SUMMARY OF CURRENT SITUATION AND ACTIONS

FLORIDA HEALTH IN MIAMI-DADE COUNTY

- A total of **628** pregnant women have been tested for Zika at FDOH's Health District Center which is located at 1350 NW 14 Street, Miami, FL 33125. The testing clinic is open from Monday – Friday (8:00am – 3:30pm) and the test entails a urine sample and blood work with results taking two weeks to process.
- DOH conducting Zika testing for residents in active area on Miami Beach (from 8th Street to 28th Street between the Ocean and the Bay): Monday – Friday (10:00am – 2:00pm) and (5:00pm – 7:00pm).
- Pregnant women can contact FDOH's Epidemiology Division (305) 324-2400 to obtain Zika prevention kits.
- The Florida State Surgeon General and Secretary of Health have established a Zika hotline (855-622-6735) and Monday – Friday are issuing daily status reports on CDC-confirmed Zika cases by county.
