

FACT SHEET

A NEW ROADWAY PROJECT WILL BEGIN IN YOUR AREA State Road (SR) 5/South Dixie Highway/US 1

FIN# 425348-1-52-01
Begins: July 2012

OVERVIEW

On Monday July 16, the Florida Department of Transportation (FDOT) is scheduled to begin a roadway construction project along SR 5/South Dixie Highway/US 1 from SW 168 Street to SW 136 Street in the Village of Palmetto Bay.

PROJECT SCHEDULE

July 16, 2012 — April 2013

WORK TO BE PERFORMED

- Replacing sections of sidewalk, curb and gutter, concrete driveways and pedestrian ramps
- Installing new pedestrian signals at intersections
- Replacing sections of guardrail
- Performing safety modifications to the bridge over the C-100 Canal
- Installing several underground drainage structures
- Providing a wider outside lane to accommodate bicycles
- Repaving and restriping the roadway
- Updating signage

ESTIMATED CONSTRUCTION COST

\$3,736,649

AFFECTED MUNICIPALITIES

Village of Palmetto Bay

LANE CLOSURE & DETOUR INFORMATION

To do this work safely, it will be necessary to close travel lanes at times. When needed, lane closures will be from 9 a.m. to 3:30 p.m. Lanes may also be closed Sundays through Thursdays from 9 p.m. to 5:30 a.m., and Fridays and Saturdays from 11 p.m. to 7 a.m. Tasks will be done in stages to lessen the effects of construction. Entrances to properties will be kept open.

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits
- Watch for signs with information about upcoming work and traffic conditions

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The department takes steps to reduce construction effects, but you might experience the following around the work site. **Please note that this schedule could change due to bad weather or other unexpected conditions.**

- Side street, traffic lane and sidewalk closures
- Increased dust and noise
- Workers and equipment moving around the area.
