I, \_\_\_\_\_ the undersigned, having agreed to participate in the National Self-defense Institute NSDI/S.A.F.E. Program, acknowledge that I have been fully informed as to the details of the course; that although it is not a complete physical self-defense course it involves physical activity limited in nature, all of which has been explained to me and which I understand. I further acknowledge that the training is rudimentary and does not provide the proficiency that would be more attainable from a full basic physical self-defense course, and is dependent on continued practice, the exercise of good judgement and a person's natural abilities.

In consideration for the educational benefit to be received, I hereby agree to hold Miami-Dade County, its Board of County Commissioners, its employees, agents, and servants from all liability for property damage, physical harm, personal injury, or death arising out of the training or instruction provided to me, and I further agree to waive all rights or claims to damages, legal or equitable, arising out of any intention or negligent acts or omissions by me, or any officer, employee or agent of Miami-Dade County, or a malfunction of any equipment used during training or instruction.

Additionally, I do hereby release The Village of Palmetto Bay, its employees, representatives, and agents, and the National Self-Defense Institute, Inc. (a not-for-profit corporation), any of its officers, directors, members, program partners, agents, volunteers, program participants, sponsors, instructor(s), and employees, from any and all liability of whatsoever nature in any way related to the participation in the NSDI/S.A.F.E. Program whether during the training or thereafter and specifically release the Miami-Dade Police Department and the Village of Palmetto Bay of its own negligence and/or negligence of NSDI/S.A.F.E. Program.
