

“Officer Friendly” Builds 76 New Records on Children at Palmetto Bay’s Howard Drive Elementary School

March 6, 2009

The Palmetto Bay Policing Unit supported the Fun Fair at Howard Drive Elementary School, Feb. 6, by providing fingerprinting and photographing services for 76 children as key part of the Village’s Officer Friendly program. The records are provided to parents, free of charge, to be used in the event of child abductions, runaways, etc. Officers also provided information on cyber safety for “tweens” (pre- and early-teen kids), and their parents.
