Dear Building Official:

I, _____ (architects or engineers name) _____, having performed the required Special Inspector inspections for the following structural elements as applicable:

- _____ Reinforced masonry (FBC 2122.4 & 2122.3)
- _____ Wood trusses spanning over 35 ft. (FBC 2319.17.2.4.2)
- _____ Soils-Slabs on fill (FBC 1820.3.1)
- _____ Structural Steel (FBC 2218.2)
- _____ Other (As required by Building Official)

I hereby attest that to the best of my knowledge, belief and professional judgment, the structural components of the above referenced structure are in compliance with the approved plans and other approved permit documents. I also attest to the best of my knowledge, belief and professional judgment, the approved permit plans represent the as-built condition of the structural and envelope components of said structure.

This document is being prepared in accordance with the Florida Building Code and is being submitted to the Village of Palmetto Bay Building and Permitting Division in conjunction with the application for a certificate of Completion for the above referenced structure.

Should you have any questions or need any additional information, please do not hesitate to contact me.

Very truly yours,
