 - a. *(Councilmember Marsha Matson)*: In speaking yesterday to a resident, Mr. Richard Hernandez, of 9242 SW 182 St., I offered to ask you as Chair of the Parks and Community Outreach Committee if you would place on the next Committee agenda an issue of concern for Mr. Hernandez. The issue is allowing young boys, ages 8-12, to play on the softball fields at Palmetto Bay Park. He said that 5–7-year-old boys are doing so now. The fields are the same size as the 8–12-year-old boys use, but they need to play elsewhere because of the restriction at Palmetto Bay Park. I would appreciate your assistance in allowing Mr. Hernandez to speak to the Committee as an agenda item. I have included his email in this correspondence.
