

Deepwater Horizon Oil Spill

~ Miami-Dade County Update ~

- See the latest edition of the Florida Media Advisory re the Oil Spill in the Gulf of Mexico, compliments of Chris Himmel of the Office of Mayor Carlos Alvarez, Miami-Dade County, South Dade Office.
- http://www.dep.state.fl.us/deepwaterhorizon/files/response/0610/deepwater_response_062210.pdf).
- The information included in the website includes the following State of Florida website pertaining to volunteering in Florida <http://www.volunteerfloridadisaster.org/>
- The Miami-Dade County Department of Emergency Management and Homeland Security also offer a website: <http://www.miamidade.gov/oem/deepwaterhorizon.asp>, the highlight of which is the following statement: “The Deepwater Horizon oil spill has not impacted Miami-Dade's beaches or fishing industry. Miami-Dade County continues to monitor the spill's development and is closely working with the Florida Department of Environmental Protection and the U.S. Coast Guard to ensure everything possible is being done to keep our waters safe.”
