The National League of Cities (NLC) Prescription Discount Card program is administered by CVS Caremark, an experienced prescription discount card provider who has administered these programs since 1992. Your city must be a member in good standing of NLC to sponsor the program.

[‡] All communications must be reviewed and approved by NLC and CVS Caremark unless the city is using communications supplied by CVS Caremark.

This is not insurance. Discounts are only available at participating pharmacies. By using this card, participants agree to pay the entire prescription cost less any applicable discount. Savings may vary by drug and pharmacy.
