AFFIDAVIT FOR EXPIRED MIAMI-DADE COUNTY PERMIT

This is to certify that I have conducted an inspection at the above referenced property in order to confirm compliance with the approved plans and or existing conditions comply with the South Florida Building Code (Including amendments) at the time the permit was obtained. If the plans and or permit pertain to a Building or structure, I further certify that the plans and or existing conditions confirm to the laws as to egress, type construction and location; that any drawings show the structural design and that the plans and or existing conditions and design conform to the requirements of the technical codes as to strength, stresses, strains, loads and stability.

I fully understand that the Village of Palmetto Bay Building and Permitting Division will not perform any plan review or field inspections and that the Building Official will rely solely upon this "sworn affidavit" to close out this permit.
