RECEIVED

Re: Roadway Project Notification
State Road (SR) 5/South Dixie Highway/US 1
from SW 136 Street to SW 102 Street
Project Identification Number: 425513-1-52-01

VILLAGE MANAGER'S OFFICE
RON E. WILLIAMS

Dear Mr. Williams:

The Florida Department of Transportation (FDOT) is scheduled to begin construction of a roadway project on Monday August 13. The project is located along State Road (SR) 5/South Dixie Highway/US 1 from SW 136 Street to SW 102 Street, within the Village of Pinecrest. This work will cost an estimated \$3,491,764 and last about nine months.

To complete this work safely, it will be necessary to close travel lanes at times. Tasks will be done in stages and flagmen will be used as needed to help direct traffic. The department will make sure that traffic continues to flow safely through the work zone.

As part of our commitment to inform the public about projects that will help our community, the department has placed information about lane closures and project details on our website, www.fdotmiamidade.com. We will distribute the enclosed fact sheet throughout the project area. This fact sheet includes project information, the construction schedule and contact details. Please feel free to share this with members of your staff or your constituents.

If you wish to learn more about this project, please contact me directly by email at gus.pego@dot.state.fl.us or by phone at (305) 470-5197.

Sincerely,

Gus Pego, P.E.
District Secretary

FACT SHEET

A NEW ROADWAY PROJECT WILL BEGIN IN YOUR AREA State Road (SR) 5/South Dixie Highway/US 1

FIN# 425513-1/2-52-01
Begins: August 2012

OVERVIEW

On Monday August 13, the Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project along SR 5/South Dixie Highway/US 1 from SW 136 Street to SW 102 Street in the Village of Pinecrest.

WORK TO BE PERFORMED

- Replacing sections of sidewalk, curb and gutter, and pedestrian ramps
- Installing new pedestrian signals at intersections
- Replacing a section of guardrail
- Installing several underground drainage structures
- Updating signalization, including installing a new traffic signal at the intersection of US 1 and SW 120 Street
- Widening left-turn only lanes at intersections
- Leveling several driveways to match the roadway
- Relocating several trees
- Repaving and restriping the roadway
- Updating signage and pavement markings

PROJECT SCHEDULE

August 13, 2012 — May 2013

ESTIMATED CONSTRUCTION COST

\$3,491,764

AFFECTED MUNICIPALITIES

Village of Pinecrest

LANE CLOSURE & DETOUR INFORMATION

To do this work safely, it will be necessary to close travel lanes at times. When needed, lane closures will be Sundays through Thursdays from 9 p.m. to 5:30 a.m., and Fridays and Saturdays from 11 p.m. to 7 a.m. Tasks will be done in stages to lessen the effects of construction. Entrances to properties will be kept open.

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits
- Watch for signs with information about upcoming work and traffic conditions

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The department takes steps to reduce construction effects, but you might experience the following around the work site. **Please note that this schedule could change due to bad weather or other unexpected conditions.**

- Side street, traffic lane and sidewalk closures
- Increased dust and noise
- Workers and equipment moving around the area.
