*Mayor Eugene P. Flinn, Jr., drew an impressive crowd of 450 residents, guests, and VIPs to the 2009 Palmetto Bay State of the Village, Oct. 21, at the Palmetto Bay Village Center.*

*Replete with food, wine, and dessert, the event is the Mayor's annual opportunity to highlight achievements by a government that is, according to one astute observer, "firing on all cylinders."*

*The new year 2009/10 will be a period of gradual shift from capital projects to programs and services – and a continued focus on sustainability and green initiatives.*
