

Village of Palmetto Bay
Incorporated 2002
“Village of Parks”

Distinguished Budget Presentation Award

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the Village of Palmetto Bay, Florida for its annual budget for the fiscal year beginning October 1, 2014. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine eligibility for another award.

Operating & Capital Budget
Fiscal Year 2015-16

GUIDE TO READERS

Guide to Readers

The annual budget for a municipal corporation is a document intended to provide sufficient, meaningful and useful information to its elected officials, staff and to the general public. To that extent, the Annual Budget for the Village of Palmetto Bay, corresponding to Fiscal Year 2015-16 serves four primary purposes:

1. [As a policy guide](#)

The budget document serves as a policy guide in identifying those services that the Village will provide during the twelve month period beginning on October 1st. The document shows financial trends, illustrates how the village performed in the previous twelve-month (fiscal) period and provides information addressing how revenues are acquired.

The Village's budget process is conducted within a framework of a comprehensive set of financial management policies, financial trends, and fiscal forecasts. The budget process allows the policy makers an opportunity to review policies and goals that address long-term concerns and evaluate Village services.

2. [As an operations guide](#)

As an operations guide, indicates how services will be delivered to the community. The Departmental Budgets section provides measurable goals and objectives for each organizational unit in the Village. The budget also includes an organizational chart for the Village and each department, including a three year analysis of staffing levels.

3. [As a financial plan](#)

As a financial plan, the budget outlines the cost for village services and identifies the various funding mechanisms to support the expenditures. It also provides information concerning the village's accounting structure and budgetary policies, and explains whether surplus funds are used and how these funds are allocated. Finally, a capital improvement plan is included and debt information is also summarized in the appropriate section.

4. [As a communication device](#)

The annual budget document has been designed to provide budgetary information that is easy to locate and understand by a diverse audience. The Budget Message section provides a condensed and useful analysis of the village plan and its fiscal components for the upcoming year. Lastly, the document is readily available online on the Village website.

Village of Palmetto Bay
Operating & Capital Budget
Fiscal Year 2015-16

BUDGET MESSAGE

Budget Message

VILLAGE OF PALMETTO BAY
INCORPORATED 2002

August 1, 2015

The Honorable Eugene P. Flinn, Jr., Mayor
The Honorable John DuBois, Vice Mayor
The Honorable Karyn Cunningham, Council Member
The Honorable Tim Schaffer, Council Member
The Honorable Larissa Siegel-Lara, Council Member
The Residents of Palmetto Bay

Dear Mayor, Vice Mayor, Council Members, and Residents of Palmetto Bay:

As we approach a new beginning in the Village of Palmetto Bay, I am pleased to submit the Operating and Capital Budget for Fiscal Year 2015-16, in accordance with the provisions of Section 4.5 of the Village Charter. As required by Florida Statute, the budget hereby presented is a balanced budget, with revenues and other such sources equaling expenditures, including reserves.

The FY 2015-16 Budget is a fiscally strong financial plan developed to address the needs of our Village. Over the course of the next twelve months, we will be presenting new initiatives, programs and an overall new approach to our service delivery methods that are resident-centered and clearly engage the community at large. Starting with a new website design that is easier to use and navigate and continuing with a solid marketing plan and new community events. These are all initiatives geared to increase citizen engagement and participation. This coming year, following the direction and leadership of the Village Council, the Village will also be embarking on the development of its very first Strategic Plan that will guide our priorities well into the future.

Budget Message

This budget serves as the foundation for the implementation of these initiatives and supports the following priorities:

Fiscal Year 2015-16 Budget Priorities

- Strategic Plan Development
- Traffic Calming Projects
- Downtown Infrastructure Improvements
- Coral Reef Park Wellness Center (community room)
- After-School Sports Program
- Expanded Community Events Calendar and Citizen Engagement
- Solar Funding Initiative
- New Structured Policy for Unassigned Fund Balances

In this budget, the Village is taking the initial steps to begin diversifying our revenue sources, seeking to minimize our dependency on residential property (ad-valorem) taxes, and ensuring a healthier economic base. To that extent, we are restructuring various departments and functions, updating our pricing structure for services, developing regulations for the collection of impact fees in the downtown area, and redeveloping our emerging downtown.

For the past ten weeks, the Village has been gathering resident input as the FY2015-16 budget was developed. This year, in an unprecedented outreach effort, we conducted the greatest number of public budget workshops at various locations throughout the Village. By the conclusion of the budget process, the Village would have held a total of eight public meetings, consisting of six budget workshops and two budget hearings. During this budget development phase, the Village studied revenue forecasts to establish the millage rate for the new fiscal year, which is the initial step in developing a sound budget. The millage rate determines the final tax amount that Village residents will pay for municipal services. The cost to the resident is based on the taxable property value that is assessed by the Miami-Dade County Property Tax Appraiser's office.

A mill is the equivalent of \$1 for every \$1,000 of the total property value that is subject to taxes. The current millage rate for the Village of Palmetto Bay is 2.447 mills. This rate has remained constant for the past nine years, and most importantly, has been among the lowest in the county. Maintaining high service levels at a reasonable cost to the resident has and will continue to be a high priority for our local government.

Budget Message

Based on revenue projections for Fiscal Year 2015-16, it is recommended that the Village adopt a millage rate of 2.440 mills, which is lower than the adopted millage rate for the prior fiscal year.

The millage rate establishes the revenue that the Village receives from property taxes, also known as ad-valorem taxes. Ad-valorem revenues are calculated based on the millage rate and the total property valuation for the Village. The cumulative total for all properties in Palmetto Bay this year is \$2,551,313,193.

The FY 2015-16 recommended budget for all funds is \$53,892,275, which includes a beginning balance of \$20,992,697, new revenues totaling \$21,449,578 and debt service proceeds of \$6,750,000.

The General Fund and the Special Revenue Fund are the two governmental funds that the Village of Palmetto Bay uses in its annual budget. The General Fund is the government's operating fund and the Special Revenue Fund serves to account for revenues and expenditures that are restricted and/or designated for specific purposes.

Based on the reduced millage rate for FY 2015-16, the General Fund or operational budget for the Village is \$14,303,233. This figure is \$276,299 lower than the budgeted amount for the prior year. General Fund revenues for this year reflect a positive growth in most major revenue sources, with an average increase of 15%. The Special Revenue fund budget for the new fiscal year is \$23,592,530, with an increase of \$14,392,867 from the prior year budget. The increase is largely attributed to the implementation of our planned capital projects and an investment in our future. A detail explanation of the projects and related costs are provided in the "Capital Improvement Plan" section of this budget message.

FINANCIAL OVERVIEW

REVENUE HIGHLIGHTS

Ad-valorem taxes, also commonly known as property taxes, represent the largest revenue source for the Village of Palmetto Bay. For the past two consecutive years, ad-valorem revenues have been on an upward swing, and a stronger local economic market points to positive revenue projections in the future. Notwithstanding this positive outlook, the realized increases in taxable property values in the Village have been modest. While Palmetto Bay has many positive attributes such as its parks and schools, growth in property valuations has been curtailed by negligible increases in commercial properties and the assessment caps in the residential sector.

For FY2014-15, the Village experienced a modest increase in property valuation of 2.59%, compared to a countywide increase of 6.80%. This year, the Village is once again trailing the county and other

Budget Message

municipalities, with the exception of Virginia Gardens. Ad-valorem values in the Village for FY2015-16 rose 3.62%, which is significantly below the county’s growth rate of 9.44%.

Although property values in general are slowly climbing and resale values in Palmetto Bay are much higher than the proffered 3.62%, most homes in the Village are “homesteaded” properties and increases in values for taxing purposes are capped at 3%. In addition, the properties are also eligible for a \$50,000 tax value exemption, further lowering the overall tax assessment.

Table A.

Taxing Authority	2014 Taxable Value	2015 Estimated Taxable Value Before New Construction	New Construction	2015 Estimated Taxable Value After New Construction	Increase (%)
Pinecrest	\$3,913,545,312	\$4,095,057,004	\$17,524,262	\$4,112,581,266	5.09%
Palmetto Bay	\$2,462,237,138	\$2,552,055,874	(\$742,681)	\$2,551,313,193	3.62%
Cutler Bay	\$1,912,558,887	\$2,059,278,422	\$21,926,192	\$2,081,204,614	8.82%
Countywide	\$210,544,758,410	\$227,608,987,212	\$2,820,204,278	\$230,429,191,490	9.44%

The table above illustrates that new construction in our neighboring cities of Pinecrest and Cutler Bay have contributed to an increase in the overall property valuation. In Palmetto Bay, new construction actually devalued our overall property worth. This serves as evidence that investors are consistently overlooking Palmetto Bay and opting for Pinecrest or Cutler Bay instead.

As illustrated on the chart below, the Village experienced a \$14 million reduction in the overall property valuation assessment from FY 2012-13 to FY 2013-14. However, the Village quickly recovered the following fiscal year of 2014-15, with an increase exceeding the \$62 million mark. For FY 2015-16, the 3.62% increase in the overall property valuation represents an additional \$163,236 in ad-valorem revenues for the Village.

Budget Message

Ad-valorem revenues currently make up an estimated 42% of the overall General Fund, which is the main operating fund for the municipality. The remaining 58% is composed of other revenue streams as illustrated below:

General Fund Revenue Sources (\$)

General Fund Revenue Sources (%)

Budget Message

Projected revenues for the General Fund budget include \$5,950,944 in ad-valorem taxes, \$3,437,079 in utility taxes, \$2,288,230 in inter-governmental revenues, \$200,000 in licenses and permits, \$998,000 in charges for services, and \$1,428,980 for other miscellaneous revenue services (see figure above).

It should be noted that the Village does not control or have any impact on the revenues received from franchise fees, intergovernmental sources or utility taxes. These sources are controlled by the state or the county. These entities determine the amount that each city receives based on a set formula, which is typically driven by the population numbers. It should be noted that our population has dropped from 24,000 last year to the current population figure of 23,850. A continued decrease in our population numbers signifies a potential decrease in our revenue stream from the sources earlier mentioned.

As previously noted, we have begun efforts to diversify our revenue sources and to broaden the revenue streams within such sources. These efforts include an organizational restructure, updated charges for services, the downtown revitalization initiative, and an impact fee schedule. Additionally, we are also looking into possibly creating an Enterprise Fund that would allow the Village to manage the future Community Center at Coral Reef Park following a business model that allows opportunities to recapture our expenses.

1. Organizational Restructure

The largest revenue source for the General Fund is ad-valorem revenues, which are only paid for by village residents and property owners. The reorganization of certain departments and functions decreases General Fund expenditures. This is accomplished by reallocating certain eligible positions to the Special Revenue Fund, and centralizing duplicate functions into a single department. The detailed changes include:

- a. The renaming of the Building & Capital Projects Department to Building and Permitting Division, and its reassignment under the auspices of the Community and Economic Development Department. The Planning & Zoning functions have also been reassigned under the Community and Economic Department umbrella. This reassignment will facilitate and enhance the process of obtaining building permits and serve as a seamless one-stop shop for residents. By combining these functions into one department, the permitting process, which typically involves building and zoning reviews, will be streamlined for increased efficiency, and one director-level position can be reduced from the budget. This restructuring also allows for a more efficient management of staff and resources.
- b. Assignment of economic development initiatives to Planning & Zoning. This move marks the beginning of our efforts to actively attract new businesses and investments to our commercial corridor and ensure that the zoning and licensing process is streamlined.

Budget Message

- c. Reassigning parks maintenance personnel (10 positions) to the Facilities Maintenance division in the Public Works department, centralizing maintenance services into a single department for a more efficient use of equipment and human resources.
- d. Renaming of the Public Works Department to Public Services Department in recognition of the newly-assigned park and facilities maintenance duties throughout the village that go beyond what is traditionally considered to be Public Works functions.
- e. Reassignment of public information and grant functions from the Office of the Village Manager to the Human Resources Department. Moving these functions allows the Office of the Village Manager to focus on the overall performance of the Village as a whole. Additionally, grants had been previously assigned to the Assistant to the Manager position, which, based on the current needs of the Village Manager's Office, has been eliminated and replaced with the Executive Assistant position.

2. Updated Charges for Services

Charges for Services (user fees) currently account for 3% of all General Fund revenues. The total revenues projected from Charges and Services for FY 2015-16 is \$246,585 higher than the estimated final figure for FY 2014-15.

Following a fee comparison study that included Palmetto Bay and other similarly situated municipalities, we concluded that while some of our recreational and specialty program fees are competitive, others are much lower than those charged elsewhere. A new fee schedule that is more equitable with current market rates for similar services will be proposed. This will allow the Village to recover a larger percentage of the costs incurred in providing services.

Palmetto Bay currently recovers a much larger percentage than Miami Lakes and Cutler Bay. In Palmetto Bay, \$325,000 of the total revenues collected in parks are generated by rentals at Thalatta Estate, and \$125,000 are generated from the tennis program at Coral Reef Park. The Village trails Pinecrest and Coral Gables because these two other cities both have opportunities for greater cost recovery through their community centers.

Municipality	Annual Operating Budget	Annual Revenues Collected	% of Revenues to Budget
Palmetto Bay	\$ 2,200,000	\$ 550,000	25%
Cutler Bay	\$ 1,900,000	\$ 225,000	12%
Miami Lakes	\$ 2,400,000	\$ 50,000	2%
Pinecrest	\$ 2,181,550	\$ 1,062,425	49%
Coral Gables*	\$ 7,419,000	\$ 5,200,000	70%

*includes financial information for community centers.

Budget Message

In 2017, the Village will be better positioned to offer more programming at Coral Reef Park with the proposed construction of its wellness center, and will be poised to collect additional revenues under proper management. The Village is also exploring the option of outsourcing its tennis program to increase revenues generated from tennis. Following our review, a final recommendation will be brought before the Village Council. Finally, we are proposing to open the concession stand at Coral Reef Park until 10:00 p.m. to make it a viable option for an outsource vendor to sell food products to the park patrons to fully capitalize on a facility that is currently underutilized.

3. Downtown Redevelopment

For the past two fiscal years, the Village has been preparing the framework to launch the redevelopment of its commercial area into a thriving downtown that will bring new businesses, services, jobs, and residents into the Village’s commercial corridor. This will be accomplished by enacting new planning and zoning regulations that will guide the future development of the area and foster a positive business climate that will attract investors to the area and enhance the appearance of the district through infrastructure improvements.

Downtown redevelopment will bring services to residents in their own community and will help to diversify our revenue base by shifting the tax burden from the residents (residential tax revenue) to business owners (non-residential tax revenue). Compared to all other cities in the county, Palmetto Bay residents currently contribute 18% more to the tax base than residents of other cities.

Budget Message

The tax base for our community has remained relatively strong, even throughout the Great Recession. Like many other cities nationwide, Palmetto Bay also experienced a dip in revenues. The loss, however, was mitigated due to the high desirability for Palmetto Bay, which kept our property values steady. Nevertheless, we must be cognizant of the fluidity of real estate market and the fact that our Village is largely dependent on ad-valorem revenues. With this in mind, it is prudent that we take steps to achieve a broader and more balanced distribution of the ad-valorem revenue base by reactivating our commercial area. We will continue to revamp, streamline and modify regulatory processes that work against our fiscal future while preserving our community's character and integrity. The planning efforts are now behind us as we take the first step in the downtown revitalization effort with the proposed adoption of an improved zoning code.

4. Impact Fees

Impact fees are charges assessed on new development using standard formulas that are based on objective characteristics, such as the number of type of dwelling units constructed. These fees provide a way for local governments to require new developments to pay a proportionate share of the infrastructure costs, and sometimes service delivery expenses, that are imposed on the community as a result of the new development. Specific special revenue funds may be established for roads, parks, culture, police, general government, etc... Impact fees generated by future development in the downtown area may be reallocated for capital projects to improve the area or to offset some of the expenses related to its growth, and ultimately reduce the impact on the General Fund budget. Recognizing that residential property taxes represent our largest source of revenues, impact fees provide another option for capturing revenues from developers to offset future improvement expenses.

EXPENDITURES HIGHLIGHTS

The FY2015-16 budget includes funding for the following initiatives:

1. Strategic Plan: the Strategic Plan will define the Village's mission, vision and core values, and provide a roadmap that will carry our community for the next ten years. The plan will provide the basis for the budgeting process by providing funding that is strategically linked to the goals and objectives identified in the plan. The strategic plan will serve as a living document that will be updated following each election.
2. Traffic Calming Projects: funding for various options to diminish the impact of the augmented traffic in neighborhoods has been set aside in the FY2015-16 budget. Resident input will continue to be solicited to identify the most appropriate and effective solutions to the traffic concerns.

Budget Message

3. Downtown Infrastructure Improvements: after years of planning, we are ready to begin the transformation of Franjo Road into a pedestrian and bicycle friendly Main Street. The Village was fortunate to be awarded \$7.5 million from the county's General Obligation Bond. If funds from unsuccessful GOB projects are recaptured, the grant will be leveraged with public and private funding. Furthermore, part of the capital program for this fiscal year includes the multimodal center at the Village Hall site, which will also propel the redevelopment of the downtown area.
4. Coral Reef Park Wellness Center: part of the capital budget for this year includes a new community wellness center at Coral Reef Park to replace the existing outdated and unsafe recreational building.
5. After School Sports Program: this budget year, the Village will roll out a pilot program for specialized after care activities at Coral Reef Park, to include tutoring services, sports variety and exercise and dance activities, among others. The Village is working closely with the Coral Reef Elementary School's PTSA and the School Board to bring the program to fruition. The pilot program will serve as a means to determine whether there is a need for such programs.
6. Expanded Community Events Calendar: community events are the forefront of our community engagement effort. Events are the most effective way to bring residents together, engage them in activities and even gather resident input. Community events provide the opportunities for residents to get to know one another and the local government, meet new neighbors and truly enjoy their community. During the course of the year, at least three events are scheduled each month.
7. Solar Funding Initiative: the solar funding initiative is an effort by the Village that will allow residents to borrow funding for their investments in green technologies for items such as solar panels, tank-less water heaters, insulated windows and more. For FY2015-16, the Village is setting aside \$2,000,000 as seed money for the project and will be launching a pilot program to test the viability of the program. Interest rates for the Village's program would be lower than market rate, which will help to ultimately make the program self-sustained.
8. Staffing; Full-time Positions: the staffing level for full time employees decreased by one position from the prior fiscal year, with the elimination of one Administrative Assistant position in Planning & Zoning. While a Grounds Maintenance Worker position has been added to the Public Services Department, one director level-position has been eliminated from the budget. Both positions are funded in the Special Revenue Fund, and the change represents a savings to said fund.

Budget Message

9. Staffing: Part-Time Positions: A total of four additional part-time positions are proposed for the upcoming fiscal year. Two part-time Park Service Aid positions have been added to relieve the total number of weekly hours that our part-time staff works. The increased number of employees affects the distribution of hours and not the budget allocation for that line item. The total number of hours in the aggregate allocated for all part-time Park Service Aides will not change. The proposed increase was effectuated as a result of ACA rules which require employers to provide health care benefits to employees working 30 hours or more per week, or an average of 130 hours per month. Such employees are considered full-time under the ACA and are eligible for healthcare benefits. Finally, a part-time business partner liaison was added to assist with the planned economic development efforts, and lastly, one part-time PIO position has been included in the Human Resources Department to provide coverage of evening and weekend news and events.

10. Public Safety: the budget continues to emphasize the importance of public safety to the Village. Our commitment to safety is evident in our low crime rates and our funding levels for public safety. The FY 2015-16 Budget allocates \$7,101,950 to police services, which is equivalent to 50% of the total General Fund budget. As a point of reference, the equivalency percentage for the Town of Cutler Bay is 48% and the figure drops to 39% for the Village of Pinecrest. The FY 2015-16 Budget allows for flexibility in overtime hours to address items that may arise throughout the year.

Finally, this year's budget also appropriates funding for other new initiatives including a council district funding program, the Million Orchid initiative and the "In the Park with Art" annual event. Over the last few years, the Village has reduced expenses to the General Fund in response to the economic downturn and the related reduction in revenues. For the past five years, and before, the Village has managed expenditures in response to reductions in General Fund revenues.

We are extremely proud of the fact that our operating expenditures for FY 2015-16 are \$391,299 below the adopted budget for FY 2014-15, and yet, the reduced operating budget provides funding for additional resident-focused programs and events and other first-time initiatives. Although, future revenue forecasts show a progressive improvement, sound fiscal management and investment choices are still key to ensuring the long term economic health of the Village.

Budget Message

General Fund Adopted Budget

The FY2015-16 budget has been balanced within our revenue parameters and does not borrow from prior year surplus funds for operational expenses. Instead, the budget allocates surplus funding for long-term capital investments that are of benefit to the community, such as the proposed wellness center and multimodal center.

UNASSIGNED FUND BALANCE AND RESERVES

Over the course of the past twelve years, Palmetto Bay has successfully allocated surplus funding each year to the Unassigned General Fund Balance. The total fund balance is projected to be \$13,428,510. This represents an increase of \$2,579,160 over the prior year's balance. Current reserve policies mandate the Village to "maintain at least \$2.5 million in unreserved fund balance for disasters, unanticipated non-recurring expenditures, or expenditures approved by the Village Council." The policy was established soon after the Village incorporated in 2002 and has not been updated since. At the time, \$2.5 million equaled approximately 10% of the operating budget. In contrast, the account balance today represents 95% of the current total operating budget.

This year, the Council has the opportunity to establish an updated fiscal policy that will manage the expenditure of surplus funds responsibly and objectively. It is the intent of the Village to use all surpluses generated to accomplish three goals; complying with the existing reserve policy, avoiding future debt and reducing outstanding debt. To assist with the decision-making process, the Government Finance Officers Association recently completed an analysis of the Village's surplus funds and reserves and offered recommendations identifying the appropriate funding categories for the surplus and reserve funds and their relative funding levels.

Budget Message

As detailed on the table below, it is recommended that the Village establish an Operating Emergency Reserve in the amount of \$2,500,000, specifically for declared emergencies, community growth, litigation reserves, and revenue volatility. It is also recommended that the Village establish a Working Capital Reserve for \$2,200,000, to fund needed repairs to Village facilities and capital assets. Additionally, \$2,000,000 are proposed as seed funding for the Solar Fund Initiative. Finally, the unassigned balance of \$2,028,510 should be reserved to cover future or unplanned budgetary needs which do not fall under the categories already identified, as determined and approved by Council.

Under the new policy, as illustrated in the table above, total reserves equal \$8,728,510, which accounts for 62% of the total General Fund budget. It is proposed that the remaining balance of \$4,700,000 be allocated to fund needed capital projects, including the wellness center at Coral Reef Park, various traffic calming projects and the multimodal center in the future downtown. More information about these projects is provided in the Capital Improvement Plan section of this budget message.

PROPOSED UNASSIGNED FUND LEVELS		
Category	GFOA Recommendation	Proposed Budget Allocation
Assigned Funds		
Declared Emergencies	\$ 552,000	\$ 650,000
Community Growth	476,000	500,000
Litigation Reserves	200,000	350,000
Revenue Volatility	1,500,000	1,000,000
Asset Repairs or Replacement & Maintenance	2,300,000	2,200,000
Solar Fund Initiative	N/A	2,000,000
Unassigned Fund Balance	N/A	2,028,510
Total Assigned Funds	\$ 5,028,000	\$ 8,728,510
Transfer for Capital Outlay		
Wellness Center (CRP)	N/A	\$ 2,000,000
Traffic Calming Initiatives	N/A	100,000
Multimodal Center	N/A	2,600,000
Total Transfer for Capital Outlay		\$ 4,700,000

Surpluses realized in the General Fund at end of the fiscal year, are to be first allocated to meet the reserve levels set forth in the financial reserve policy. Excess surplus will then be used for capital replacement programs, refinancing of existing debt or cash payments for capital improvement program projects.

This budget, while fiscally conservative, still emphasizes our efforts to streamline government, attract businesses to our community, establish the groundwork for redevelopment and enhance resident engagement. We maintain an incredible bond rating of AA+ specifically as a result of our fiscal philosophy and management. The chart provided below shows the historical budget data for the

Budget Message

past four fiscal years, inclusive of the projected figures for FY 2015-16 based on the revenue projections and the Village's strategic decisions.

General Fund Revenues, Expenditures & Fund Balance

CAPITAL IMPROVEMENT PLAN

On an annual basis, the Village of Palmetto Bay makes an assessment of the its capital needs across all departments to develop an implementation plan for its capital projects. The plan includes a description of the project, along with funding information and projected timeline to start the projects. Projects in the plan are prioritized based on a balance of Village needs and resource availability. All projects are assessed by employing the assessment criteria outlined below, and must fall within at least of one the following categories:

- Improves health and safety
- Supports economic development
- Enhances efficiency
- Mitigates environmental hazard or prevents a potential hazard
- Required to fulfill legal, legislative or administrative mandates
- Preserves existing capital assets

For FY 2015-16, the proposed capital budget is \$19,380,500. The Village will be looking at every grant opportunity possible to fund the projects and defray a portion of these costs.

Budget Message

Capital Improvement Program
FY 2015-16

Appropriated Expenditures	Amount	%
Beautification	\$ 485,000	2.5%
Downtown PB	\$ 11,050,000	57.0%
Equipment	\$ 380,000	2.0%

Taxes/ Other	\$ 2,603,707	13.0%
Total	\$ 19,955,247	100.0%

As illustrated in the graph chart below, capital expenditures in the Village of Palmetto Bay have dwindled significantly since the park system overhaul in 2007 and the Village Hall construction in 2009. The increased capital budget is attributed to various capital projects planned for FY2015-16. Our goal is to begin these projects next year, but we are fully aware that CIP projects may roll over into subsequent fiscal years.

Budget Message

Village of Palmetto Bay Capital Project Expenditures

Although funds for these projects are appropriated in the budget, authorization by the Village Council on the final expense and scope is required before their implementation. Our capital projects include:

1. Wellness Center at Coral Reef Park: the center of approximately 13-15,000 SF, will house classrooms for our park programs, including summer camp, exercise classes and the proposed after-care specialty program. A public process will be followed to finalize size, plans and location. The FY 2015-16 Budget allocates \$2,000,000 for the new facility from fund balance.
2. Multimodal Center in Downtown Palmetto Bay: mixed use parking structure with ground level retail for public and private parking. The facility is slated to be built on land adjacent to Village Hall, which is already owned by the Village. The need for such a facility is evident when other such developments are studied. As the downtown area begins to redevelop, additional parking will be needed in the area. Studies show that this type of development is self-sustaining and it is a profitable venture that will help propel the downtown redevelopment. The Village will aggressively pursue grant opportunities and partnership options to relieve its up-front investment in the project.
3. Traffic Calming: the Village has received numerous requests from residents to implement traffic calming initiatives. However, information from a recently-issued survey shows a mix of responses. Consequently, the Village will be proceeding cautiously and judiciously with traffic calming solutions this year, following strict guidelines aimed to garner support from a large majority of the residents affected. We have augmented the traffic calming budget

Budget Message

by \$100,000, and have earmarked six general areas of concern for the first phase of improvements. In addition, funding has been appropriated for transit improvements, including the purchase of three new commuter buses (I-Bus).

4. Coral Reef Park Improvements: Coral Reef Park is our most popular recreational facility, and it is also the most dated. Although some of its components such as the trail and the tennis center, have been improved, others, like the play fields have not been addressed. Funding has been appropriated in the FY 2015-16 to improve the fields at Coral Reef Park and implement other small improvement projects. Funds are also allocated to enhance the playground with additional play structures.

FY 2014-15 ACCOMPLISHMENTS

Below, is an abbreviated summary of the accomplishments attained by each Village department for the previous fiscal year:

Public Safety

- Achieved one of the best response times to calls for services, both emergency and nonemergency call of all MDPD districts and contracted cities.
- Continued the Community Outreach program providing assistance to homeowners in establishing Citizen Crime Watch programs and residential and commercial security surveys in an effort to further reduce crime.
- Continued the Officer Friendly Program, conduct meetings at all public elementary schools in the Village, and providing classes to 2,400 students addressing Stranger Danger, Bicycle and Pedestrian Safety, Anti-Bullying, Gun Safety, and Police Officers are Your Friend.
- Introduced the DARE program to fifth graders in the Village's public schools. DARE teaches kids how to recognize and resist the direct and subtle pressures that influence them to experiment with alcohol, tobacco, marijuana, and other drugs.
- Provided the radKIDS® Personal Empowerment Safety Education Program to 5-12 year old children.
- The Village Policing Unit continued to address traffic issues with particular emphasis on speeding throughout the Village Limits.
- Achieved second lowest crime rate in South Miami-Dade County:

Municipality	Crime Rates (per 100)
Palmetto Bay	3.7
Pinecrest	3.4
Cutler Bay	4.6
South Miami	5.3
Coral Gables	4.3
Homestead	5.7

Budget Message

Parks & Recreation

- Completed enhancements to all park facilities, which include Thalatta Estate Park, the Edward and Arlene Feller Amphitheater, Coral Reef Park, Perrine Wayside and Palmetto Bay Park.
- Expanded educational programs at Thalatta Estate to include gardening, eco-system lectures and kayaking, and provided 6 new specialty events including Date Night at Thalatta, Yoga and nature photography.
- Introduced new programming at Ludovici Park; i.e., Valentine's Day Movie Night and Open Mic Night, and the Florida Rock Stars concert.
- Organized a total of 34 community events throughout the year, including the annual Village Picnic and the Independence Day Celebration.
- Expanded recreational programming through Baptist Hospital.

Public Works (renamed Public Services)

- Designed beautification project and completed 2 landscape improvement projects along US1.
- Completed Phase V of localized drainage improvements project.
- Established a tree management plan and completed a street tree inventory and updated information in the GIS database.
- Gave away 125 Trees of varying species at the Annual Tree Giveaway Event.
- Accomplished certification for the Village as a 'Tree City USA' Community for the 8th Year and received the Growth Award for the 3rd Year.
- Completed street resurfacing projects, including SW 168th St from to SW 87th CT to SW 94th CT and installation of ADA ramp improvements shallows for Bike Share the Road.
- Completed installation of traffic calming devices.
- Installed new sidewalks, repaired/replaced sidewalks, installed curbing where needed and - upgraded ADA ramps.
- Commenced design of SRTS School Improvements near Perrine Elementary and Coral Reef Elementary with grant funding.
- Transit Circulator Study Completed.
- Co-designated SW 156th ST & 90th AV as Harry Troeger Way.
- Installed GPS devices in all operational Village vehicles.
- Managed ongoing canal maintenance on Village-owned canals.

Planning & Zoning (part of Community & Economic Development Services)

- Completed Evaluation and Appraisal Amendments to the Comprehensive Plan.
- Completed Zoning automation program and updated Eden.
- Processed 3 administrative site plan reviews.

Budget Message

- Completed annual Capital Improvement Plan update and Capital Improvement Element.
- Updated Art in Public Places (AIPP) ordinance to provide for broader representation on the AIPP Board and installed a public art piece at Village Hall Plaza.
- Reviewed 10 site plan applications with approximate development values of \$85,000.
- Held First Annual Art Exhibition with the Perrine Elementary, with works being displayed at Village Hall, and awards ceremony held at Thalatta Estates Park.
- Completed Capacity Study for the Downtown Redevelopment Task Force (DRTF)
- Worked on a regulating plan for the DRTF with outside consultant.
- Mowed and cleared 29 abandoned properties (data reflects first 5 months of fiscal year) and recovered \$13,234 from the Mow and Go program.
- Investigated 197 code complaints, resulting in 150 open code cases, of which 142 were brought into compliance and closed (data reflects first 5 months of fiscal year).

Building & Permitting (part of Community & Economic Development Services)

- Processed 3,850 permit applications (through Aug. 2015)
- Completed 2,883 inspections (through Aug. 2015)
- Oversaw the smooth transition of the Code Compliance Division
- Continued having one of the fastest plan review time in the county
- Organized and conducted 6 presentations of the DRTF
- Organized and held a weekend public workshop on the downtown redevelopment effort
- Assembled the "Downtown Experience" event for more than 800 participants, which included a panel addressing questions from the general public.
- Reduced the fee schedule for building permits, following completion of cost-comparison study
- Successfully completed the 4th year as an enterprise fund with an estimated surplus from FY 2014-15 of \$218,000.
- Assisted in the design of traffic calming initiatives.
- Launched online permit information portal.
- Started weekend code compliance activities.

Human Resources Department

- Processed 28 recruitments, reviewed 231 applications, and processed 33 new hires.
- Provided in-house sexual harassment training to 33 employees.
- Held 3 educational sessions addressing retirement with a combined participation of 138 employees.
- Organized 17 individual retirement meetings.
- Completed Customer Service training for 62 employees.
- Compiled and organized the benefits program for full-time employees, inclusive of medical, dental, vision, medical gap insurance, cafeteria plan, retirement benefits, and supplemental insurance options and conducted open enrollment educational session with all employees.

Budget Message

- Conducted 2 safety meetings and processed 3 worker's compensation cases.
- Organized and held Visioning Session for the Village Council.
- Updated the Village's Vehicle Policy.
- Contracted and organized 4 separate sessions of sexual harassment and diversity training with FIU for all employees.
- Provided training and launched online benefit enrollment program allowing employees to choose their benefits online.
- Completed 4 grant applications, including the General Obligation Bond application to Miami-Dade County for \$7.5 million.
- Completed the Village's first Classification and Compensation plan and implemented plan recommendations.

Finance Department

- Awarded the Distinguished Budget Presentation Award from the Government Finance Officers Association for the FY 2014-15 budget for the tenth year in a row.
- Received the Certificate of Achievement for Excellence in Financial Reporting for the Village's Comprehensive Annual Financial Report for the ninth consecutive year.
- Issued 1,463 checks through July 2015.
- Issued 378 purchase orders and recorded 10,039 cashier transactions.
- Recorded 1,464 alarm calls through July 2015.
- Provided input into the surplus allocation policy.

Office of the Village Manager

- Transitioned to new Village Manager position in April 2015.
- Combined maintenance for better performance and reduced duplicity.
- Moved zoning and code compliance functions to Building and Capital Projects for a simplified permitting process.
- Initiated process to redesign Village webpage.
- Initiated process for updating procurement policies and procedures.
- Started implementation of new traffic calming procedures.
- Initiated random bike patrols at Village parks.
- Expanded community events.
- Oversaw growth of reserves by a projected \$455,509 (projections shows needing \$1.4 million to balance)
- Produced settlement proposal with Palmer Trinity School.
- Completed traffic, regulating plan and market study for downtown project.
- Successfully oversaw communications functions, bringing important news and information to our residents through the Village website, social media and the Village's television station.
- Centralized facilities maintenance into a single division to reduce duplicity.

Budget Message

Office of the Village Clerk

- Attended all meetings of the Council in its legislative and quasi-judicial capacity, to include Regular, Special, Local Planning Agency, Zoning Hearings, and Committee of the Whole, other workshops and sunshine meetings, distributed agenda packages and maintained accurate minutes.
- Prepared electronic versions of the Council meeting agendas for Village Council members and staff.
- Conducted a Special Mail-Ballot Election for the expansion of the Alexander Montessori private school ballot initiative.
- Advertised and posted public notices and updated website content with approved Council legislation, agendas and other public documents.
- Worked with several Council Members, through guidance/review by the Village Attorney, to insure that intentions translate into appropriate law and/or policy legislation.
- Assisted the Village Attorney with drafting of legislation and offering historical information concerning the Village.
- Continued to administer the review of the codification of the Village Charter and Code through contract with Municipal Code Corporation.
- Continued to provide assistance to all Departments and the Council concerning information technology needs.

Office of the Mayor, Vice Mayor & Village Council

- Accepted an update to the Stormwater Master Plan in order to insure focus on priority areas.
- Amended policy to ensure that Sunshine notices would be provided to the public and directly to the members of Council, allowing proper and legal attendance at events without limitation.
- Repealed the resolution that hindered the installation of traffic calming devices due to cumbersome notification methods so that efforts could be made to insure safe travel on Village's roadways.
- Started process to develop a five-year strategic plan.
- Joined with several municipalities to support the development of the Ludlam Trail as a linear park.
- Provided funding support for the 2015 American Cancer Society "Relay for Life" event.
- Extended the agreement with the Miami-Dade County School Board to continue to outstanding partnership between the Village and Miami Palmetto Senior High School to allow the high school baseball team to continue to call the diamond at Coral Reef Park its "home field".
- Successfully negotiated new Village Manager contract.
- Supported the expansion of Metrorail south to Florida City to assist the community and, in turn, improve the economy of south Miami-Dade County.
- Joined with Miami-Dade County to request the State of Florida provide funding to the County for connectivity of existing trails throughout the South-Dade community.
- Approved the request to place a temporary fire rescue facility at 144 Street and 70 Avenue in order to allow for service while the construction of a permanent station is pending.

Budget Message

- Urged neighboring cities of Pinecrest and Cutler Bay to resist up-zoning or re-zoning properties in residential areas that may create unnecessary increases to traffic.
- Amended the Village’s Comprehensive Plan’s Goals, Objectives, and Policies to insure that this guiding policy document that governs land use development, concurrency, and levels of service standards accurately reflects the Village’s direction.
- Amended the Ordinance governing the Art in Public Places Board to encourage board membership by allowing broader eligibility standards.
- Amended golf cart use ordinance to encourage operation of fuel-efficient, environmentally friendly transportation and eliminated redundant and/or conflicting language in the registration process.
- Created standards and criteria for the establishment of new advisory boards to encourage public participation and to seek input from residents concerning several aspects of Village government.
- Approved the amended Building Permit fee schedule with lower fees for building permits.

CONCLUSION & ACKNOWLEDGEMENTS

The theme this year is “New Beginnings.” As the Village Manager, I am incredibly humbled to have been chosen to lead the professional staff this organization is fortunate to have. As we say goodbye to our retired Village Manager, Ron Williams, we acknowledge the accomplishments of his tenure as he saw the birth and growth of this Village. We now are in the midst of transition as our Commander Greg Truitt retires in September. His professionalism, helpful demeanor, and dedication to the Village will be missed. I would like to thank them both for their commitment to make this community even better than it already is.

We are finally rebounding from the economic downturn, and we can embrace a promising future and realize the full potential of this community. This is an exciting time for Palmetto Bay. Under the leadership of our Mayor & Council, we can move the Village forward with a fresh new perspective and a new beginning intended to cement the financial stability of our municipality. We have chosen to live in Palmetto Bay for its strong residential character, awesome parks, great schools, and a potential business district along our commercial corridor that will provide the financial support to continue our efforts of enhancing the quality of life for all residents.

This year, the Village is moving forward with an aggressive agenda focusing on service delivery and fiscal efficiency that will effectively address the needs of the residents and the concerns of the Village Council. The FY 2015-16 Budget serves as the financial blueprint to attain our goals for the coming year. Once the strategic plan has been completed, the Village will remain committed to uniformly uphold and plan for the priorities identified in the plan. Our commitment this year, is that our outstanding staff will not only continue to deliver the quality services that the residents and the Village Council expects, but also improve upon the level that has been established.

Budget Message

My sincere appreciation goes to our Mayor, Vice Mayor, Councilmembers, and our Village Staff for outstanding efforts and specifically to Desmond Chin, Meighan Alexander and Olga Cadaval who provided their undivided assistance and guidance during this budget process.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Edward Silva', with a long horizontal flourish extending to the right.

Edward Silva

BUDGETARY & FINANCIAL POLICIES

Budgetary & Financial Policies

ANNUAL BUDGET PROCEDURES

The annual budget procedures the Village follows are a result of the requirements of Florida Statute Chapter 200.65 known as TRIM (truth in millage) and the Village Charter.

TRIM:

The Village is required to hold two public hearings for adoption of a property tax rate and budget. The first public hearing is advertised by the Property Appraiser mailing to each property owner a TRIM notice. In addition to notification of this first public hearing, the TRIM notice contains the following information:

1. Prior year millage rate.
2. Current year proposed millage rate.
3. Current year rolled-back rate.
4. The date, time and meeting place of the Tentative Budget Hearing.

The second public hearing is advertised by means of a ¼ page newspaper advertisement. Accompanying this advertisement is a summary of the revenues and expenditures contained within the budget tentatively approved at the first public hearing.

THE VILLAGE CHARTER:

Section 3.3 (5) requires the Village Manager to prepare and submit to the Council a proposed annual budget and capital program.

Section 4.5 sets the criteria for the adoption of the budget as follows:

4.5 (A) Balanced Budget. Each annual budget adopted by the Council shall be a balanced budget and adopted in accordance with Florida law.

4.5 (B) Budget Adoption. The Council shall by ordinance adopt the annual budget on or before the thirtieth (30th) day of September of each year. If it fails to adopt the annual budget by this date, the Council may by resolution direct that the amounts appropriated for current operations for the current Fiscal Year shall be deemed adopted for the ensuing Fiscal Year for a period of fifteen (15) days and renewed by resolution each fifteen (15) days, with all items in it prorated accordingly, until such time as the Council adopts an annual budget for the ensuing Fiscal Year. An ordinance adopting an annual budget shall constitute appropriation of the amounts specified therein.

4.5 (C) Specific Appropriation. The budget shall be specific as to the nature of each category of appropriations therein. Reasonable appropriations may be made for contingencies, but only within defined spending categories.

Budgetary & Financial Policies

Section 4.6 defines the Fiscal Year as follows:

The fiscal year of the Village government shall begin on the first day of October and shall end on the last day of September of the following calendar year. Such fiscal year shall also constitute the annual budget and accounting year.

Section 4.7 describes the circumstances under which the budget may be adjusted.

4.7 (A) Supplemental Appropriations. If, during any Fiscal Year, revenues in excess of those estimated in the annual budget are available for appropriation, the Council may by ordinance make supplemental appropriations for the fiscal year up to the amount of such excess.

4.7 (B) Reduction of Appropriations. If, at any time during the fiscal year, it appears probable to the Village Manager that the revenues available will be insufficient to meet the amount appropriated, she/he shall report in writing to the Council without delay, indicating the estimated amount of the deficit, and his/her recommendations as to the remedial action to be taken. The Council shall then take such action as it deems appropriate to prevent any deficit spending.

BUDGET AMENDMENTS:

The Village of Palmetto Bay has a legal level of budgetary control at the fund level. The legal level of budgetary control is the level at which Council approval is required to amend the budget. Department directors may reallocate funds within their department with the Village Manager's, or his designee's, approval. Reallocation of funds between departments is authorized by the Village Manager. Budget amendments at the fund level require an ordinance and are done mid and end of year if necessary.

Budgetary & Financial Policies

BUDGET CALENDAR

Budgetary & Financial Policies

BUDGET AND ACCOUNTING BASIS

The basic building block of governmental finance is the "fund". Generally accepted accounting principles (GAAP) provides the following definition of a fund:

A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The Village of Palmetto Bay uses two Governmental funds, the General Fund and Special Revenue Fund. The General Fund or Operating Fund, as it is generally referred to, accounts for traditional governmental services such as Police, Park and Recreation and the administrative departments. Revenues such as property taxes, State taxes, and charges for services are also recorded in the General Fund. The General Fund is the only fund for which a budget is adopted.

The Special Revenue Funds are used to account for revenues or grants that are for a specific purpose. The Village is currently using the fund to account for capital projects, Art-In-Public-Places, park improvements, Public Works operation and transportation improvements, Transit, Stormwater Utility, and public safety. The financial statements presents the Special Revenue funds as four categories, Grants, Transportation, Stormwater and Other. The Capital Projects is presented as a separate fund in the financial statements. A capital outlay (expenditure) is an asset which has a value of \$1,000 or more, and has a useful economic life of more than one year; or assets of any value if the nature of the item is such that it must be controlled for custody purposes as a fixed asset. The budget presented in the Special Revenue section is for planning purposes only.

The Village uses the modified accrual basis for both budgeting and accounting. The modified accrual basis is the recognition of revenues when they become available and measurable. Expenditures are recognized in the period goods and services are received or when liabilities have been incurred. Fund Balance is any excess of assets over liabilities for a fund. A negative fund balance is sometimes called a deficit.

Budgetary & Financial Policies

FINANCIAL POLICIES

The following policy statements are the basis of the daily operations of the Village of Palmetto Bay. The financial policy statements establish the rules by which the budget is implemented and monitored.

OPERATING BUDGET POLICIES

- The Village will pay for all current expenditures with current revenues. The Village will avoid budgetary procedures that balance current expenditures at the expense of future years, such as postponing expenditures, underestimating expenditures, or overestimating revenues to balance the budget. Florida Statute requires all municipalities to adopt a budget that is balanced which means the amount available from taxation and other sources, including balances brought forward from prior fiscal years, must equal the total appropriations for expenditures and reserves.
- The budget will provide for adequate maintenance and repair of capital assets and for their orderly replacement.
- The budget should be maintained to ensure compliance with the adopted appropriations.
- The Village will prepare quarterly budget to actual reports.

CAPITAL IMPROVEMENT PROGRAM (CIP) POLICIES

- The CIP will be reviewed every year as part of the budget process.
- A capital budget will be presented based upon the Capital Improvement Element of the Comprehensive Master Plan.
- Any operating costs associated with a capital improvement will be budgeted in the operating budget of the department responsible for its operation.
- The CIP is to be funded where possible by local, state and federal assistance.

DEBT POLICIES

- The Village shall incur no debt unless the incurrence of such debt is approved by a majority of the Council. Any General Obligation debt must be approved by the voters.
- The legal debt limits are set as follows:
 - Non-Ad Valorem Revenues (average of actual receipts over the prior two years) must cover projected maximum annual debt service on debt secured by and/or payable solely from such Non-Ad Valorem Revenue by at least 150%; and
 - Projected maximum annual debt service requirements for all debt secured by and/or payable solely from such Non-Ad Valorem Revenue will not exceed 20% of

Budgetary & Financial Policies

Governmental Fund Revenues (defined as General Fund, Special Fund, Debt Service Fund, and Capital Projects Fund), exclusive of Ad-Valorem revenues restricted to payment of debt service on any debt and any debt proceeds, based on the audited financial statements (average of actual receipts over the prior two years).

- For purposes of the foregoing, “maximum annual debt service” means the lesser of the actual maximum annual debt service on all debt or 15% of the original par amount of the debt, in each case, secured by Non-Ad Valorem Revenues.

REVENUE POLICIES

- The Village will be conservative, objective and analytical when estimating its annual revenues.
- The Village will diversify its revenue streams to the fullest extent within state and local laws, to minimize the effects of short term fluctuations in any one revenue source.
- Non-recurring revenues will not be used to balance the General fund budget.

RESERVE POLICY

- The Village will maintain at least two million five hundred thousand (\$2,500,000) in unreserved fund balance for disasters, unanticipated non-recurring expenditures, or expenditures approved by the Village Council.

INVESTMENT POLICIES

- The Village will invest idle cash in conformity with Florida Statutes 218.415 (17).
- Cash will be invested to provide cash flows sufficient to meet expenditures, while maximizing safety, liquidity and return, in order of priority.

ACCOUNTING, AUDITING AND FINANCIAL REPORTING POLICIES

- The accounting system will maintain records on a basis consistent with Generally Accepted Accounting Principles applicable to local government.
- Quarterly and annual financial reports will present a summary of financial activity.
- An annual audit of the Village’s financial statements will be done by an independent public accounting firm.

PURCHASING POLICIES

- Purchases will be made in accordance with municipal policies and procedures per Ordinance 03-09 and amended by Ordinance 07-02.
- Purchases will be made in an impartial and competitive manner.

VILLAGE PROFILE

Village Profile

ABOUT PALMETTO BAY

The Village of Palmetto Bay is a vibrant community of more than 23,800 residents who enjoy its beautiful surroundings and family-oriented atmosphere. Situated immediately west of beautiful Biscayne Bay, Palmetto Bay offers unique recreational opportunities and bay access for all to enjoy! Additionally, the Village is home to excellent public schools, all of which have annually earned the grade "A" under the State of Florida's A+ Plan, as well as exceptional private schools.

Village residents enjoy the benefits of an extensive park system composed of five Village-operated park facilities offering myriad of opportunities ranging from active to passive, recreation to preservation, ground activities to water recreation, and an outstanding view of Biscayne Bay. Its commercial corridor along South Dixie Highway is easily and quickly accessible from any location within Village limits. Restaurants, lodging and markets are a few of the service industries available to our residents and visitors.

Incorporating on September 10, 2002, the Village of Palmetto Bay is the 33rd municipality in Miami-Dade County. The Village extends from the centerline of S.W. 136th Street, south to the centerline of S.W. 184th Street, expanding west to the centerline of South Dixie Highway, including the center-island, and east to Biscayne Bay.

VILLAGE BOUNDARIES

Northern Boundary	Centerline of SW 136 Street and the City of Coral Gables and the Village of Pinecrest
Eastern Boundary	City of Coral Gables and Biscayne Bay
Southern Boundary	Centerline of SW 184 Street and the Town of Cutler Bay
Western Boundary	Centerline of US1 from SW 136 Street, southwesterly to SW 160 Street, then to the centerline of southbound US 1 from SW 160 Street to SW 184 Street.

*does not include seasonal positions for Summer Camp; detail provided in Parks & Rec. section.

**position first included in Staffing Summary for FY 2015-16

Staffing Summary

Staffing Summary Changes (from FY2014-15 Adjusted to FY 2015-16 Proposed):

- Building & Capital Projects; formerly Building and Permitting.
- Planning & Zoning and Building & Permitting fall under Community & Economic Development Department.
- Public Services Department; formerly Public Works Department.
- Transferred Communications Manager position from Village Manager to Human Resources.
- Transferred TV & Camera Tech. position from Village Manager to Human Resources.
- Added one part-time Business Partner Liaison position in Village Manager’s office.
- Eliminated Administrative Assistant position in Planning & Zoning.
- Added one part-time Public Information Specialist position in Human Resources.
- Added two part-time Park Service Aide positions in Parks & Recreation.
- Added one full-time Grounds Maintenance Worker position in Public Services.
- Eliminated one full-time Building & Capital Director position in Building & Permitting.
- Reassigned the Chief Building Inspector position to Building Official in Building & Permitting.

Personnel Changes

Note: increase in contractual staff for FY2015-16 attributed to the inclusion of the Village Attorney position in the Staffing Summary.

Revenue Description

GENERAL FUND REVENUES

TAXES

- **Ad Valorem Taxes**

Ad Valorem (at value) taxes represent a levy on assessed real property. The taxable value is the assessed value less homestead and other exemptions, if applicable. The County Property Appraiser delivers the Certified Taxable Value (the total assessed value of the non-exempt property) on or before July 1st of each year. Prior to that date, the Village is provided with estimates of the value.

The total assessed value changes continuously after July 1st due to assessed valuation appeals and other adjustments such as discounts for prompt payment. Because of the potential for reductions in ad valorem collections, local governments budget ad valorem revenues at 95% of the calculated amount.

The Village Council determines the millage applied to the assessed taxable value. A mill is a taxation unit equal to one dollar of tax obligation for every \$1,000 of assessed valuation of the property.

OTHER TAXES

- **Franchise Fees**

Franchise Fees are charged to service providers for an exclusive or non-exclusive right to operate within the municipal boundaries of the Village. The charge is levied on a percentage of gross receipts basis.

- **Electric Franchise Fees**

The largest of the franchise fees is the electric franchise fee collected from Florida Power & Light. The Village is eligible to receive electric franchise fees under the County's franchise agreement. The revenue is paid to the County and remitted to the Village once a year in September. The budget is based on the estimated amount collected for the prior year.

- **Utility Taxes**

The Village levies and imposes on every utility service purchase within the Village, included in or reflected by any invoice rendered by the seller to the purchaser. The amount of public service tax shall be 10% of the total amount shown on the invoice.

General Fund

- **Electric Utility Taxes**

Florida Power & Light (FP&L) is the sole provider of electricity within the Village of Palmetto Bay's boundaries. Due to arrangements made between the County and FP&L prior to the Village incorporating, the County still collects the tax and submits it to the Village each month after collection. The budget is based on the estimated amount collected for the prior year.

- **Gas Utility Taxes**

AGL Resources Inc. DBA Florida City Gas is the current natural gas provider within the Village's boundaries. Propane and liquid petroleum is provided by various suppliers. The taxes collected are submitted directly to the Village. The budget is based on the estimated amount collected for the prior year.

- **Water Utility Taxes**

Miami-Dade County provides water service for the Village of Palmetto Bay. Any taxes collected from within the Village's borders are submitted to the Village. The budget is based on the estimated amount collected for the prior year.

- **Unified Communications Service Tax**

The Unified Communications Service Tax represents taxes on telecommunications, cable, direct-to-home satellite and related services. Fees are collected by the State and remitted to local government. The Village receives this revenue directly from the State. The budget is based on state estimates.

LICENSES & PERMITS

- **Local Business Tax Licenses (formerly Occupational License)**

The County requires all businesses to obtain a countywide local business tax license and a municipal license (including UMSA) in order to operate a business. Countywide license fees are shared with municipalities based on a formula that includes population. The Village will also collect a municipal local business tax license fee equal to that previously paid the County. The budget is based on the estimated amount collected for the prior year.

General Fund

INTERGOVERNMENTAL REVENUE

- **Local Government 1/2 Cent Sales Tax**

Created in 1982, this tax generates the largest amount of revenue for local governments among the state-shared revenue sources. It distributes net sales tax revenue to municipalities based on a strict allocation formula. The budget is based on estimates provided by the State.

- **State Revenue Sharing**

State revenue sharing is provided to local municipalities by the State based on a predetermined allocation methodology. The budget is based on estimates provided by the State.

- **Alcoholic Beverage Fees**

A portion of the annual State license tax levied on manufacturers, distributors, vendors, brokers, sales agents, & importers of alcoholic beverages & collected within a municipality is shared with the local government in the form of Alcohol License revenues. The budget is based on the estimated amount collected for the prior year.

FINES & FORFEITURES

- **Fines & Forfeitures – Police**

The Village is entitled to a portion of fines imposed for traffic & other violations & forfeitures of impounded property from criminal arrests. The budget is based on the estimated amount collected for the prior year.

- **Fines - Code Enforcement**

Collected from the fines imposed for code related violations. The budget is based on the estimated amount collected for the prior year.

CHARGES FOR SERVICES

- **Park Rentals**

Revenues received from the various park facility rentals and summer camp programs.

General Fund

FUND BALANCE

The Village is estimating the ending General Fund balance for FY2013 at \$13,027,602. The fund balance for governmental funds can be reported in five components depending on the source of the fund balance. The five components are:

- **Non-spendable** – Assets that are inherently non-spendable, such as inventory or long term receivables. The Village has no funds in this category.
- **Restricted** - Externally enforceable limitations on use, such as grants or imposed by law. There are no funds in this category.
- **Committed** – Self-imposed limitations, usually set by the highest level of decision making that requires formal action at the same level to remove. The Village has \$2,758,393 in this category for declared emergencies established by Council resolution. The increase is from interest earned.
- **Assigned** – A limitation resulting from intended use. The intended use is usually established administratively. The Village has \$100,000 in this category for capital equipment replacement established by Administration. The increase is from administration's desire to accumulate funds for equipment replacement.
- **Unassigned** – Any part of total Fund Balance that has not been designated as part of any of the four previous categories. The Village has an estimated \$10,886,408 in this category, primarily resulting from annual surpluses in the operating budget. Under the new surplus policy, this figure would be distributed among other specific categories within the fund balance.

OFFICE OF THE MAYOR & VILLAGE COUNCIL

Office of the Mayor & Village Council

FUNCTION

The Village of Palmetto Bay operates under a Council-Manager form of government. The Village Council serves as the legislative body of the Village, and consists of five members including the Mayor, Vice-Mayor, and three residential Council members. The Village Council acts as the decision-making entity that establishes and is responsible for enacting legislation, adopting the Village budget, and establishing policies for the operation of the Village government and the delivery of municipal services. The administrative operations of the Village are executed by the Village Manager in accordance with the Council's directives. Additionally, the Council is responsible for the hiring of the three chartered positions which include the Village Manager, the Village Clerk and the Village Attorney.

As the presiding officer of the Village, the Mayor serves as head of the Village government for all ceremonial purposes, purposes of military law, and for service of process. The Mayor is the official representative of the Village in all dealings with other governmental entities. The Village Council is committed to providing exceptional professionalism in government and the highest quality in the delivery of services, which are reflective of the community's priorities.

OFFICE OF THE VILLAGE MANAGER

Office of the Village Manager

FUNCTION

The Village Manager is one of three Chartered positions in the Village Administration as established by the Village Charter. The Village Manager is appointed by the Council and serves as the chief administrative officer of the Village. The Manager is accountable to the Council and is responsible for carrying out policies adopted by the Council. The Village Manager attends all Council meetings and may participate in discussion and provide guidance as appropriate. The Manager is authorized to execute contracts and other documents on behalf of the Village as directed by Council, and to that extent, the Village Manager is responsible for administering all Village contracts and coordinating Council directives and policies regarding consultants and advisors. Additionally, the Village Manager is responsible for the hiring and termination of all Village employees, subject to authorization for new employee positions contained in the adopted annual budget, the availability of funds and any direction given by the Council.

GOALS

- Establish a municipal environment that promotes efficiency and excellence in community service through the retention of qualified employees and contracting of specialized consultants.
- Ensure the highest degree of customer service and assistance to all Village residents and visitors.
- Provide strategic direction to all Village departments and consultants promoting the directives of the Council and focusing on sound fiscal management.
- Ensure that Village-wide capital projects are completed as scheduled and on budget.
- Collaborate with county and other municipal governments on initiatives that promote the priorities of the Village.
- Secure higher levels of funding for Village-wide projects.
- Maintain open lines of communication with the Village Council concerning all Village projects.
- Ensure the dissemination of accurate news and information concerning Village matters to the Council, Village residents and the general media.
- Manage the Village budget in a fiscally-responsible manner.

FY 2015-16 OBJECTIVES

- Ensure the recruitment of qualified personnel and minimize turnover rates of existing employees by supporting the Human Resources functions.
- Hold staff meetings as required to provide and receive open communications.
- Schedule monthly Council-action meetings to discuss Council directives and provide staff assignments.

Office of the Village Manager

- Accomplish the goals of the legislative agenda.
- Implement Strategic Plan recommendations and objectives.
- Manage the Capital Projects Program.

- Reserve for Contingencies is a line item in the General Government budget.

Village of Palmetto Bay
Operating & Capital Budget
Fiscal Year 2015-16

OFFICE OF THE VILLAGE CLERK

Office of the Village Clerk

FUNCTION

The Village Clerk is one of the three Chartered positions in the Village Administration as established by the Charter. The Village Clerk is appointed by the Village Council and serves as the corporate secretary to the Village Council, the Local Planning Agency, the Palmetto Bay Foundation, the Charter Revision Commission, and various other Boards/Committees, as directed by the Council. In this capacity, the Clerk coordinates the preparation of meeting Agendas with the Village Manager's office and provides notice of all Council and Commission meetings to the Mayor and Council and to the public, maintaining accurate records of all proceedings in the form of written minutes, notes and/or audio/visual recordings. In addition, the Clerk is the custodian of the Village seal, serves as the Supervisor of Elections for Palmetto Bay, serves as the Records Management Liaison Officer, and is the coordinator for Financial Disclosures with the Florida Commission on Ethics. Additionally, the Clerk maintains custody of the Village's Public Records and implements a records management program that abides by the Florida Public Record Laws and the Department of State mandated records schedules. The Clerk also acts as the Coordinator for the Information Technology function.

GOALS

- Distribute Agenda packets of all Regular, Special, Local Planning Agency, Zoning Hearings, and Committee of the Whole (and other workshops) to the Village Council in a timely manner.
- Attend all meetings held by the Village Council in its legislative and in its quasi-judicial capacity and take accurate minutes.
- Serve as the Supervisor of Elections for the Village, ensuring that all notices and filings are prepared and received in accordance with appropriate law.
- Advertise and post all notices of public proceedings as required by law and provide important information and updates to the website.
- Attend all Sunshine meetings of the Village Council and take notes of same.
- Maintain an organized public records management system, utilizing document imaging as appropriate, in order to provide public records in a timely and reasonable manner.
- Stay abreast of the innovative and emerging communication methods, techniques and technologies.
- Represent the Village in various business association groups, including the Miami-Dade County Municipal Clerks Association.
- Continue to administer the review of the codification of the Village Charter and Code through contract with Municipal Code Corporation.
- Provide timely information to other organizations, agencies, Village residents, and the general public.
- Continue to provide assistance to all Departments and the Council concerning information technology needs.

Office of the Village Clerk

FY 2015-16 OBJECTIVES

- Continue to provide the Village Council, Manager, and Attorney with complete agenda packets in accordance with the seven-day provision, and maintain accurate Minutes of the Council proceedings and other Sunshine meetings, as required by the Village Charter and State law.
- Schedule meetings and review/research several Ordinances with the Village Attorney and Village Manager to determine whether revisions to ordinances are necessary.
- Assist the Village Attorney in drafting various legislative documents, as directed by Council.
- Timely and accurately publish all legally-required and/or courtesy notices of Village meetings and/or functions.
- Continue to provide public records to requestors through coordination with the various municipal departments in order to ensure that records are timely and reasonably provided.
- Assist the Charter Revision Commission and insure that the efforts of the Charter Revision Commission are accurately and timely provided to Council in order to provide accurate ballot language (working with the Village Attorney), so that it may be properly provided to the Miami-Dade County Elections Department, following Council approval.
- Provide refresher training to the Village clerical staff to insure a complete understanding of Public Record law – retention and disposition.
- Work with and coordinate the schedules of meetings for the new advisory committees that are forthcoming.
- Through the use of a help desk, continue to assist employees with their computer challenges and/or coordinate with the Village's IT Consultant in order to minimize reduction of productivity.

TOTAL VILLAGE CLERK	\$ 207,051	\$ 294,192	\$ 290,049	\$ 229,850

Budget Notes:

- Reserve for Contingencies is a line item in the General Government budget.
- Ordinance Codification: Codification of the Village Ordinances is required in order to publish the Ordinances of the Village in an indexed, concise manner for clarification and ease of use by Village staff, Council and the public.
- Legal Advertisement: Florida Statute, Section 286.011, otherwise known as the "Sunshine Laws", requires that notices of Council meetings be provided in a manner that effectively informs the public of the date, time and locations of Council and special meetings. Notices of meetings are normally advertised in the Thursday edition of the Miami Herald Newspaper "Neighbors" section. An increase in this fund has been budgeted to cover the additional cost to advertise the regular Committee of the Whole meetings.
- Election Costs: Overall decrease in total budget attributed to no election costs for the year.

Village of Palmetto Bay
Operating & Capital Budget
Fiscal Year 2015-16

OFFICE OF THE VILLAGE ATTORNEY

Office of the Village Attorney

FUNCTION

The Village Attorney is appointed by the Village Council in accordance with the Village Charter. The Village Attorney prepares and reviews ordinances, resolutions, contracts, bonds and other written instruments as directed and endorses approval of the documents as to form, language and execution thereof. When required by Council, the Village Attorney prosecutes and defends, for and on behalf of the Village, all complaints, suits, and controversies. The Village Attorney provides legal advice and consults with the Council on legislative, quasi-judicial, administrative, proprietary, employment and other governmental matters, attending meetings, preparing ordinances, resolutions and contracts, rendering legal opinions, negotiating other interlocal government agreement with Miami-Dade County as required under Article IX of the Village Charter, and assisting in securing revenues from taxes, fees, fines and forfeitures.

GOALS

- Endeavor to always provide the highest quality legal services to the Village.
- Vigorously maintain professional independent judgment and adhere to a high standard of ethics.
- Ensure that the legal process remains a-political and provide the Village with clear and useful legal advice. In providing legal advice, the main objectives shall be to aid the Village in accomplishing its legitimate objectives and to avoid legal trouble.
- Assist the Village in implementing the ordinances, resolutions, contracts, and interlocal agreements necessary to assist the Village Manager establish the daily operations, functions, tax base, and code of ordinances for the Village, including a land development code tailored to the needs of the Village.

FY 2015-16 OBJECTIVES

- Assist departments in uniformly coordinating inspections and enforcement of all Village ordinances relating to rights-of-way, storm water, and code compliance.
- Assist the Village in the negotiation and preparation of all agreements, contracts, grant applications and other applications as required by the Village.
- Finalize all ordinances, agreements, and resolutions necessary for the operation of all Village departments.
- Successfully defend all litigation relating to pending zoning items.
- Assist newly elected officials to obtain Sunshine, Ethics, Public Records and Code of Conduct training.

DEPARTMENT OF HUMAN RESOURCES

Department of Human Resources

FUNCTION

The Department of Human Resources functions as an administrative and advisory department concerning matters related to personnel. The Department is primarily responsible for the recruitment and retention of qualified employees, the administration of compensation and benefits, training and professional development, employee relations, and compliance with regulatory state and federal laws related to labor.

GOALS

- Maintain a qualified workforce by offering competitive benefits and providing opportunities for professional development.
- Implement a fair and competitive compensation program.
- Ensure compliance with applicable personnel and labor laws and regulations.
- Support the policies established in the Policies and Procedures Manual.
- Promote a safe and pleasant work environment.
- Advise Village departments of newly adopted labor policies and procedures to ensure compliance.
- Provide Village employees with continued in-service programs and wellness activities intended to enhance professional growth and employee efficiency.

FY 2015-16 OBJECTIVES

- Augment and conduct the supervisory training program and provide other training opportunities that enhance the employees' knowledge, skills, abilities and competencies.
- Manage the Employee Safety Program.
- Conduct a benefit assessment and comparison study.
- Complete update of the Personnel Policies and Procedures Manual.
- Launch SMILE program to reinforce a higher level of customer service in the Village.
- Implement internship program for college students.
- Implement wellness initiative to reduce healthcare costs and maintain a healthy workforce.
- Provide guidance and assistance to supervisors to ensure that Village policies are strictly followed and uniformly applied.
- Capitalize on grant opportunities to fund Village projects.
- Oversee and manage communications to increase public knowledge of Village programs and operations and to serve as a marketing tool for the Village.
- Launch public outreach module on the Village website and catalog individual agenda items for easier access to specific video segments of a Council meeting.

Less: Ad-Valorem	5,446,839	5,528,940	5,555,032	5,787,708	5,950,944
Total Non-Advalorem Revenues	8,052,778	8,175,717	8,414,932	8,229,221	8,237,289
Essential Services Expenditures					
General Government	4,184,837	4,382,364	4,085,696	4,423,211	5,334,165
Public Safety	5,960,182	5,972,398	6,570,600	7,064,979	7,101,950
Total Essential Services Expenditures	10,145,019	10,354,762	10,656,296	11,488,190	12,436,115
Adjustment for essential services expenditures	5,446,839	5,528,940	5,555,032	5,787,708	5,950,944
Adjusted Essential Services Expenditures	\$4,698,180	\$4,825,822	\$5,101,264	\$5,700,482	\$6,485,171
Legally Available Non-Ad Valorem Revenues	\$3,354,598	\$3,349,895	\$3,313,668	\$2,528,739	\$1,752,118
Debt Services paid from Non-Ad Valorem	\$999,920	\$999,920	\$999,920	\$999,920	\$999,920
Required Debt Service ratio	150.00%	150.00%	150.00%	150.00%	150.00%
Current Debt Service ratio based on prior two years	495.05%	364.77%	335.25%	333.20%	292.14%
Maximum Allowable Annual Debt Serv. (20% of Revenues)	\$2,699,923	\$2,740,931	\$2,793,993	\$2,803,386	\$2,837,647

The Village of Palmetto Bay has two bonds funded from Non Ad-Valorem revenue and one funded from the County's Citizen Independent Transportation Trust, and discussed in the Special Revenue section. The two General Fund Non Ad-Valorem bonds are (1) \$1,495,000 issued in 2005 for 30 years for the construction of a library, community center and park, with an outstanding balance as of September 30, 2014 is \$1,240,000; (2) \$14,780,000 issued in 2010, amortized over 30 years. The bond refinanced the \$6,000,000 issued in 2006 for 15 years for the renovation of Village parks and construction of the library. The \$2,500,000 issued in 2009 for 10 years for the purchase of land for Village Hall, and \$5,500,000 to build a new, LEED platinum-certified Village Hall. The outstanding balance as of September 30, 2014 is \$13,665,000.

The Village of Palmetto Bay's legal debt requirement stipulates that Non Ad-Valorem revenues cover 150% of the maximum debt service, which would be \$1,499,880. The Village currently has legally available Non Ad-Valorem revenues totaling \$1,752,118, which is \$252,238 more than the legal debt requirement. The second requirement stipulates a maximum debt service limit of no more than 20% of Non Ad-Valorem revenues, which is \$1,647,457, as compared to a maximum debt service of \$999,920 or 12%.

Palmetto Bay Policing Unit

FUNCTION

The Palmetto Bay Policing Unit was developed through an interlocal agreement between the Village of Palmetto Bay and Miami-Dade County. The Department officially began its operations with the Village on July 14, 2003. Charged with the primary responsibility to protect, the Department is fully committed to ensuring the safety and well-being of the Palmetto Bay community, emphasizing community-oriented policing and traffic safety. The Department is responsible for maintaining order and providing for the safe and expeditious flow of residents and visitors upholding the values of integrity, respect, service, and fairness. The daily operations and administration of the Department are overseen by the Village Police Major with the assistance of a Police Lieutenant.

GOALS

- Continue to evolve the Community Outreach programs.
- Continue to present programs crime prevention and safety to children attending schools and park programs in the Village.
- Identify hazardous streets and address traffic issues with particular emphasis on speeding throughout the Village limits.
- Increase police presence in the Village parks.
- Reduce targeted crimes in the Village.

FY 2015-16 OBJECTIVES

- Provide timely notification of Crime Trends and Crime Prevention information through the Village website, E-Currents and local publications.
- Provide the security surveys of residences and businesses within the Village.
- Continue to assist neighborhoods in organizing the respective areas into Crime Watch Neighborhoods with the assistance of the Miami-Dade County Crime Watch program.
- Provide D.A.R.E., Officer Friendly and radKIDs programs at schools and parks within the Village.
- Seek voluntary compliance to traffic laws through education and enforcement in an effort to reduce the number of traffic violations and vehicle crashes in the Village limits.
- Deploy Unit officers on bike and foot patrol during peak hours at Village parks and during special events.
- Deploy proactive and reactive patrols to reduce crimes in the Village and apprehend the offenders committing them.

- Proposed reserve/ surplus policy for future years allocates up to a maximum of \$300,000 for police services.

Village of Palmetto Bay
Operating & Capital Budget
Fiscal Year 2015-16

**DEPT. OF COMMUNITY &
ECONOMIC DEVELOPMENT-
PLANNING & ZONING**

Dept. of Community & Economic Dev.- *Planning & Zoning*

FUNCTION

Planning & Zoning falls under the auspice of the Community & Economic Development Department, working in conjunction with the Building & Permitting division to ensure a higher degree of customer service and enhance operations with respect to the permitting process. Planning and Zoning is responsible for providing technical and professional recommendations to ensure strict adherence to the Village's Comprehensive Plan, Land Development Code, and any other concurrency regulations. The goal of the Planning and Zoning Division is to ensure that the planning and zoning needs of residents are met in a timely and efficient manner through a cost-effective process. Additionally, the division implements and oversees economic development initiatives as the Village embarks on redeveloping its downtown area and attracting investment and new businesses to the area.

GOALS

- Implement the Comprehensive Plan EAR Based Amendments and the adopted Village of Palmetto Bay Comprehensive Plan.
- Administer zoning regulations in accordance with the Land Development Code.
- Implementation downtown area regulations to promote sustainable economic development in the area.
- Review building permits for compliance with the Land Development Code.
- Administer the Certificate of Use program and the Business Tax Receipt program.
- Coordinate preparation of the Capital Improvement Plan and Capital Improvement Element.
- Maintain and keep current the Land Development Code.
- Continue to administer the permit process for sidewalk cafes and garage sales.
- Expand the GIS capabilities by adding new data and layers to the system to allow for updated and accurate information pertaining to the location of basic infrastructure.
- Administer the Art-in-Public-Places and the Historic Preservation Programs.

FY 2015-16 OBJECTIVES

- Initiate update to the Data Inventory and Analysis (DIA) of the Village's Comprehensive Plan
- Initiate update Goals Objectives and Policies based on the findings of DIA, other public outreach, and Strategic Plan
- Complete update to annual Capital Improvement Plan and the annual Capital Improvement Element
- Update sign code related to special event signs
- Update sign code to provide for school signage options
- Update Substantial compliance code

Dept. of Community & Economic Dev.- *Planning & Zoning*

- Update parking Code to provide flexible parking options
- Implement mural review ordinance
- Conduct Second Annual Art Exhibition with the Perrine Elementary, with works being displayed at Village Hall, and awards ceremony held at Thalatta Estates Park
- Provide geographic information on-line so that information such as zoning, land use, property information, water, sewer, and other similar data is available to the public
- Completed DRTF rezoning and land use amendments
- Implement an economic development plan to attract new business investment to the Village.
- Present impact fee guidelines for the future downtown.

This space intentionally left blank.

Village of Palmetto Bay
Operating & Capital Budget
Fiscal Year 2015-16

**DEPARTMENT OF PUBLIC
SERVICES-
FACILITIES MAINTENANCE**

Department of Public Services-

Facilities Maintenance Division

FUNCTION

The Facilities Maintenance Division is responsible and accountable for the maintenance of all Village facilities, and Village Hall in particular, which is the first governmental Platinum LEED building in Florida. The Facilities staff members provide repairs, maintenance, renovations and construction services for all facilities on an as needed basis through a combination of contracted services. The Department employs the best methods and systems available to produce profitable results that have a positive effect on profitability. Facilities proactive approach to maintenance ensures that all parks municipal spaces have an effective and efficient environment to meet the needs of the Village.

GOALS

- Maximize production at the lowest cost, the highest quality, and within the optimum safety standards.
- To implement planned and routine maintenance programs which will extend the useful life of all buildings and prevent premature capital outlay for replacement.
- Increase operational effectiveness & efficiency at the Municipal Center and it's infrastructure
- Identify and implement maintenance and operational cost reductions.
- Provide accurate equipment maintenance records
- Continue to meet the requirements for a Platinum LEED facility
- Continue to minimize energy usage
- Minimize and effectively manage inventory on hand
- Insure a safe environment for the public and the Village of Palmetto Bay employees.
- Reduce supply and equipment cost through standardization of supplies and equipment used by other departments
- Ensure the provision of attractive buildings, with properly functioning components and systems that are properly maintained.
- Establish a highly motivated, well-trained, and stable workforce

FY 2015-16 OBJECTIVES

- Maintain all mechanical systems in the Municipal Center to insure that there is no downtime for any department and the facility is operational at all times and be proactive in the maintenance of all mechanical, electrical and plumbing systems.
- Ongoing renegotiation of vendor contracts to reduce outsourced contract services
- Purchase software with capability to track maintenance performed on facilities and equipment
- Establish priorities for maintenance and improvement projects
- Continue to identify and correct facility deficiencies and needs through periodic review of existing systems and system components
- Effectively manage the budget to ensure the availability of sufficient funding and other resources to support projected facility maintenance requirements

Department of Public Services-

Facilities Maintenance Division

- Continue to meet LEED certification requirements through energy efficiency, energy and water conservation, alternative energy sources, use of green cleaning products and recycling.
- Reduce unscheduled maintenance by increasing and providing on-time Preventive Maintenance
- Develop and implement sustainability initiatives.
- Develop operational standards (e.g., setting policy on temperatures for A/C operations)
- Pursue Green City USA designation.

- Overall budget includes all relative costs for the reassignment of park maintenance functions to the facilities maintenance division in an effort to centralize operations and resources.
- Reserve for Contingencies is a line item under the General Government budget.

Village of Palmetto Bay
Operating & Capital Budget
Fiscal Year 2015-16

DEPARTMENT OF PARKS & RECREATION

Department of Parks & Recreation

FUNCTION

The Department of Parks and Recreation is responsible for the planning, organizing, supervising, directing and administering of all activities related to parks and recreation, special events and community outreach programs. To that extent, the Department administers all aspects of respective contracts including service providers and user agreements. Parks and Recreation is responsible for developing innovative partnerships for park programming activities by focusing on collaborations with community and civic groups as well as our local schools. The Department continuously explores and develops new techniques and approaches for enhancement of recreational activities that address community needs; increased efficiency and effectiveness of park maintenance and overall aesthetics; as well as for appropriate park improvements and/or recommendations for additional amenities.

GOALS

- Organize and implement special events, home games and tournaments in our park facilities and village-wide.
- Seek sponsorships and donations for programming, special events and enhancement of parks.
- Expand in-house/outsourced recreational programming for youth, adults and seniors.
- Encourage the cooperation between the Village and neighborhood schools regarding use of respective recreational facilities.
- Improve operational efficiency and effectiveness; including delivery of services; strategic expenditures and opportunities to increase revenues.
- Maintain a high level of park maintenance with well trained and motivated staffing and effective maintenance programs.
- Expand the park system by identifying potential properties for to acquire for recreational purposes.
- Continue to assess park amenities for possible upgrades to be presented via the Capital Improvement Program

FY 2015-16 OBJECTIVES

- Expand recreational and special events programming to reach a wider audience of users (adults & seniors.)
- Structure programs to balance the utilization of park facilities.
- Build a new wellness center at Coral Reef Park, along with new restrooms, new field improvements and other park enhancements.
- Improve and upgrade park facilities to include Coral Reef Park, Palmetto Bay Park and Perrine Wayside Park

Department of Parks & Recreation

- Enhance marketing materials for recreational programming.
- Initiate process to become a CAPRA-certified agency (Commission for Accreditation of Park and Recreation Agencies)
- Implement revenue producing adult/coed athletic programs at both CRP and PBP via private organizations; men's and coed softball/coed kickball/coed volleyball/men's flag football/etc.
- Kick-off new "Get Fit Palmetto Bay" initiative including four annual challenges.
- Organize and launch specialized after-care program at Coral Reef Park.
- Initiate "customer friendly" program in all park facilities.

This space intentionally left blank.

Budget Notes:

FUND BALANCE

The fund balance for governmental funds can be reported in five components non-spendable, Restricted, Committed, Assigned, Unassigned, depending on the source of the fund balance. The Special Revenue Funds uses the following categories:

Special Revenue Fund

Restricted: externally enforceable limitations on use, such as grants or imposed by law. The Art In Public Places, Park Impact Fees, Public Works-Transportation, Transit, Stormwater, Building and Public Safety funds uses this category due to the legal restrictions placed on the uses of the funds.

Committed: self-imposed limitations, usually set by the highest level of decision making that requires formal action at the same level to remove.

**DEPARTMENT OF PUBLIC
SERVICES-
PUBLIC WORKS**

Special Revenue Fund

Public Services- Public Works Division

FUNCTION

The Public Services Department oversees the operations and functions of the Public Works Division, which is responsible for managing the right-of-way and street maintenance program, transit operations and stormwater management. The division provides construction support, management and maintenance of the Village's infrastructure, including streets, trees, sidewalks and storm drains; vehicles and equipment; street name signs and traffic calming. Additionally, the Department oversees street beautification projects, graffiti abatement, stormwater activities, facility maintenance, and provides public transportation services. The division functions under the management and leadership of the Public Services Director.

PUBLIC WORKS DIVISION

GOALS

- Develop and monitor the department's annual budget in accordance with the administration's goals and policies.
- Provide quality, professional, effective, and timely services to residents, consultants, contractors, businesses and internal customers of the Village within 24 hours through coordination between Public Works and other departments
- Implement computer software programs that will enhance public works operations.
- Implement roadway and traffic improvements that provide pedestrian and bicyclist safety.
- Update the Village's seven (7) year Resurfacing and Sidewalk Program and the Transportation Master Plan.
- Implement the recommendations in the Bicycle Master Plan.
- Manage the sidewalk and pavement maintenance and replacement program.
- Implement traffic calming improvements that meet the requirements of Miami Dade County traffic flow modification policy and procedures through the use of traffic calming tools and devices including directional signs, speed limit signs, permanent traffic calming devices and pavement markings.
- Manage contracted maintenance services for the construction and repair of infrastructure including streets, sidewalks, and stormwater facilities with low cost services as well as optimum customer satisfaction. Maintain Village Street Signs in accordance with the Street Signage Program and replace signage as necessary.
- Ensure compliance with annual Citizen Independent Transportation Trust requirements.
- Continue Increase the number of trees donated for the Village's tree giveaway program with the support of the Village's Tree Advisory Board
- Maintain the Village's vehicle fleet.

FY 2015-16 OBJECTIVES

- Require each employee to complete a minimum of 16 hours of training that covers specific information pertaining to the employee's job function before their next annual evaluation date.

Special Revenue Fund

Public Services- Public Works Division

- Manage services provided by vendor for contract compliance and customer satisfaction, and take action if non-compliant
- Ensure the department stays within budget by implementing internal budget goals and constraints on a quarterly basis and by monitoring all appropriation statements on a monthly basis to control expenditures.
- Provide excellent customer service through improved information access, prompt professional response to requests for information, assistance, complaints, keep citizens informed of services, programs, and projects that affect them via phone, in person, and email.
- Assure compliance with Village and Miami-Dade County Public Works standards and code requirements while responding to village and citizen request.
- Implement projects and initiatives that aim to enhance the quality of life for Village residents.
- Complete safety hazard repairs for streets, sidewalks, curbs and gutters in a timely manner.
- Implement the findings of the Village Transportation Master Plan.
- Review and update Transportation Master Plan to reflect changing land use development patterns and related transportation system demands.
- Engage the public in the planning and design of traffic calming and traffic diversion projects through public meetings to provide an opportunity for citizens to work actively to benefit the community.
- Aggressively replace damaged street signs within four work days of notification of damages.
- Install and replace street and traffic signage as needed and required, and notify other agencies of their damaged and missing signage within four (4) hours of complaint notification.
- Continue to perform litter control and landscape maintenance and the mowing of medians, right-of-ways, swales and graffiti removal within the public right-of-way in a manner that will maintain their appearance and limit citizen complaints.
- Manage the maintenance, acquisition, disposal, and fueling of the Village's vehicle and equipment fleet.
- Provide and continuously update public works information weekly for use on the Village's website.

Budget Notes:

- **Transportation Tax:** This line item represents the half-cent sales tax approved by Miami-Dade County voters to fund transportation improvements effective on 1/1/03. The Village will continue to receive annual remittances from the County. The Tax is shared with 80% for Transportation and 20% for Transit. The budget is based upon estimates received from the County.
- **Local Option Gas Tax:** The Special Revenue Fund reflects the three cents component of the Local Option Gas Tax imposed on motor fuel. This special revenue must be used solely for transportation improvements that are part of the capital projects plan. The six cents Local Option Gas Tax is reflected in the General Fund. The budget is based upon estimates received from the State.
- **Local Option Gas Tax and 8-cent Fuel Tax:** The 6-cents Local Option Gas Tax and the fuel tax part of the State revenue sharing program is initially reflected in the General Fund to offset transportation operating expenditures. Any unused funds are transferred to the Special Revenue Fund to be used on transportation capital projects. The budget is based upon estimates received from the State.

Special Revenue Fund

Public Services- Public Works Division

TRANSIT OPERATIONS

GOALS

- Provide a widely accessible and dependable public transit services that are efficient and cost effective.
- Promote transportation projects aimed at assuring that all residents have adequate mobility options.
- Maintain the transportation system.
- Increase system utilization by the public; analyze bus routes and corridors as needed.
- Enhance transportation through economic development, particularly in the downtown area of the Village.
- Provide connectivity to Miami-Dade County Transit system and neighboring municipalities transit systems.
- Promote safety and security in maintaining and operating the Ibus system to include personnel, ridership and facilities within the Village.
- Comply with local and federal transit policies and regulations.

FY 2015-16 OBJECTIVES

- Seek opportunities to expand mobility options and consider impacts on and opportunities for economic development in plans and projects.
- Expand and improving bus service.
- Establish the most appropriate level of service, days, and hours of service.
- Complete reports required by CITT and federal agencies.
- Hold a minimum of two safety awareness meetings to be attended by drivers.
- Meet Americans with Disabilities Act requirements.
- Conduct ridership surveys addressing customer satisfaction and service dependability.
- Work with local county government to define needs and apply for grant funding for existing and additional service.
- Re-design the IBUS website to make it easier to use, contain more information
- Increase the availability of information about IBUS service through maps and schedules at selected locations within the Village and neighboring communities
- Provide transit-related amenities and/or facilities, where warranted and financially practical, to encourage increased transit ridership.

STORMWATER UTILITY MANAGEMENT

GOALS

- Clean storm drainage system for proper disposition of stormwater and perform preventive maintenance and repair of pipes and inlets.
- implement capital improvement projects in accordance with the Village's Updated Storm Water Master Plan with revenue from the Village's Stormwater Utility and apply for available grant funding to meet cost sharing needs.
- Continue to meet NPDES co-permittee requirements.
- Implement the improvements as prioritized in the updated Stormwater Master Plan.
- Continue to strive for participation in the CRS program
- Inspect stormwater conveyance system on both a scheduled and unscheduled basis and to remediate any illicit discharges detected
- Insure that all installed BMP(s) are properly operated and maintained in perpetuity
- Insure that sufficient information is made available to the public on impairments to stormwater quality
- Educate and train key personnel to the success of BMP implementation
- Assure that all projects are completed with minimal or no impact on water quality.

FY 2015-16 OBJECTIVES

- Continue to implement the projects and recommendations in the Stormwater Master.
- Maintain the Stormwater Management System to meet or exceed the established Level of Service (LOS) Standards, both quantitatively and qualitatively.
- Manage development within the FEMA 100-year floodplain.
- Obtain re-certification under the Community Rating System.
- Upgrade deficient and existing stormwater management and drainage facilities in order to maximize their capacity and lifespan and to ensure that discharges do not violate State water quality standards.
- Maintain proper accounting and collection of stormwater utility charges.
- Monitor and insure compliance with the Village's Stormwater Utility Code of Ordinance
- Manage all GIS mapped catch-basins and outfalls within the Villages boundaries to assist with streamlining the workflow and reduce the paper work associated with maintaining stormwater infrastructure.
- Assess and clean the Village's storm drain inlets to ensure that minimal storm sewer blockages occur during the year and prioritize "request for action" from citizens related to settlement on or around storm water structures.

Operating & Capital Budget
Fiscal Year 2015-16

**DEPT. OF COMMUNITY &
ECONOMIC DEVELOPMENT-
BUILDING & PERMITTING**

Special Revenue Fund

Community & Econ. Dev.- Building & Permitting

FUNCTION

The Building and Permitting division is part of the Department of Community and Economic Development. The division oversees the building, code compliance, and Flood Plain administration functions. The Building and Permitting division performs the critical functions of safeguarding the health, safety and welfare of the residents by enforcing and implementing federal, state and local building laws that regulate the construction industry, particularly the Florida Building Code 2010 edition. The division also enforces all codes promulgated by regulatory agencies such as the Hotel and Restaurant Commission, Miami-Dade County Department of Environmental Resource Management, Florida Department of Health and Professional Regulation and others. Additionally, the division ensures that all work performed is to the standards as set forth by the Florida Building Code and that all work is properly permitted. With respect to Code Compliance, the division is responsible for educating the public on the Village's code regulations and enforcing those regulations in the utmost professional manner. The overall goal of this division is to ensure the safety, health and welfare of each resident and neighborhood in a responsible and professionally sensitive manner.

GOALS

- Ensure that laws and regulations governing the construction industry are implemented consistently and uniformly throughout the Building Department and within our customer base.
- Improve service delivery for residents, businesses and trade representatives.
- Enhance access to information concerning the building and permitting laws and processes by implementing a software module through Eden.
- Facilitate retrieval and access to closed project plans and information and ease storage needs by continuing to scan and store data electronically.
- Promote and implement green initiatives in accordance with Village policies.
- Promote the new Eden software module to allow for easier access and posting of all plan review and inspection results.
- Respond to code complaints in a professional and expeditious manner.
- Implement the Code Compliance Automation program.
- Implement code compliance policies set by the Village Council as specific topics that impact the Village (i.e. water restrictions and lot maintenance at abandoned properties).
- Administer the Special Master hearing process for appeals to code citations.
- Continue to educate residential and commercial property owners on code requirements.

Special Revenue Fund

Community & Econ. Dev.- Building & Permitting

FY 2015-16 OBJECTIVES

- Enhance the "Permit Connection" line to directly contact customers concerning their pending building plans.
- Continue to provide access to permit information and status via the Village website and provide general information to the public concerning the building process through outreach programs.
- Enhance customer service by continuing to provide walk-thru permit service and extended hours of operation.
- Provide professional quality services to all residents and customers of the Building and Zoning Division.
- Inspect all Village owned facilities and provide a maintenance schedule for all components of Village properties.
- Perform code inspections within 24 hours of receipt of a complaint.
- Perform zoning inspections within 24 hours of request.
- Issue courtesy warning, citation, or finding of "no valid complaint" or "in compliance" within 24 hours of an inspection.
- Recover the cost of the Mow and Go Program through the lien process.
- Develop 30-day action plans for focused neighborhood code initiatives, when requested and/or identified.
- Process appeals before the Special Master within 30 days of receipt.
- Schedule a minimum of 15 cases per month before the Special Master and prepare case briefs.
- Review and update any informational brochures which educate the public on new or existing Code regulations that may have an impact on property owners.

CAPITAL IMPROVEMENTS PROGRAM

Capital Improvement Program

CAPITAL IMPROVEMENT PROJECTS FUND DESCRIPTION

The Capital Outlay fund is intended to provide a detailed breakdown of the projected capital expenses in the aggregate for all Village departments. Capital projects are distinguished from maintenance projects, as many of the funding sources used for capital projects are not available for maintenance. CIP projects provide tangible, long-term improvements. The process involves the following:

IMPLEMENTATION OF PROJECTS IN THE APPROVED CIP BUDGET

The Village Manager is primary responsible for the implementation and management of approved projects from the Capital Improvement Program, which is describe in detailed on the following pages. In a few cases, such as if a department has specialized needs, the asset-owning department will manage the project. Capital improvement projects frequently are large, expensive, and take multiple years to complete. It is therefore imperative to develop a multiple year plan to identify both, current and future capital improvement needs and budget for the relative expenditures accordingly.

Typical Project Implementation Phases:

Glossary

Abatement - A partial or complete waiver of taxes, service charges or fees imposed by the Village for purposes of economic development incentives.

Accountability - An obligation or willingness to accept responsibility or to account for one's actions.

Accounting Period - A period of time (e.g. one month, one year) where the Village determines its financial position and results of operations.

Ad Valorem Tax - A tax levied on the assessed value of real estate and personal property. This tax is also known as property tax.

Adopted Budget - The proposed budget as formally approved by the Village Council.

Account - A term used to identify an individual asset, liability, expenditure control, revenue control, encumbrance control, or fund balance.

Accounting System - The total structure of records and procedures which discover, record, classify, summarize, and report information on the financial position and results of operations of a government or any of its funds, fund types, balanced account groups, or organizational components.

Accrual Basis of Accounting - The method which records revenues when earned (whether or not cash is then received) and records expenditures when goods or services are received (whether or not cash is disbursed at that time.)

Amended Budget - The adopted budget formally adjusted by the Village Council.

Appropriation - A specific amount of money authorized by the Village Council for the purchase of goods or services.

Appropriated Fund Balance - The amount of surplus funds available to finance operations of that same fund in a subsequent year or years.

Arterial Roads - The main traffic corridors that are with the county. They are fed by collector roads, which pick up the traffic from local roads that provide a more localized service within specific neighborhoods.

Assessed Property Value - The value set upon real estate or other property by the County Property Appraiser and the State as a basis for levying ad valorem taxes.

Asset - Resources owned or held by a government, which have monetary value.

Balanced Budget - A budget in which planned funds or revenues available are equal to fund planned expenditures.

Balance Sheet - The basic financial statement, which discloses the assets, liabilities, and equities of an entity at a specified date in conformity with GAAP.

Glossary

Benchmarking - Determining the quality of products, services, and practices by measuring critical factors (e.g., how fast, how reliable a product or service is) and comparing the results to those of highly regarded competitors.

Benefits - Payments to which participants may be entitled under a pension plan, including pension benefits, death benefits, and benefits due on termination of employment.

Budget - A fiscal plan of programs, services, and construction projects expected to be carried out, funded within available revenues and designated within a specific period of time, usually 12 months.

Budget Calendar - A schedule of key dates which the Village follows in the preparation, adoption and administration of the budget.

Budget Message - Included in the opening section of the budget, the Budget Message provides summary of most important aspects of the budget, changes from previous fiscal years and recommendations regarding the financial policy for the upcoming period.

Bond - A written promise to pay a designated sum of money (the principal) at a specific date in the future, along with periodic interest at a specific rate. The payments on bonds are identified as Debt Service. Bonds are generally used to obtain long-term financing for capital improvements.

Bond Funds - Resources derived from issuance of bonds for specific purposes and related Federal project grants used to finance capital expenditures.

Bond Rating - A rating (made by an established bond rating company) from a schedule of grades indicating the probability of timely repayment of principal and interest on bonds issued.

Budget Document (Program and Financial Plan) -the official written statement prepared by the Village staff reflecting the decisions made by the Council in their budget deliberations.

Budget Ordinance - The schedule of revenues and expenditures for the upcoming fiscal year by fund, which is adopted by the Village Council each year.

Budgetary Basis - This refers to the basis of accounting used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, cash, or modified accrual.

Budget Schedule - The schedule of key dates which a government follows in the preparation and adoption of the budget.

Buildout - That time in the life cycle of the Village when no incorporated property remains undeveloped. All construction from this point forward is renovation, retrofitting or land cleared through the demolition of existing structures.

Capital Equipment - Physical plant and equipment with an expected life of five years or more.

Glossary

Capital Improvement Program - A projection of capital (long-lived and significant) expenditures over the coming five years. The method of financing is also indicated.

Capital Improvement Fund - An account used to segregate a portion of the government's equity to be used for future capital program expenditures. The amount of capital reserve is roughly equal to the government's annual equipment depreciation and an amount identified as being needed for future capital acquisition.

Capital Outlay - Fixed assets, which have a value of \$1,000 or more and have a useful economic lifetime of more than one year; or assets of any value if the nature of the item is such that it must be controlled for custody purposes as a fixed asset.

Capital Project - Major construction, acquisition, or renovation activities, which add value to a government's physical assets or significantly increase their useful life; also called capital improvement.

Capital Projects Budget - A fiscal year budget for capital expenditures, i.e. items or projects of significant value with a probable life of one or more years, and the means of financing them.

Cash Carryover - Cash at the start of the year, plus revenue received in one fiscal year, which is not spent in that year, and is therefore made available for use in the succeeding year.

Charter - The written instrument that creates and defines the franchises (rights) of a Village.

City - An incorporated municipality in the United States with definite boundaries and legal powers set forth in a charter granted by the state or in some instances a county.

Concurrency - Operating or occurring at the same time. This term is commonly used to refer to the provision of adequate public facilities at the time they are needed to support new development. Adequate roads, water and sewer facilities must be in place concurrent with the impact of new development. Concurrency only provides for public facilities necessary to serve new development and does not alleviate existing shortfalls.

Consumer Price Index (CPI) - A statistical description of price levels provided by the U.S. Department of Labor. The index is used as a measure of the increase in the cost of living (i.e. economic inflation).

Contingency - An appropriation of funds available to cover unforeseen events that occur during the fiscal year. These funds, if not used, lapse at year end. This is not the same as fund balance or reserve fund.

Contractual Services - Services rendered to a government by private firms, individuals, or other governmental agencies. Examples include utilities, rent, maintenance agreements, and professional consulting services.

Countywide Service Area - As the area-wide government, Miami-Dade County has the responsibility to provide certain services to all residents. The countywide services include: public health care,

Glossary

sheriff, jails, courts, mass transportation, environmental protection, certain parks and public works activities, elections, tax collection, property appraisal and social service programs. The revenue to pay for countywide services comes from property and gas taxes, licenses, charges for services, intergovernmental aid, fines and forfeitures, transfers and interest earnings.

Debt Service - The payment of principal and interest on borrowed funds such as bonds.

Density - The average number of individuals or units per space unit (population per square mile or housing units per acre).

Deficit - The excess of liability over assets — or expenditures over revenues — in a fund over an accounting period.

Depreciation - The decrease in value of physical assets due to use and the passage of time.

Department - A major administrative division of the Village, which indicates overall management responsibility for an operation or a group of related operations within a functional area. A department usually has more than one program and may have more than one fund.

Disbursement - The expenditure of monies from an account.

Distinguished Budget Presentation Awards Program - A voluntary award program administered by the Government Finance Officers Association to encourage governments to prepare effective budget documents.

Employee (or Fringe) Benefits - Contributions made by a government to meet commitments or obligations for employee fringe benefits. Included are the government's share of costs for Social Security and the deferred compensation, medical, and life insurance plans.

Encumbrances - Obligations incurred in the form of orders, contracts and similar items that will become payable when goods are delivered or services rendered.

Enterprise Fund - A self-supporting fund designed to account for activities supported by user charges.

Estimated Revenues - Projections of funds to be received during the fiscal year.

Expenditure - Projections of funds to be received during the fiscal year.

Final Budget - Term used to describe revenues and expenditures for the upcoming year beginning October 1st and ending September 30th.

Financial Policy - A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs and capital investments. Fiscal policy provides an agreed-upon set of principles for the planning and programming of government budgets and their funding.

Glossary

Fines and Forfeitures - Consists of a variety of fees, fines and forfeitures collected by the State Court System, including bail forfeitures, garnishments, legal defenders recoupment and juror/witness fees.

Fiscal Year - Any period of 12 consecutive months designated as the budget year. The Village's budget year begins October 1st and ends September 30th. The State of Florida's fiscal year begins July 1st and ends June 30th.

Fixed Assets - Assets of long-term character that is intended to continue to be held or used, such as land, building, machinery, furniture, and other equipment.

Forfeiture - The automatic loss of property, including cash, as a penalty for breaking the law, or as compensation for losses resulting from illegal activities. Once property has been forfeited, the Village may make a claim for it, resulting in confiscation of the property.

Franchise Fee - Charges to utilities for exclusive/non-exclusive rights to operate within municipal boundaries. Examples are electricity, telephone, cable television, and solid waste.

Franchise - A special privilege granted by a government permitting the continuing use of public property, such as city streets, and usually involving the elements of monopoly and regulation.

Full-Time Equivalent Position - A part-time position converted to the decimal equivalent of a full-time position based on 2,080 hours per year.

Fund- A set of interrelated accounts to record revenues and expenditures associated with a specific purpose.

Fund Balance - The excess of assets over liabilities for a fund. A negative fund balance is sometimes called a deficit.

GAAP - Generally Accepted Accounting Principles. Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

General Fund - A governmental fund established to account for resources and uses of general operating function of the Village. Resources are, in the majority, provided by taxes.

General Ledger - A book, file, or other device, which contains the accounts needed to reflect the financial position and the results of operations of an entity. In double entry bookkeeping, the debits and credits in the general ledger are equal; therefore, the debit balances equal the credit balances.

General Obligation Bonds - Bonds for the payment of which the full faith and credit of the issuing government are pledged. In issuing its general obligation bonds, municipalities pledge to levy whatever property tax is needed to repay the bonds for any particular year. General Obligation Bonds cannot be issued without voter approval and are usually issued with maturities of between 15 and 30 years.

Glossary

Goal - An attainable target for an organization; an organization's vision of the future.

Goals and Objectives - A narrative in each department which establishes a program of non-routine, or especially emphasized, intentions and tasks for each Village department or sub-department during a one-year period. It is not necessarily a fiscal period.

Grant - A contribution by one governmental unit to another unit. The contribution is usually made to aid in the support of a specified function.

Homestead Exemption - Pursuant to the Florida State Constitution, the first \$25,000 of assessed value of a home which the owner occupies as principal residence is exempt from the property tax.

Impact Fee - A fee charged on new development to finance required infrastructure such as roads, parks, schools, fire and police facilities, or capital purchases.

Incorporation -The process by which a community within the unincorporated area creates a new municipality or city.

Infrastructure - Public domain fixed assets including roads, bridges, curbs, gutters, sidewalks, drainage systems, lighting systems and other items that have value only to the Village.

Interest Income - Revenue associated with the Village cash management activities of investing fund balances.

Inter-fund Transfer - Equity transferred from one fund to another.

Intergovernmental Revenue - Income received from or through the Federal, State, or County government. These include State Revenue Sharing, Alcoholic Beverage Tax, and Sales Tax.

Interlocal Agreement - A contractual agreement between two or more governmental entities.

Liabilities - Debts or other legal obligation arising out of transactions in the past, which must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

Line Item - A specific item defined by detail in a separate account in the financial records. Revenue and expenditure justifications are reviewed, anticipated and appropriated at this level.

Mill - A taxation unit equal to one dollar of tax obligation for every \$1,000 of assessed valuation of property. One mill levied on a property valued at \$200,000 would produce tax revenues of \$200.

Millage - The total tax obligation per \$1,000 of assess valuation of property.

Mitigation - An amount negotiated between the County and a donor community during the incorporation process. The amount is intended to alleviate the impact of the County's revenue loss as a result of incorporation.

Glossary

Modified Accrual Accounting - A basis of accounting in which revenues are recorded when collectable within the current period or soon enough thereafter to be used to pay liabilities of the current period, and expenditures are recognized when the related liability is incurred.

Municipal Code - A collection of laws, rules and regulations that apply to the Village and its Citizens.

Municipal Services Trust Fund - A fund into which mitigation payments are deposited.

Municipality - A political unit, such as a city, incorporated for local self-government.

Non-Departmental Appropriations (Expenditures) - The costs of government services or operations which are not directly attributable to Village Departments.

Objective - A specific measurable and observable activity which advances the organization toward its goal.

Objects of Expenditure - Expenditure classifications based upon the types or categories of goods and services purchased.

Obligations - Amounts which a government may be legally required to meet out of its resources. They include not only actual liabilities, but also encumbrances not yet paid.

Operating Budget - A budget for general revenues and expenditures such as salaries, utilities, and supplies. Projections Estimates of anticipated revenues, expenditures, or other quantitative data for specific time periods, usually fiscal years.

Operating Revenue - Funds that the government receives as income to pay for ongoing operations. It includes such items as taxes, fees from specific services, interest earning, and grant revenues. Operating revenues are used to pay for day to day services.

Ordinance - A formal legislative enactment by the Village Council of Palmetto Bay; a law.

OSHA - Occupation Safety & Health Administration.

Personal Time Off - A combination of traditional vacation and sick time into a single category.

Personal Services - Expenditures for salaries, wages, and related employee benefits.

Policy - A plan, course of action or guiding principle, designed to set parameters for decisions and actions.

Productivity - A measure of the service output of Village programs compared to the per-unit of resource input invested.

Programs and Objectives - The descriptions of the structure, purposes, activities, tasks and volumes or frequencies of each organizational unit shown in the budget. The period spans the fiscal year.

Glossary

Property Tax - A tax levied on the assessed value of real and personal property. This tax is also known as ad valorem tax.

Proprietary Fund - Enterprise and internal service funds that are similar to corporate funds, in that they are related to assets, liabilities, equities, revenues, expenses and transfers determined by business or quasi-business activities.

QNIP - Quality Improvement Neighborhood Improvement Program A County program that focuses on infrastructure needs in older urban neighborhoods and high growth areas. It includes construction and repair of sidewalks, local and major drainage improvements, road resurfacing and park facility improvements.

Reserve - An account used either to set aside budgeted revenues that are not required for expenditure in the current budget year or to earmark revenues for a specific future purpose.

Revenue - Money that the Village of Palmetto Bay receives from a variety of sources such as property taxes, permits and fees, utility and sales taxes, charges for services, grants, franchise fees and license fees that it uses to pay for service delivery and other items.

Risk Management - The identification and control of risk and liabilities incurred by a local government to conserve resources from accidental loss.

Rollback Millage Rate - The millage necessary to raise the same amount of Ad Valorem tax revenue as the previous year, excluding taxes from new construction.

Special Assessment - A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties. All tax-exempt property in the affected area will also have to pay the special assessment.

Special Taxing District - A geographic area, designated by petition or vote of the residents of that area, in which a particular service is provided exclusively to residents of the area. A special property tax or a special assessment fee pays for these services. Typical districts include parks maintenance, street lighting, or security guard districts.

Stormwater Utility Fee - A fee assess on real property established and imposed to finance design, installation, and maintenance of Stormwater management systems.

Surplus - The use of the term "surplus" in governmental accounting is generally discouraged because it creates a potential for misleading inference. Undesignated fund balance is used instead. The concept of "net worth" in commercial accounting is comparable to "fund balance" in government accounting. That portion of the fund balance, which is not reserved for specific purposes or obligations, is called the undesignated fund balance: it is the true "surplus".

Tax Base - Total assessed valuation of real property within the Village.

Glossary

Tax Levy - The total amount to be raised by general property taxes for purposes specified in the Tax Levy Ordinance.

Taxing Limit - The maximum rate at which the Village may levy a tax, which for Florida municipalities is 10 mills, or \$10 per thousand dollars of assessed value.

Tax Rate - The amount of tax levied for each \$1,000 of assessed valuation.

Taxable Value - The assessed value less homestead and other exemptions, if applicable.

Truth in Millage - The Florida Trust in Millage Act (TRIM) serves to formalize the property tax levying process by requiring a specific method of tax rate calculation, form of notice, public hearing requirements and advertisement specifications prior to the adoption of a budget tax rate.

UMSA - The area of Dade County that is not formed as a city or municipality but that receives municipal-like services from Miami-Dade County. The area is taxed exclusively for these services through a millage applied only to the unincorporated municipal services area (UMSA).

Undesignated Fund Balance - That portion of the fund balance available for use in subsequent budgets. The term is preferable over the commonly used and ill-defined "surplus."

Workload Indicators - An indication of the output of a department. It may consist of transactions, products, events, services or persons served.
