As the adjacent property owner (Kathleen Conroy and Kathleen A. The general plan of the property includes various improvements in accordance with the Village of Palmetto Bay Code of Ordinances. Now, the adjacent property owner seeks to formally and permanently eliminate vehicular access on this roadway segment. Without this road closing, the County, Department of Parks and Recreation will continue to see a cost impact for maintenance associated with unauthorized persons causing damage to the rear fence enclosure as a means to enter onto this vulnerable natural area "known as" Deering Esate.

Re: Vacating of 25.00 foot Right-of-Way South of SW 157th Terrace and North of SW 158th Terrace, more specifically, SW 74th Avenue intersecting at SW 158th Terrace North to the End.

To Whom It May Concern::

Miami-Dade County conveyed the above referenced right of way held in public trust to the Village of Palmetto Bay as part of the road transfer agreement entered into on January 31, 2005.

The Village of Palmetto Bay is interested in releasing an interest in certain real estate property and vacating the right of way located south of SW 157th Terrace and North of SW 158th Terrace, more specifically, SW 74th Avenue intersecting at SW 158th Terrace north to the end.

The Village of Palmetto Bay holds title to public land in trust and has the power to discontinue the use of streets and alleys, and to vacate right of way when it is not being used as a right-of-way, is not being maintained, is not used for emergency vehicle access to the rear of the properties, and is not used as legal access to any properties abutting the right-of-way.

Legal Description: The complete and accurate legal description of the road, right of way or land sought to be closed is as follows: (See Exhibit A)

Begin at the NE corner of the SE ¼ of the SW ¼ of the NW ¼ of the aforementioned Section 26; thence S00°10'40"W along the easterly line of the SE ¼ of the SW ¼ of the NW ¼ of said Section 26, for a distance of 126.87 feet to a point that intersects with the easterly extension of the northerly right-of-way line of SW 158 Terrace; thence N88°43'45"W, along the easterly extension of the northerly right-of-way line of SW158 Terrace, for a distance of 50.49 feet to a point; the next (3) courses are along the existing right-of-way line of SW 74 Avenue; said point being a point of cusp with a curve concave to the northwest, having a radius of 25.00 feet and to which point a radial line bears S01°16'15"W; thence northeasterly 39.75 feet along said curve, through a central angle of

91°05'35" to a point of tangency; thence N00°10'40"E, along the easterly boundary line of Lot 5 of Block 7, of "Palmetto Road Estates" according to the plat thereof, as recorded in Plat Book 60, Page 92, of the Public Records of Miami-Dade County, Florida; for a distance of 101.36 feet to the NE corner of said Lot 5; thence S88°46'22"E, for a distance of 25.00 feet to the Point of Beginning.

Once the right-of-way is vacated, Kathleen Conroy and Kathleen A. Long, the adjacent property owners will automatically take title to the entire area being vacated via quit claim deed. The adjacent property owner will secure the vacated right of way in a means to eliminate vehicular access on this roadway segment and further be responsible for any and all portion of property adjacent to the SW ¼ of the SE ¼ of the NW ¼ section 26-55-40, a portion of land not subdivided. The adjacent lot is owned by Miami-Dade County, Parks and Recreation, more particularly described as:

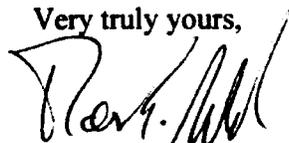

15850 Old Cutler Road
Palmetto Bay, Florida 33157

The Village of Palmetto Bay will no longer have any legal interest in the abandoned property, and Kathleen Conroy and Kathleen A. Long will have full control and responsibility for the property. The Village Clerk will provide a copy of all documents for recordation to Miami-Dade County tax appraiser once the 25.00 foot right-of-way has been abandoned, therefore notifying them that Kathleen Conroy and Kathleen A. Long have obtained title to your share of the abandoned right of way. Beginning next year Kathleen Conroy and Kathleen A. Long will be required to pay taxes on the 3,311.6 Sq. Ft. of abandoned right of way.

A public hearing will be held on the Village of Palmetto Bay's Resolution seeking to vacate and abandon said portion of the right of way located south of SW 157th Terrace and North of SW 158th Terrace, more specifically, SW 74th Avenue intersecting at SW 158th Terrace north to the end. Dear Ms. Patterson,

The Miami-Dade County Department of Planning and Zoning reviewed the road closing petition and has no objection to the road closing. Please find below our comments on the subject road closing petition.

- 1) The Village of Palmetto Bay is requesting the County's concurrence with a petition to close a portion of right-of-way of SW 74 Avenue north of SW 158 Terrace (25.00' wide x 126.87' long).
- 2) The petition to vacate, abandon, discontinue and close the existing public local street, is requested by Ms. Kathleen Long, the property owner on the west side of the subject roadway segment.
- 3) All abutting and adjacent property owners, including Miami-Dade County Park and Recreation Department, have been advised in writing of the proposed closure.
- 4) The Miami-Dade Park and Recreation Department, the owner of the property on the east of the subject roadway segment, has signed off the petition for road closure. W. Howard Gregg, Park and Recreation Department Deputy Director, signed off the petition.
- 5) The subject roadway segment is a City street acquired by the Village of Palmetto Bay through a road transfer agreement entered into by Miami-Dade County and the Village on January 31, 2005.
- 6) If the petition is granted by the Village of Palmetto Bay, no property owner will be prevented from access to and from their property and no other property owners in the vicinity of the roadway segment will be adversely affected.
- 7) According to Pablo Rodriguez, PWD Right-of-Way Section, and Joan Shen, PWD Assistant Chief for Traffic Engineering, the Miami-Dade Public Works Department is fine with the petition since the subject roadway is a local city street.

In summary, the subject road closing petition seems to be in order and is consistent with the County's CDMP. The Department does not object to the subject road closing petition. However, if the petition is granted, the Village should provide the County Public Works Department with a copy of the resolution passed and adopted by the Village Council for our records. The County needs to record on the respective plat the closing of the subject roadway segment.

Thank you very much for the opportunity to comment on the petition.

Subject: RE: Road Closing Petition Section 26-55-40

Good Morning Corrice,

In response to your email dated September 14th, 2010, the Miami-Dade Fire Rescue Department (MDFR) evaluated the request to close a portion of a roadway south of SW 157th Terrace and north of SW 158th Terrace, more specifically, SW 74th Avenue intersecting at SW 158th Terrace north to end.

MDFR evaluated the request by conducting a visual inspection of the area and utilizing aerial imagery to study the subject roadway. It is evident that the subject roadway is minimal and its closure will have no detrimental impact on MDFR service. As a result of the neighborhood's current roadway network and connectivity, emergency units will have adequate means of roadway access to reach their destination in a timely manner.

MDFR recognizes the significance of maintaining a safe and livable residential community and concurs with the Village of Palmetto Bay in its efforts to close the roadway.

In closing, MDFR has no objection to the proposed roadway closing of that portion of SW 74th Avenue and believe that the closing will not adversely impact emergency response. MDFR further believe that the roadway closing will minimize further damage to the rear fence enclosure currently protecting the area known as "Deering Estate."
