

Miami Dade Police Department is proud to partner with

Med Safe™

To Fight Rx Drug Abuse!

**This is a major problem
right here in Palmetto Bay!**

The MedSafe, designed for safe and convenient storage of all types of medications, is a first-of-its-kind electronic lock box that installs easily into most existing home medicine cabinets.

DON'T TAKE ANY CHANCES— LOCK 'EM UP!

“Since over 90% of Rx drugs abused by children are obtained from their home or the home of relatives or friends, we believe that **locking up medications in the home could eradicate the problem.**”
- Frank Pegueros, D.A.R.E. America

“**Parents can have an immediate impact by cutting off the access to the Rx drugs in their home.**”
- Office of National Drug Control Policy Report

FEATURES

- Easy Installation with 4 self tapping screws (included) or heavy duty double sided tape for mirrored cabinets
- Holds up to 15 bottles of prescription meds
- 19,500 Changeable Combinations
- Can be used in medicine cabinet, dresser, closet door, or night table for medications bedside

FACTS

Rx drug deaths far outnumber gun deaths-
100,000-30,000 per year.

Teens abuse Rx drugs more than almost all others combined.

71,000 kids each yr end up in ER's from accidental overdose.

39% of people look in their host's medicine cabinet.
