President's Message

First, I want to thank everyone who worked so hard putting the Block Party together and especially those board members who worked all day and late into the evening at their jobs without complaining. Thanks to all our neighbors who came and shared the evening with all their MECA friends. The band was great and many of us danced well into the evening. I'm glad the kids had so much fun with the bounce houses. Now if I can make a few comments, there was a shortage of food for many neighbors who came after 7pm and the workers who, for the most part, did not get to eat. The board will come up with a better plan for the buffet next year. Also, I was disturbed at the lack of parental supervision at the party. The Block Party is not supposed to be a babysitting service supervised by MECA board members. That may seem harsh but there are liability concerns when parents drop children off to an unsupervised function. The annual Block Party is supposed to be lots of fun for everyone and that means the neighbors who plan and work these functions deserve to enjoy the evening as much as any one else who attends.

This month we will have Santa's Parade which is always a joyous occasion for children and parents. Also, we will have the Christmas house decorating contest. December will be another busy month in the neighborhood. Please remember to keep your eyes open and garage doors closed. The Police have stepped up their coverage in our area because of all the house break-ins. I can't stress enough how important it is for you to report anything that seems out of the ordinary. This is still the best neighborhood around and we plan to keep it that way. Have a wonderful Holiday season.

Pam Tabor, MECA President

And not just in a sleigh at night but during broad daylight at our uniquely Mangowood Santa Tour and Reception. Following a 2:15pm Police and Fire Department motorcade throughout the neighborhood, Santa will be available for photos and last minute gift requests for all procrastinators. Just listen for the sirens, then grab your little ones head for 83rd Place for the 3PM reception. You'll enjoy refreshments while the kids visit Santa.
