

## Interested in Serving on the Village's Historic Preservation Board?

The Village of Palmetto Bay is seeking individuals who would like to serve on our Historic Preservation Board. The Board serves in an advisory role to identify and administer historical, cultural, archeological, and architectural resources in the Village. This Board is bound by the State of Florida Sunshine Laws.

The Historic Preservation Board currently has three openings. If interested, your resume shall be reviewed by staff, provided to the Village Council, and the Council will appoint the members at a future meeting. This Board normally meets one evening per month.

To qualify, you must be experienced in one of the following fields:

- Architecture
- Planning
- Archeology
- History
- Art History
- Historic Preservationist

One member of the Board by virtue of the civic involvement or concern for historic preservation may be appointed to the Board.

Please send your resume no later than Feb. 11, 2011 to Village Hall, 9705 East Hibiscus Street, Attn: Director Julian Perez, Planning & Zoning department, Palmetto Bay, FL 33157. For more information, contact Village Hall at (305) 259-1234.
