VILLAGE OF PALMETTO BAY BUS SERVICE

In 2006, the Village of Palmetto Bay launched a much-needed intra-Village bus service in full compliance with Miami-Dade County policy, as directed by the staff of the Citizens' Independent Transportation Trust (CITT) and the County

Attorney's Office. The service was

designed to increase the number of destinations that can be reached via fixed public routes throughout Palmetto Bay and surrounding areas, as well as to connect with Miami-Dade Transit routes and the very popular busway. This initiative is being paid for with funding provided by the People's Transportation Plan (PTP). As stated in a publication of the Citizens' Independent Transportation Trust, "the plan was created because of public demand for greater mobility choices in Miami-Dade County. The citizens backed their demand at the ballot box by approving the transportation surtax to fund the projects in the PTP."

The Village bus service also provides public transportation to parks within the boundaries of the Village. There is no fare when using the Village IBUS service. Riders making connection to Miami-Dade Transit are expected to pay the appropriate fares at time of transfer.
