

CHRISTMAS TREE DISPOSAL

Recycling Christmas Trees

The following options are available to service area residents for the collection, recycling and disposal of Christmas trees:

Christmas Tree Drop-off

From Saturday, Dec. 26 - Sunday, Jan. 17

DSWM customers can drop off their clean, undecorated Christmas trees at a Neighborhood Trash and Recycling Center or at the South Dade Landfill's designated drop-off location at 23707 SW 97 Avenue, Gate A. All centers are open daily from 7 a.m. to 5:30 p.m. The landfill is open from 7 a.m. to 5 p.m.

Curbside Collection of Christmas Trees

Place your clean, undecorated Christmas tree at your curbside on ***Jan. 7, 2010.***

Trees placed curbside after Jan. 7 will not be collected. Residents will then be responsible for dropping off their tree at a Trash and Recycling Center or cutting the tree to fit inside their green EZGo waste cart for proper collection and disposal.

Free Christmas Tree Mulch

To promote environmental sustainability, the clean trees collected at the recycling sites will be chipped in-house. Beginning in late January, service area residents can collect the mulch free-of-charge at the following locations while supplies last:

- North Dade Trash and Recycling Center
21500 NW 47 Avenue
- Sunset Kendall Trash and Recycling Center
8000 SW 107 Avenue
- Eureka Drive Trash and Recycling Center
9401 SW 184 Street

*Please note all Christmas tree services are for Miami-Dade County Solid Waste customers only.
