DISCLOSURE AND DISCLAIMER SECTION

The solicitation referenced herein is being furnished to the recipient by the Village of Palmetto Bay (the "Village") for the recipient's convenience. Any action taken by the Village in response to Proposals made pursuant to this solicitation, or in making any award, or in failing or refusing to make any award pursuant to such Proposals, or in cancelling awards, or in withdrawing or cancelling this solicitation, either before or after issuance of an award, shall be without any liability or obligation on the part of the Village.

In its sole discretion, the Village may withdraw the solicitation either before or after receiving Proposals, may accept or reject Proposals, and may accept Proposals which deviate from the solicitation, as it deems appropriate and in its best interest. In its sole discretion, the Village may determine the qualifications and acceptability of any party or parties submitting Proposals in response to this solicitation.

Following submission of a Proposal, the applicant agrees to deliver such further details, information and assurances, including financial and disclosure data, relating to the Proposal and the applicant including, without limitation, the applicant's affiliates, officers, directors, shareholders, partners and employees, as requested by the Village in its discretion.

The information contained herein is provided solely for the convenience of prospective Proposers. It is the responsibility of the recipient to assure that the information contained herein is accurate and complete. The Village does not provide any assurances as to the accuracy of any information in this solicitation.

Any reliance on these contents, or on any permitted communications with Village officials, shall be at the recipient's own risk. Proposers should rely exclusively on their own investigations, interpretations, and analyses. The solicitation is being provided by the Village without any warranty or representation, express or implied, as to its content, its accuracy, or its completeness. No warranty or representation is made by the Village or its agents that any Proposal conforming to these requirements will be selected for consideration, negotiation, or approval.

The Village shall have no obligation or liability with respect to this solicitation, the selection and the award process, or whether any award will be made. Any recipient of this solicitation who responds hereto fully acknowledges all the provisions of this Disclosure and Disclaimer, is totally relying on this Disclosure and Disclaimer, and agrees to be bound by the terms hereof. Any Proposals submitted to the Village pursuant to this solicitation are submitted at the sole risk and responsibility of the party submitting such Proposal.

This solicitation is made subject to correction of errors, omissions, or withdrawal from the market without notice. Information is for guidance only, and does not constitute all or any part of an agreement.

The Village and all Proposers will be bound only as, if and when a Proposal (or Proposals), as same may be modified, and the applicable definitive agreements pertaining thereto, are approved and executed by the parties, and then only pursuant to the terms of the definitive agreements executed among the parties. Any response to this solicitation may be accepted or rejected by the Village for any reason, or for no reason, without any resultant liability to the Village.

The Village is governed by the Government-in-the-Sunshine Law, and all Proposals and supporting documents shall be subject to disclosure as required by such law. All Proposals shall be submitted in sealed Proposal form and shall remain confidential to the extent permitted by Florida Statutes, until the date and time selected for opening the responses. At that time, all documents received by the Village shall become public records.

Proposers are expected to make all disclosures and declarations as requested in this solicitation. By submission of a Proposal, the Proposer acknowledges and agrees that the Village has the right to make any inquiry or investigation it deems appropriate to substantiate or supplement information contained in the Proposal, and authorizes the release to the Village of any and all information sought in such inquiry or investigation. Each Proposer certifies that the information contained in the Proposal is true, accurate and complete, to the best of its knowledge, information, and belief.

Notwithstanding the foregoing or anything contained in the solicitation, all Proposers agree that in the event of a final un-appealable judgment by a court of competent jurisdiction which imposes on the Village any liability arising out of this solicitation, or any response thereto, or any action or inaction by the Village with respect thereto, such liability shall be limited to \$10,000.00 as agreed-upon and liquidated damages. The previous sentence, however, shall not be construed to circumvent any of the other provisions of this Disclosure and Disclaimer which imposes no liability on the Village.

In the event of any differences in language between this Disclosure and Disclaimer and the balance of the solicitation, it is understood that the provisions of this Disclosure and Disclaimer shall always govern. The solicitation and any disputes arising from the solicitation shall be governed by and construed in accordance with the laws of the State of Florida.
