emails from residents opposed to the lighting. She noted that she had assisted in the drafting of this law and believes it was done to be fair to all. She noted that 30-110 was not written for one institution. Councilwoman Lindsay stated that 67% of the voters wanted neighborhood protection and 90-foot light poles are too high.

Councilman Fiore asked Director Delsalle if he had an opportunity to review the ordinance modifications. Director Delsalle stated that he had reviewed the matter on Tuesday and is not comfortable providing his opinion at this time. Councilman Fiore stated that the matter should be tabled and the Council convene an attorney-client session to discuss the Palmer Trinity matter.

Attorney Lehtinen provided a brief explanation of the outstanding litigation with Palmer Trinity. He explained that the litigation does not refer to lighting and a judge could not award lighting. He noted that; however, Palmer did provide information that it would not withdraw damages lawsuit if the Village would not allow lighting. Attorney Lehtinen noted that this ordinance is a legislative matter to be decided on the merits for the best of the Village, not a legal component of a settlement for Palmer Trinity.

Councilman Fiore asked if the ordinance modification will solve the problem within the settlement agreement and the code.

Attorney Lehtinen stated that the vote in the September 9, 2013 settlement discussion seemed to imply that the council would provide lights; and, while the Council can't provide lighting as part of a true settlement, but the Council can modify the code. He explained that to do so would move substantially toward the effort of having Palmer Trinity drop their case.

Mayor Stanczyk remarked that the two unrelated claims are being covered by the Florida League of Cities and their claims are unrealistic, frivolous, and she believes the Village is being held "hostage" by one entity.

Attorney Lehtinen stated that there are 15 claims in one lawsuit and 14 civil rights in another. He noted that if there is a judgment against the village, the insurance company does not pay the judgment.

Vice Mayor DuBois stated that the insurance will move to have two of the 13 counts dismissed; and, if they are dismissed, the Village will be bearing the costs to litigate the remaining counts.

Following brief comment, Councilman Fiore moved to table the matter.

Vice Mayor DuBois asked if the amendments he suggested would be included. Following comments, the Mayor opened the public hearing.

The following individuals addressed the Council: Frank Minton, 7865 SW 179 Terrace; Gary Pastorella, 6940 SW 142 Terrace; Eric Tullberg, 7884 SW 179 Terrace; Vera Goldberg, 7825 SW 148 Street; Bev Gerald, 14271 SW 74 Court; Roberto Torres, 8300 SW 184 Terrace; Jerry Templer, 8120 SW 182 Street; Gerry Schute, 8120 SW 183 Street; Carol Vega, 8845 SW 178 Terrace; David Singer, 8360 SW 154 Terrace; and, Adam Schater, 7855 SW 148 Street;

Attorney Lehtinen remarked that if the motion to table is going to be presented, from a parliamentary standpoint, a motion to defer to time certain is the appropriate motion.

Following discussion, Councilman Fiore moved to table and immediately have an Attorney Client Session. He revised this motion to move to defer the matter to date certain of June 2nd, 2014. Seconded by Mayor Stanczyk.

Councilman Schaffer stated that he is seeking fairness, allowing organizations to have the ability to submit an application.

Vice Mayor DuBois stated that he would be supporting of deferral, as long as a staff report will be provided and that staff would consider the proposed amendments he had offered.

Councilwoman Lindsay suggested that the definition of "may" and "shall" must be clear.

Mayor Stanczyk called the question. The motion carried (4 to 1, Councilman Schaffer opposed.)

Vice Mayor DuBois moved that a staff report to be prepared to include report concerning his suggested amendments. Councilwoman Lindsay stated that the staff report should include consideration of an amendment, on page 8, "may" be permitted versus "shall" be permitted. She stated that the same modification should be considered on page 12.

Clerk Alexander clarified that the other section on Page 12 had not been modified. She verified with Councilwoman Lindsay that this issue would be addressed in the staff report.

Councilman Schaffer suggested considering compliance with 30-60.6.

Councilman Fiore seconded the motion to include the comments for staff report. All voted in favor.
