Palmetto Bay Rolls Out A New Safety Initiative at Coral Reef Park

Palmetto Bay joins forces with the Safer Compass Foundation to Install Z.E.R.O at Coral Reef Park

PALMETTO BAY, FL- The Village of Palmetto Bay is excited to announce a new and innovative safety initiative that can significantly reduce response time in the event of an emergency at Coral Reef Park.

Palmetto Bay, in partnership with the Safer Compass Foundation, introduces "Z.E.R.O" (Zone Emergency Response Operation), a navigational tool that assists first responders in locating a particular area within a facility during an emergency event. Z.E.R.O. has proven to reduce response times by 75% by identifying zones within a park or building through color codes, letters markers and coordinates, making it possible for victims and first responders to identify the exact area where an emergency incident is happening.

Presentation of the navigational signage, Z.E.R.O. is scheduled for **Tuesday, May 17th, 10:00 am at Coral Reef Park**. For more information about Z.E.R.O. and the Safer Compass Foundation, you may visit the foundation's [website](#) and read the [press release](#) by Councilwoman Karyn Cunningham.
