1. CALL TO ORDER, ROLL CALL, PLEDGE OF ALLEGIANCE

Mayor Shelley Stanczyk
Vice Mayor John DuBois
Council Member Tim Schaffer
Council Member Joan Lindsay

Staff present:
Village Manager Ron E. Williams
Village Attorney Dexter W. Lehtinen
Village Clerk Meighan J. Alexander

Mayor Stanczyk called the meeting to order at 7:05 p.m. She led the pledge of allegiance. Mayor Stanczyk announced that Councilman Patrick Fiore is not present due to the passing of his father, who was a distinguished Korean War Veteran. She asked all to join her in a moment of silence.

Attorney Lehtinen noted that Councilman Fiore's father served with the 7th Infantry Division in the Korean War; enlisted as a Private, and emerged as a Staff Sergeant. He noted that Councilman Fiore's father had received a Bronze Star, which is a meritorious earning, and his service in the Korean War was a critical element of the entire Cold War struggle.

2. DECORUM STATEMENT Clerk Alexander read the following decorum statement: Any person making impertinent or slanderous remarks or who becomes boisterous while addressing the Village of Palmetto Bay Council shall be barred from further audience at this meeting before the Village of Palmetto Bay Council by the presiding officer, unless permission to continue or again address the council be granted by the majority vote of the council members.

Mayor Stanczyk asked Attorney Lehtinen for guidance concerning deferral of items. Attorney Lehtinen advised that the Council may vote on withdrawal of items; or move matters to another date. He stated that it would be acceptable to defer or move at this time.

Mayor Stanczyk moved to defer Item 10A. She remarked that there may be a special council meeting later this month; however, at this time, she would like to defer the matter. Attorney Lehtinen noted that as the matter had not been debated, the Mayor may defer it and re-agenda the matter at a later date.

Manager Williams stated that staff would defer Item 10B, as Councilman Fiore had expressed interest in discussing the item.

Councilman Schaffer moved to defer Item 12A to date certain of July 7th. Vice Mayor DuBois seconded the matter. Vice Mayor DuBois suggested that the matter be deferred to the special council meeting at the end of June that the Mayor had mentioned, if there is one to be scheduled, as the topics are similar.

Councilman Schaffer remarked that a special council meeting hasn't currently been scheduled. Vice Mayor DuBois stated that the motion could be worded so that the matter is scheduled to a date certain, whichever is the earliest of the two dates.

Attorney Lehtinen opined that any such date would have to meet the various notice requirements under the Florida Statutes.

Vice Mayor DuBois moved to amend the date of the deferral to July 7th or an earlier date, as long as the meeting date set would meet the notice requirements. Councilman Schaffer seconded.

Mayor Stanczyk called the question on the main motion to defer. All voted in favor (4-0.) She announced that Item 12A would be deferred to either July 7th or an earlier date, provided the earlier date met legal notice requirements.

Mayor Stanczyk stated that as she was the sponsor of Item 13A, she suggested withdrawing the item. Clerk Alexander noted that the item was scheduled for public hearing. Attorney Lehtinen stated that the matter could be deferred to date certain or earliest meeting; however, it would require a motion, as it is also scheduled for the Local Planning Agency Meeting.

Mayor Stanczyk moved to defer Item 13A to either July 7th or the earliest date that would meet legal notice requirements. Seconded by Councilwoman Lindsay. All voted in favor (4-0.)

He suggested that once they have purchased the property, they will need Village zoning approval, and then return to the County for approval. He stated that the structure could possibly be built in the Spring of 2015.

- E. Florida Representative Michael Bileca provided a legislative update, noting that the success came about as a by-product of the delegation that worked well together and puts aside their own issues to work together for the community.

Vice Mayor DuBois asked for clarification concerning the limits for increasing tuition at public universities. Representative Bileca advised that the public universities can now only increase the tuitions by 0%-6%; however, University of Florida and Florida State University have different guidelines.
